SECTION III: RISK FACTORS

The Section titled “*Risk Factors*” beginning on page 39 of the Draft Red Herring Prospectus has been updated with revision/incorporation of certain internal risk factors and consequent renumbering as given below-

INTERNAL RISKS FACTORS:

1. The existing risk factor no. 1 has been revised.

1. We intend to utilize a portion of the Net proceeds for setting up the Proposed Manufacturing Facility at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat. We are yet to place orders for plant, machinery and equipment and apply for requisite government approvals for the Proposed Manufacturing Facility. If we are unable to commission our Proposed Manufacturing Facility without time and cost overruns or unable to adhere to the schedule of implementation, it may adversely affect our business, results of operations and financial conditions.

Our Company is engaged in the business of manufacturing of capacitive type transformer bushings including oil impregnated paper bushing, high current bushing and assembling of resin impregnated paper/resin impregnated synthetic bushings. The present manufacturing facility of our Company is situated at 84/1B, PO Khakharia, Taluka- Savli, Vadodara 391510, Gujarat, India. Our Company is proposing to set up a new factory to manufacture RIP transformer condenser graded bushings for which the Company has entered into a binding sale deed dated July 1, 2024 with Hamraz Food Products Private Limited for the land situated at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat with an area of 1,40,524 square feet for a consideration of ₹ 744.78 lakhs.

We intend to utilize the Net Proceeds for setting up the Proposed Manufacturing Facility. We have obtained a Cost Assessment Report dated October 14, 2024 from independent chartered engineer (“**Cost Assessment Report**”) which has estimated the total cost of the project to be ₹ 7,321.55 lakhs comprising of (i) purchase of land (including base consideration, developmental charges, initial maintenance charge and registration and stamp duty) for building factory for the manufacture of RIP condenser graded bushings amounting to ₹ 932.91 lakhs out of which ₹ 488.43 lakhs has already been deployed from our internal accruals and the balance amount of ₹ 444.48 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; (ii) construction of factory building amounting to ₹ 2,257.05 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; (iii) purchase of plant and machinery amounting to ₹ 3,881.03 lakhs out of which ₹ 271.92 lakhs has already been deployed from our internal accruals and balance amount of ₹ 3,609.11 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; (iv) construction of extra high voltage (“**EHV**”) testing lab amounting to ₹ 780.32 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; and (v) availing of project management consultancy from M/s. Affinitas AG amounting to ₹ 493.85 lakhs out of which ₹ 263.25 lakhs has already been deployed from our internal accruals and balance amount of ₹ 230.59 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue.

Our company has identified the land for setting up the manufacturing facility, items for construction of factory building, plant and machinery and equipment for EHV lab and has received quotations from suppliers which are valid for a specific period of time. Our Company has entered into Memorandum of Understanding dated February 21, 2024 for the purpose of project management consultancy. However, we have not entered into any definitive agreement with any of the suppliers except as explicitly mentioned under the sections “Land”, “Plant & Machinery” and “Project Management Consultancy” as provided in the section titled “*Objects of the Offer*” beginning at page 102 and there can be no assurance that the same suppliers will be engaged eventually for the respective works at the same costs. Any delay in access to IPO proceeds may eventually delay the process of placing the orders. The items for construction of factory building, plant and machinery and equipment would require us to consider factors including but not limited to pricing, delivery schedule etc. There may be a possibility of delay at the supplier’s end in providing timely delivery of these machineries, equipment’s and utilities, which in turn may delay the implementation of our expansion plan. Our Company, depending on various factors, will finalise the suppliers for the proposed manufacturing facility which may not be the same from whom the quotations were obtained. Further, the quotations relied upon by us in arriving at the total cost of machineries, equipment’s and utilities are valid for a specific period of time and may lapse after the expiry of the specific period. Any time and cost overrun due to our failure to purchase plant and machinery within our budget could adversely impact our financial condition temporarily and also delay our growth prospects.

Our expansion plan may be subject to delays and other risks such as unforeseen engineering or technical problems, disputes with workers, force majeure events, unanticipated cost increases or changes in scope, etc. Additionally, we may face risks in commissioning the Proposed Manufacturing Facility including but not limited to, delays in the civil constructions, problems with its facilities or for other reasons. Also, we are yet to apply for all the registrations and regulatory approvals required for

the said unit. Any delay in receipt or non-receipt of such approvals, licenses, registrations and permits could result in cost and time overrun or which could affect our planned expansion and operations.

We cannot assure that we will be able to utilize our proposed manufacturing facility to its full capacity or up to an optimum capacity, and non-utilisation of the same may lead to loss of profits and may adversely affect our business, results of operations and financial condition. If our proposed manufacturing facility does not function as efficiently as intended or utilisation is not optimal, we may not be able to fulfil additional orders to generate anticipated or desired revenue as projected.

While we may seek to minimize the risks from any unanticipated events, it cannot be assured that all potential delays could be mitigated and that we will be able to prevent any cost over-runs and any loss of profits resulting from such delays, shortfalls and disruptions. As a result, our business, financial condition, results of operations and prospects could be materially and adversely affected. For further details read section “Objects of the Offer” beginning on page 102 of the Draft Red Herring Prospectus.

2. The existing risk factor no. 4 has been revised.

4. Our raw material cost constitutes a significant percentage of our total expenses. Any increase in the prices of raw materials or a change in our customers preference of raw material suppliers could adversely affect our reputation, business, results from operations, financial conditions and cash flows.

We undertake procurement of raw materials from both domestic and international sources based on factors including but not limited to market availability, pricing and quality. Our basic raw materials include Rip Core, Insulators, Transformer Grade Paper, PU, Copper and Aluminium Components and electrical components. We import part of our raw materials such as Rip Core, Insulator, Paper and PU etc required for manufacturing of bushing from Switzerland, China, Singapore, Germany, Sweden and Vietnam and the details of raw material imported by the Company are given below:

Particulars	Quarter ended June 30, 2024	Fiscal 2024	Fiscal 2023	Fiscal 2022
	% of total raw materials			
Switzerland	57.86%	52.72%	56.87%	51.04%
China	6.74%	6.48%	6.05%	8.07%
Singapore	0.74%	1.39%	3.66%	-
Germany	-	_**	_**	1.14%
Sweden	-	0.44%	0.76%	0.45%
Vietnam	-	-	0.09%	-
Import Duty	3.33%	5.17%	5.72%	5.38%
Total Cost of raw material procured from international suppliers*	68.67%	66.20%	73.16%	66.07%

*as given in the table on page 42 of the DRHP

** negligible

The primary raw material which we utilize at our Manufacturing Facilities is RIP Core, Electrical Component, Insulators etc. Prices fluctuate based on a number of factors, such as, the availability and cost of raw material inputs, fluctuations in domestic and international demand and supply of Metals and forex movements in the currencies and international cargo freight, international production and capacity, fluctuation in the volume of RIP Core and Insulators in the international markets, transportation costs, protective trade measures and various social and political factors, in the economies in which the e.g. CHF, USD and Euro producers sell their products. If we are unable to procure the required quantity of raw material for our products, we may be unable to operate our factory at optimum capacity. Such an event could adversely affect our reputation, business, results from operations, financial conditions and cash flow. The table below sets out the consumption of RIP Core as a percentage of total raw materials consumed by our Company during the period three months ended June 30, 2024 and during the financial years 2024, 2023 and 2022, respectively:

Particulars	For the three months ended June 30, 2024		Fiscal 2024		Fiscal 2023		Fiscal 2022

3. The existing risk factor no. 9 has been revised.

9. Information relating to the historical installed capacities of our Manufacturing Facilities included in this Draft Red Herring Prospectus may be based on certain assumptions and estimates by the chartered engineer.

The table below sets forth the installed production capacity and the capacity utilization at our Manufacturing Facility for the three months ended June 30, 2024, financial years ended 2024, 2023 and 2022:

Particulars	Three months Ended June 30, 2024	Fiscal 2024	Fiscal 2023	Fiscal 2022
<u>OIP Condenser Bushing</u>

Actual production (in no.)	16	90	167	220
Capacity utilization (in %)	5.33%*	30.00%	55.66%	73.33%

Note: As certified by Rajendrakumar M. Trivedi, Chartered Engineer, by way of their certificate dated September 20, 2024

* Not comparable with previous years since actual production is for the period of 3 months ended June 30, 2024 cannot be annualised.

Information relating to our installed capacities and the historical capacity utilisation of our Manufacturing Facility may be based on certain assumptions and estimates, including assumptions relating to availability and quality of raw materials, product demand and operational efficiencies. While we have obtained a certificate dated September 20, 2024 from Mr. Rajendrakumar M. Trivedi, Chartered Engineer, in relation to such capacities and actual production levels, future capacity utilisation rates may vary significantly from the estimated production capacities of our production facility and historical capacity utilisation rates. In addition, capacity utilisation is calculated differently in different countries, industries and for the kinds of products we manufacture. If we are unable to fully utilize our installed capacities there could be a negative impact on our cost and profitability and thereby adversely affecting our financial condition. Undue reliance should therefore not be placed on our installed capacity or historical estimated capacity utilisation information for our existing facilities included in this Draft Red Herring Prospectus. For further details of our production and capacity utilization, see the section titled “*Our Business- Capacity and Capacity Utilization*” on page 167.

4. The following risk factor has been included as risk factor no. 11.

11. Our Company has generated negative cash flow from its investing and financing activities during the previous three financial years and stub period

Cash flow of a company is a key indicator to show the extent of cash generated from operations to meet capital expenditure, pay dividends, repay loans, and make new investments without raising finance from external resources. Our Company had negative cash flows from our investing and financing activities as per the Restated Cash Flow Statement on page 245 and the same are summarized as under:

Particulars	(₹ in lakhs)			
	Period Ended June 30, 2024	Fiscal 2024	Fiscal 2023	Fiscal 2022
Net cash flow from / (used in) operating activities	258.38	1,026.64	912.22	727.90
Net cash flow from / (used in) investing activities	(977.81)	(525.06)	(411.43)	(980.71)
Net cash flow from / (used in) financing activities	502.40	(477.97)	(465.97)	283.25
Net increase/(decrease) in cash and cash equivalents	(217.02)	23.61	34.81	30.44

For further details on our cash flows, see the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” on beginning on page 282. If we are not able to generate sufficient cash flows in future, it may adversely affect our business and financial operations.

5. The existing risk factor no. 31 has been revised and will be renumbered as risk factor no. 12

12. We are unable to trace certain corporate records and other documents and we cannot assure you that such forms or records will be available at all or any time in the future .

Our Company is unable to trace certain corporate records and regulatory filings as given below:

Sr. No.	Particulars
1.	Minutes of the Board Meeting and Shareholders Meeting Prior to 2009
2.	Form 23B for appointment of Statutory Auditor under Companies Act, 1956 for the financial years 2002-2003 to FY 2007-2008 and for the financial year 2009-2010.
3.	Form MGT-14 for availing finance facility vide Board Resolution dated April 05, 2018
4.	Form MGT-14 for appointment of Mr. Keyur Girishchandra Shah as Managing Director vide Board Resolution dated March 08, 2018

5.	Form MR-1 for filing the return appointment of Mr. Keyur Girishchandra Shah as Managing Director vide Board Resolution dated March 08, 2018.
----	--

We cannot assure you that the regulatory filings or corporate records which we have not been able to locate will be available in the future, or that the information gathered in this regard is correct, or that the regulatory filings were done in accordance with applicable law or at all or in timely manner. Additionally, while no notices, disputes or penalties have arisen or been imposed in connection with these corporate records and other documents as of the date of this Draft Red Herring Prospectus, we cannot assure you that no notices, dispute or penalties will arise or be imposed on us in this regard in the future.

6. The existing risk factor no. 42 has been renumbered as risk factor no. 13.

13. We have had certain inaccuracy in relation to regulatory filings to be made with the RoC, EPF, ESIC, TDS and TCS Returns and our company has made non-compliances of certain provision under applicable law.

Our company has missed to comply with certain statutory provisions in the past including but not limited to the details as mentioned in this risk factor. There are few discrepancies noticed in some of our corporate records relating to e-forms filed with the Registrar of Companies, which includes clerical errors in the annual returns filed by our Company with the ROC in past years, for instance:

Form	Discrepancy	Rectification
Form 20B	Date of transfer was not mentioned in Annual Return filed by the Company for FY 2007-2008	The non-compliance being not material, no rectification steps were required
Form MGT-7	The category of the shareholders as mentioned in the shareholding pattern attached in the E-Form MGT-7 filed for the Financial Year 2023-2024 is inaccurate.	The non-compliance being not material, no rectification steps were required

We have delayed in filing of and depositing the EPF with the concerned offices of the departments on few instances and have accordingly been subjected to penalty and interest for delayed deposit of tax. While no- show cause notice has been issued against our Company till date, in the event of any cognizance being taken by the concerned authorities in respect of above errors and delays in filings, actions may be taken against our Company and its directors, which could impact our business and financial performance. The below table summarizes such instances for the discrepancies and delay

EPF

Particulars	Number of Instances	Financial Year
Delay in filing of returns	14	2021-22
Delay in filing of returns	8	2022-23

ESIC

Particulars	Number of Instances	Financial Year
Delay in filing of returns	1	2021-22
Delay in filing of returns	1	2022-23

TDS and TCS returns

Particulars	Number of Instances	Financial Year
Delay in filing of returns	1	2021-22
Delay in filing of returns	2	2022-23

Although no show cause notice have been issued against our Company till date in respect of above, in the event of any cognizance being taken by the concerned authorities in respect of above, actions may be taken against our Company and its directors, in which event the financials of our Company and our directors may be affected. Also, with the expansion of our operations there can be no assurance that deficiencies in our internal controls and compliances will not arise, or that we will be able to implement, and continue to maintain, adequate measures to rectify or mitigate any such deficiencies in our internal controls, in a timely manner or at all.

7. The existing risk factor no. 32 has been revised and will be renumbered as risk factor no. 10.

10. We have entered into certain related-party transactions, and we may continue to do so in the future .

Our Company has entered into various transactions with our Directors, Promoter, Promoter Group and Group Companies. These transactions, inter-alia includes remuneration, sales, rent payments, purchase, commission payment to promoter for providing guarantee to bank etc. Our Company has entered into such transactions due to easy proximity and quick execution. While we believe that all such transactions have been conducted on an arm's length basis and in the ordinary course of business, there can be no assurance that we could not have achieved more favourable terms had such transactions not been entered into with related parties.

The table below provides details of our aggregate amount of related party transactions in the for the three months ended June 30, 2024, Fiscals 2024, 2023 and 2022:

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The Section titled "*Management Discussion and Analysis of Financial Condition and Results of Operations*" beginning on page 278 has been updated with the revised details under the heading "**BUSINESS OVERVIEW**" as given below-

BUSINESS OVERVIEW

Incorporated in year 2002, we are one of the leading manufacturers of innovative high-voltage and high-current transformer bushings, serving the global power transmission and generation sectors for over two decades. We are one of the few manufacturers to design and supply transformer bushings globally compliant with IEEE/ANSI standards for the USA and European markets. Our manufacturing facility is in Halol near Vadodara, India (known as the transformer hub of India). We have served ~ 28 countries over the past 3 years selling 13,000 ~ bushings worldwide. Additionally, our bushings are installed in Indian nuclear power generation facility, as well as in all major transmission and distribution utilities across India. We are among the few companies in the world to innovate OIP condenser bushings with polymer insulators.

Currently, we manufacture bushings from our manufacturing plant located in Halol near Vadodara, Gujarat, India. The manufacturing unit is located at 84/1B P.O. Khakhariya, Taluka-Savli, Dist-Vadodara-391510, Gujarat, India admeasuring a factory area of over 65,000 sq. ft. Our plant configurations has continuously expanded its manufacturing facility and product range to manufacture transformer bushings annually, with the capability to serve major volumes of transformer OEMs globally based on the different requirements of our customers pertaining to the dimensions, size and material requirements. We have a installed manufacturing capacity of 7,000 bushings. Yash Highvoltage is an ISO 9001:2015 accredited leading manufacturer of HV condenser-graded transformer bushings, compliant with IEC, IEEE and ANSI standards.

Our extensive range of transformer bushings adds value to customer through custom engineering and such range includes RIP/RIS condenser bushings, High current bushings, OIP condenser bushings and OIP wall bushings. Our flagship product, high-current bushings, has found wide acceptance in the Indian market as an import substitute. In 2018-19, we pioneered the localization and supply of RIS Bushings in India, marking a significant milestone. We hold a significant share of the domestic OIP bushings market and exported these products to ~ 28 countries, with continuous global expansion. Also, we offer customization options within our product range to meet our customers' requirements to the greatest extent.

Over the course of a decade from 2010 to 2021, we demonstrated growth, escalating our revenue from a modest ₹30 lakhs in 2010 to an impressive ~₹ 3,738 lakhs in 2021. Revenue almost doubled to ~ ₹ 6,505 lakhs in FY21-22. The milestone of ₹ 10,000 lakhs turnover was achieved in FY24. For OIP, high -current and other bushings, ~ 78% of revenue comes from domestic Indian clients, while the remaining ~ 22% is generated through exports. In the financial year 2021-2022, 81 clients placed their trust in us and joined our journey. An additional 50 clients were added in 2022-2023, followed by 48 more in 2023-2024.

CERTAIN CONVENTIONS, CURRENCY OF PRESENTATION, USE OF FINANCIAL INFORMATION AND MARKET DATA

In this Draft Red Herring Prospectus, the terms “we”, “us”, “our”, the “Company”, “our Company”, “Yash Highvoltage Limited” and “YHL”, unless the context otherwise indicates or implies, refers to Yash Highvoltage Limited.

CERTAIN CONVENTIONS

All references in this Draft Red Herring Prospectus to “India” are to the Republic of India and its territories and possessions and all references herein to the “Government”, “Indian Government”, “GoI”, “Central Government” or the ‘State Government’ are to the Government of India, central or state, as applicable.

FINANCIAL DATA

Unless stated otherwise, the financial data included in this Draft Red Herring Prospectus are extracted from the Restated Financial Statements of our Company, prepared in accordance with the applicable provisions of the Companies Act, 2013 Indian GAAP and restated in accordance with SEBI ICDR Regulations, as stated in the report of our Peer Reviewed Auditors, set out in the section titled ‘*Financial Information*’ beginning on page 238 of this Draft Red Herring Prospectus. Our Restated Financial Statements are derived from our audited financial statements prepared in accordance with Indian GAAP and the Companies Act, 2013, and have been restated in accordance with the SEBI ICDR Regulations and Guidance Note on “Reports in Company Prospectus (Revised 2019) issued by ICAI as amended from time to time.

Our Financial Year commences on April 1st of each year and ends on March 31st of the following year, so all references to a particular Financial Year are to the 12 months period ended March 31st of that year. In this Draft Red Herring Prospectus, discrepancies in any table, graphs or charts between the total and the sums of the amounts listed are due to rounding-off. Further, figure represented in the BRACKET “()” or with the sign “ – ” indicates NEGATIVE data in this Draft Red Herring Prospectus in relation to our Company and industry. There are significant differences between Indian GAAP, IFRS and U.S. GAAP. Our Company has not attempted to explain those differences or quantify their impact on the financial data included herein, nor do we provide a reconciliation of our financial statements to those under U.S. GAAP or IFRS and the investors should consult their own advisors regarding such differences and their impact on the financial data. Accordingly, the degree to which the Restated Financial Statements included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting practices/ Indian GAAP, the Companies Act, 2013 and the SEBI ICDR Regulations. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should accordingly be limited.

All figures in decimals (including percentages) have been rounded off up to Second decimals and all percentage figures have been rounded off to two decimal places. In certain instances, discrepancies in any table between the sums of the amounts listed in the table and totals are due to rounding off. However, where any figures may have been sourced from third-party industry sources, such figures may be rounded-off to such number of decimal points as provided in such respective sources. In this Draft Red Herring Prospectus, (i) the sum or percentage change of certain numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row. Any such discrepancies are due to rounding off.

Any percentage amounts, as set forth in the section titled ‘*Risk Factors*’, sections titled ‘*Our Business*’ and ‘*Management’s Discussion and Analysis of Financial Condition and Results of Operations*’ beginning on page 39 nos. 167 and 278 of this Draft Red Herring Prospectus, respectively, and elsewhere in this Draft Red Herring Prospectus, unless otherwise indicated, have been calculated on the basis of our audited financial statements prepared in accordance with Indian GAAP and the Companies Act, 2013 and restated in accordance with the SEBI ICDR Regulations.

CURRENCY AND UNITS OF PRESENTATION

In Draft Red Herring Prospectus, unless the context otherwise requires, all references to;

- ‘**Rupees**’ or ‘Rs.’ Or ‘INR’ or ‘₹’ are to Indian rupees, the official currency of the Republic of India.
- ‘**US Dollars**’ or ‘US\$’ or ‘USD’ or ‘\$’ are to United States Dollars, the official currency of the United States of America and Ecuador.
- ‘**EUR**’ or ‘€’ are to Euro, the official currency of the European Union;
- ‘**CHF**’ or “SF” are to Swiss Franc, the official currency of Switzerland.

- ‘SEK’ are to Swedish Krona, the official currency of Sweden;

All references to the word “Lakh/ Lakhs or Lac” means “One Hundred Thousand”, the word “Crore/Crores” means “Hundred Lakhs”, the word “Million (million) or Mn” means “Ten Lakhs”, the word “Crores” means “Ten Million” and the word “Billion (bn)” means “One Hundred Crores”.

Our Company has presented certain numerical information in this Draft Red Herring Prospectus in “Lakhs” units. One lakh represents 1,00,000. In this Draft Red Herring Prospectus, any discrepancies in any table between the total and the sums of the amounts listed therein are due to rounding-off. Certain figures contained in this Draft Red Herring Prospectus, including financial information, have been subject to rounding adjustments. All figures in decimals have been rounded off to the two decimal points. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given, and (ii) the sum of the figures in a column or row in certain tables may not conform exactly to the total figure given for that column or row. However, figures sourced from third party industry sources may be expressed in denominations other than Lakhs or may be rounded off to other than two decimal points in the respective sources, and such figures have been expressed in this Draft Red Herring Prospectus in such denominations or rounded-off to such number of decimal points as provided in such respective sources.

Unless the context otherwise indicates, any percentage amounts, as set forth in section titled “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on pages 39, 167 and 278, respectively, and elsewhere in this Draft Red Herring Prospectus have been calculated on the basis of amounts derived from the Restated Financial Information.

Exchange Rates

This Draft Red Herring Prospectus contains conversions of certain other currency amounts into Indian Rupees that have been presented solely to comply with the SEBI ICDR Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

FORWARD-LOOKING STATEMENTS

This Draft Red Herring Prospectus contains certain “forward-looking statements”. All statements contained in this Draft Red Herring Prospectus that are not statements of historical fact constitute “forward-looking statements”. All statements regarding our expected financial condition and results of operations, business, plans and prospects are “forward-looking statements”. These forward-looking statements generally can be identified by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “likely to”, “seek to”, “shall”, “objective”, “plan”, “project”, “will”, “will continue”, “will pursue” or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. All forward-looking statements whether made by us in this Draft Red Herring Prospectus are based on our current plans, estimates, presumptions and expectations and are subject to corresponding risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward looking statement, including but not limited to, regulatory changes pertaining to the industries we serve and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions, which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- a) *We intend to utilize a portion of the Net proceeds for setting up the Proposed Manufacturing Facility at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat. We are yet to place orders for plant, machinery and equipment and apply for requisite government approvals for the Proposed Manufacturing Facility. If we are unable to commission our Proposed Manufacturing Facility without time and cost overruns or unable to adhere to the schedule of implementation, it may adversely affect our business, results of operations and financial conditions.*
- b) *There can be no assurance that the Objects of the Issue will be achieved within the time frame anticipated or at all, or that the deployment of the Net Proceeds in the manner intended by us will result in any increase in the value of your investment. Further, the plan for deployment of the Net Proceeds has not been appraised by any bank or financial institution.*
- c) *We depend on limited suppliers for our raw material requirements. The loss of one or more such suppliers could adversely affect our business, results of operations, financial condition and cash flows.*
- d) *Our raw material cost constitutes a significant percentage of our total expenses. Any increase in the prices of raw materials or a change in our customers preference of raw material suppliers could adversely affect our reputation, business, results from operations, financial conditions and cash flows.*
- e) *Our business is dependent on the sale of our products to certain key customers. The loss of any such customers or a significant reduction in the sales made to such customers, could materially adversely affect our business, results of operations and financial condition.*
- f) *Majority of our revenue is dependent on single business segment i.e. transformer bushings. Any adverse impact on sales of transformer bushings would adversely affect our operations and profitability.*
- g) *All our existing manufacturing facilities and Proposed Manufacturing Facility are situated at Vadodara, Gujarat resulting in concentration in a single region. Any slowdown or shutdown or any interruption for a significant period of time at our existing manufacturing facilities and Proposed Manufacturing Facility for a significant period of time, may in turn adversely affect our business, financial condition and results of operations.*
- h) *Certain of our Group Companies (which are no longer not related parties) have not consented to the inclusion of, nor have they provided, information or any confirmations or undertakings pertaining to themselves, which are required to be disclosed in relation to Group Companies under the SEBI ICDR Regulations in this Draft Red Herring Prospectus. Consequently, we cannot assure you that the disclosures relating to such Group Companies are complete or up-to-date.*
- i) *Information relating to the historical installed capacities of our Manufacturing Facilities included in this Draft Red Herring Prospectus may be based on certain assumptions and estimates by the chartered engineer.*
- j) *Our Promoter Group Entity and one of our Group Company (which is no longer a related party) are engaged in the line of business similar to our Company. There are no non - compete agreements between our Company and such Promoter Group Entity and Group Company.*

For further discussion of factors that could cause the actual results to differ from the expectations, please refer sections titled ‘Risk Factors’, ‘Our Business’ and ‘Management’s Discussion and Analysis of Financial Condition and Results of Operations’ beginning on page 39, 167 and 278, respectively. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated and are not a guarantee of future performance.

Forward-looking statements reflect our current views as of the date of this Draft Red Herring Prospectus and are not a guarantee of our future performance. There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

These statements are based on our management's belief and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward looking statements are based on are reasonable, any of these assumptions could prove to be inaccurate and the forward looking statements based on these assumptions could be incorrect. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance. Neither our Company, our Promoter, our Directors, the Book Running Lead Manager nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the requirements of SEBI, our Company (in respect of statements/ disclosures made by them in this Draft Red Herring Prospectus) shall ensure that investors in India are informed of material developments from the date of the Draft Red Herring Prospectus until the date of Allotment. The Promoter Selling Shareholder will ensure that investors in India are informed of material developments in relation to the statements relating to and undertakings confirmed or undertaken by the Promoter Selling Shareholder and its portion of the Offered Shares in this Draft Red Herring Prospectus, from the date thereof, until the receipt of final listing and trading approvals from the Stock Exchange.

SECTION II: SUMMARY OF THE DRAFT RED HERRING PROSPECTUS

This section is a general summary of certain disclosures included in this Draft Red Herring Prospectus and is not exhaustive, nor does it purport to contain a summary of all the disclosures in this Draft Red Herring Prospectus, Red Herring Prospectus or the Prospectus when filed, or all details relevant to prospective investors. This summary should be read in conjunction with, and is qualified in its entirety by, the more detailed information appearing elsewhere in this Draft Red Herring Prospectus, including the sections titled “Risk Factors”, “The Offer”, “Capital Structure”, “Objects of the Offer”, “Our Industry”, “Our Business”, “Outstanding Litigations and Material Developments”, “Offer Procedure”, and “Main Provisions Of Articles Of Association” beginning on pages 39, 65 , 84, 102, 130, 167, 292, 329 and 364 respectively of this Draft Red Herring Prospectus.

A. OVERVIEW OF INDUSTRY

Global transformer bushing market was valued at ₹26,960 crores, and is expected witness a CAGR of 5.6% during 2024-2034F. The global shift towards the development of new renewable energy projects, large scale implementation of smart grids across several countries, and modernization power distribution network will surge the demand for transformer bushing used as a critical component of transformers during the commissioning of projects. As of CY’ 24, RIP is the most prominent form of bushing type, accounting for a share of 61.9% revenue share in the global transformer bushing market. The rising demand for RIP bushings is mainly attributed to higher customer preference to RIP bushings.

For further details please refer the section titled ‘Our Industry’ beginning on page 130 of this Draft Red Herring Prospectus.

B. OVERVIEW OF BUSINESS

The Company is engaged in the manufacturing and distribution of wide range of transformer bushings – Oil Impregnated Paper [OIP] condenser bushing, Resin Impregnated Paper [RIP] / Resin Impregnated Synthetic [RIS] condenser bushing, High Voltage and High Current bushing, OIP Wall bushing and Oil to Oil bushing. The Company also undertakes repairing, retrofitting and replacement services of old bushings. Our manufacturing facility has an annual installed capacity to produce 7,000 bushings bifurcated into 3,700 units of OIP Bushings, 3,000 units of RIP Bushings and 300 units of High Current Bushings. The factory is fully equipped with in-house quality testing facilities.

For further details please refer the section titled ‘Our Business’ beginning on page 167 of this Draft Red Herring Prospectus.

C. OUR PROMOTER

As on date of this Draft Red Herring Prospectus, Mr. Keyur Girishchandra Shah is the Promoter of our Company.

J. RISK FACTORS

Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. Details of our top 10 risk factors are set forth below.

1. *We intend to utilize a portion of the Net proceeds for setting up the Proposed Manufacturing Facility at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat. We are yet to place orders for plant, machinery and equipment and apply for requisite government approvals for the Proposed Manufacturing Facility. If we are unable to commission our Proposed Manufacturing Facility without time and cost overruns or unable to adhere to the schedule of implementation, it may adversely affect our business, results of operations and financial conditions.*
2. *There can be no assurance that the Objects of the Issue will be achieved within the time frame anticipated or at all, or that the deployment of the Net Proceeds in the manner intended by us will result in any increase in the value of your investment. Further, the plan for deployment of the Net Proceeds has not been appraised by any bank or financial institution.*
3. *We depend on limited suppliers for our raw material requirements. The loss of one or more such suppliers could adversely affect our business, results of operations, financial condition and cash flows.*
4. *Our raw material cost constitutes a significant percentage of our total expenses. Any increase in the prices of raw materials or a change in our customers preference of raw material suppliers could adversely affect our reputation, business, results from operations, financial conditions and cash flows.*
5. *Our business is dependent on the sale of our products to certain key customers. The loss of any such customers or a significant reduction in the sales made to such customers, could materially adversely affect our business, results of operations and financial condition.*
6. *Majority of our revenue is dependent on single business segment i.e. transformer bushings. Any adverse impact on sales of transformer bushings would adversely affect our operations and profitability.*
7. *All our existing manufacturing facilities and Proposed Manufacturing Facility are situated at Vadodara, Gujarat resulting in concentration in a single region. Any slowdown or shutdown or any interruption for a significant period of time at our existing manufacturing facilities and Proposed Manufacturing Facility for a significant period of time, may in turn adversely affect our business, financial condition and results of operations.*
8. *Certain of our Group Companies (which are no longer not related parties) have not consented to the inclusion of, nor have they provided, information or any confirmations or undertakings pertaining to themselves, which are required to be disclosed in relation to Group Companies under the SEBI ICDR Regulations in this Draft Red Herring Prospectus. Consequently, we cannot assure you that the disclosures relating to such Group Companies are complete or up-to-date.*
9. *Information relating to the historical installed capacities of our Manufacturing Facilities included in this Draft Red Herring Prospectus may be based on certain assumptions and estimates by the chartered engineer.*
10. *Our Promoter Group Entity and one of our Group Company (which is no longer a related party) are engaged in the line of business similar to our Company. There are no non - compete agreements between our Company and such Promoter Group Entity and Group Company.*

Please refer the section titled ‘Risk Factors’ beginning on page 39 of this Draft Red Herring Prospectus.

For further details, refer section titled “*Our Group Companies*” on page 231.

SECTION III: RISK FACTORS

An investment in Equity Shares involves a high degree of financial risk. You should carefully consider all information in this Draft Red Herring Prospectus, including the risks described below, before making an investment in our Equity Shares.

The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the Equity Shares. This section addresses general risks associated with the industry in which we operate and specific risks associated with our Company. Any of the following risks, as well as the other risks and uncertainties discussed in this Draft Red Herring Prospectus, could have a material adverse effect on our business and could cause the trading price of our Equity Shares to decline and you may lose all or part of your investment. In addition, the risks set out in this Draft Red Herring Prospectus are not exhaustive. Additional risks and uncertainties, whether known or unknown, may in the future have material adverse effect on our business, financial condition and results of operations, or which we currently deem immaterial, may arise or become material in the future. To obtain a complete understanding of our Company, prospective investors should read this section in conjunction with the sections titled "Our Business" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" on page 167 and 278 of this Draft Red Herring Prospectus respectively as well as other financial and statistical information contained in this Draft Red Herring Prospectus.

This Draft Red Herring Prospectus also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including events described below and elsewhere in this Draft Red Herring Prospectus. Unless otherwise stated, the financial information used in this section is derived from and should be read in conjunction with Restated Financial Statements of our Company prepared in accordance with the Companies Act, 2013 and restated in accordance with the ICDR Regulations, including the schedules, annexure and notes thereto.

Materiality

The Risk factors have been determined on the basis of their materiality. The following factors have been considered for determining the materiality.

1. Some events may have material impact qualitatively instead of quantitatively;
2. Some events may not be material individually but may be found material collectively;
3. Some events may not be material at present but may be having material impact in future.

The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors mentioned below. However, there are risk factors where the impact may not be quantifiable and hence the same has not been disclosed in such risk factors. Unless otherwise stated, we are not in a position to specify or quantify the financial or other risks mentioned herein. For capitalized terms used but not defined in this section, please refer to the section titled 'Definitions and Abbreviations' as described on the beginning of page 8 of this Draft Red Herring Prospectus

The numbering of the risk factors has been done to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another.

In this Draft Red Herring Prospectus, discrepancies, if any, between total and the sums of the amount listed are due to rounding off.

INTERNAL RISKS FACTORS:

1. ***We intend to utilize a portion of the Net proceeds for setting up the Proposed Manufacturing Facility at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat. We are yet to place orders for plant, machinery and equipment and apply for requisite government approvals for the Proposed Manufacturing Facility. If we are unable to commission our Proposed Manufacturing Facility without time and cost overruns or unable to adhere to the schedule of implementation, it may adversely affect our business, results of operations and financial conditions.***

Our Company is engaged in the business of manufacturing of capacitive type transformer bushings including oil impregnated paper bushing, high current bushing and assembling of resin impregnated paper/resin impregnated synthetic bushings. The present manufacturing facility of our Company is situated at 84/1B, PO Khakharia, Taluka- Savli, Vadodara 391510, Gujarat, India. Our Company is proposing to set up a new factory to manufacture RIP transformer condenser

graded bushings for which the Company has entered into a binding sale deed dated July 1, 2024 with Hamraz Food Products Private Limited for the land situated at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat.

We intend to utilize the Net Proceeds for setting up the Proposed Manufacturing Facility. We have obtained a Cost Assessment Report dated October 14, 2024 from independent chartered engineer (“**Cost Assessment Report**”) which has estimated the total cost of the project to be ₹ 7,321.55 lakhs comprising of (i) purchase of land (including base consideration, developmental charges, initial maintenance charge and registration and stamp duty) for building factory for the manufacture of RIP condenser graded bushings amounting to ₹ 932.91 lakhs out of which ₹ 488.43 lakhs has already been deployed from our internal accruals and the balance amount of ₹ 444.48 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; (ii) construction of factory building amounting to ₹ 2,257.05 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; (iii) purchase of plant and machinery amounting to ₹ 3,881.03 lakhs out of which ₹ 271.92 lakhs has already been deployed from our internal accruals and balance amount of ₹ 3,609.11 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; (iv) construction of extra high voltage (“**EHV**”) testing lab amounting to ₹ 780.32 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue; and (v) project management consultancy amounting to ₹ 493.85 lakhs out of which ₹ 263.25 lakhs has already been deployed from our internal accruals and balance amount of ₹ 230.59 lakhs is proposed to be utilised from the net proceeds of the Fresh Issue.

Our company has identified the land for setting up the manufacturing facility, items for construction of factory building, plant and machinery and equipment for EHV lab and has received quotations from suppliers which are valid for a specific period of time. Our Company has entered into Memorandum of Understanding dated February 10, 2024 for the purpose of project management consultancy. However, we have not entered into any definitive agreement with any of the suppliers except as explicitly mentioned under the sections “Land”, “Plant & Machinery” and “Project Management Consultancy” as provided in the section titled “*Objects of the Offer*” beginning at page 102 and there can be no assurance that the same suppliers will be engaged eventually for the respective works at the same costs.. Any delay in access to IPO proceeds may eventually delay the process of placing the orders. The items for construction of factory building, plant and machinery and equipment would require us to consider factors including but not limited to pricing, delivery schedule etc. There may be a possibility of delay at the supplier’s end in providing timely delivery of these machineries, equipment’s and utilities, which in turn may delay the implementation of our expansion plan. Our Company, depending on various factors, will finalise the suppliers for the proposed manufacturing facility which may not be the same from whom the quotations were obtained. Further, the quotations relied upon by us in arriving at the total cost of machineries, equipment’s and utilities are valid for a specific period of time and may lapse after the expiry of the specific period. Any time and cost overrun due to our failure to purchase plant and machinery within our budget could adversely impact our financial condition temporarily and also delay our growth prospects.

Our expansion plan may be subject to delays and other risks such as unforeseen engineering or technical problems, disputes with workers, force majeure events, unanticipated cost increases or changes in scope, etc. Additionally, we may face risks in commissioning the Proposed Manufacturing Facility including but not limited to, delays in the civil constructions, problems with its facilities or for other reasons. Also, we are yet to apply for all the registrations and regulatory approvals required for the said unit. Any delay in receipt or non-receipt of such approvals, licenses, registrations and permits could result in cost and time overrun or which could affect our planned expansion and operations.

We cannot assure that we will be able to utilize our proposed manufacturing facility to its full capacity or up to an optimum capacity, and non-utilisation of the same may lead to loss of profits and may adversely affect our business, results of operations and financial condition. If our proposed manufacturing facility does not function as efficiently as intended or utilisation is not optimal, we may not be able to fulfil additional orders to generate anticipated or desired revenue as projected.

While we may seek to minimize the risks from any unanticipated events, it cannot be assured that all potential delays could be mitigated and that we will be able to prevent any cost over-runs and any loss of profits resulting from such delays, shortfalls and disruptions. As a result, our business, financial condition, results of operations and prospects could be materially and adversely affected. For further details read section “*Objects of the Offer*” beginning on page 102 of the Draft Red Herring Prospectus.

2. ***There can be no assurance that the Objects of the Issue will be achieved within the time frame anticipated or at all, or that the deployment of the Net Proceeds in the manner intended by us will result in any increase in the value of your investment. Further, the plan for deployment of the Net Proceeds has not been appraised by any bank or financial institution.***

Our Company intends to use approximately 7,321.56 lakhs of Net proceeds for setting up the Proposed Manufacturing Facility. Our Board will have flexibility in temporarily investing the Net Proceeds as well as its *inter se* allocation across various heads under the setting up of the Proposed Manufacturing Facility, as disclosed in the section titled “Objects of the Offer” on page 102.

Further, the plans for deployment of the Net Proceeds are in accordance with our management’s estimates and have not been appraised by any bank or any financial institution. Although we have obtained Cost Assessment Report which highlights the estimated cost of the Proposed Manufacturing Facility that will be utilised from the Net Proceeds, our Company may have to revise its management estimates from time to time on account of various factors beyond its control, such as market conditions, competitive environment, and interest or exchange rate fluctuations and consequently its requirements may change.

In the event there is a shortfall in the Gross Proceeds raised from this Issue, we may be unable to commission the Proposed Manufacturing Facility. In case of any shortfall of the proceeds raised from this Issue, there can be no assurance that we will be able to raise the funds through other sources to complete the Proposed Manufacturing Facility. In case of shortfall in the proceeds of this Issue which are to be utilized for meeting the objects of the Issue, the shortfall will be met by such means as are available to our Company at such future time and at the discretion of the management, including by way of cash available with us or by any other means permissible under law. We cannot assure that we will be able to arrange for adequate cash or will be able to procure further loans to meet the funding requirements. Any failure to meet the additional funding requirements will have a material adverse effect on the implementation of the stated object.

We may also be required to adhere to certain restrictive covenants as regards raising of finance for the facility from means other than those sanctioned under our present financing documents. Any failure or delay on our part to raise funds from the Issue or any shortfall in the Issue proceeds and subsequent inability of our Company to source alternate means of finance may delay the implementation of our object and could adversely affect our growth plans.

3. ***We depend on limited suppliers for our raw material requirements. The loss of one or more such suppliers could adversely affect our business, results of operations, financial condition and cash flows.***

The table below provides the cost of raw material procured from our top supplier, top three and top five suppliers:

Particulars	For the three months ended June 30,2024		Fiscal 2024		Fiscal 2023		Fiscal 2022	
	Amount (₹ in lakhs)	% of Purchases	Amount (₹ in lakhs)	% of Purchases	Amount (₹ in lakhs)	% of Purchases	Amount (₹ in lakhs)	% of Purchases
Top Supplier	910.43	55.33	3237.31	49.76	2916.90	53.58	2023.02	47.92
Top 3 Suppliers	1,155.69	70.23	4070.54	62.57	3609.63	66.31	2667.41	63.18
Top 5 Suppliers	1,234.67	75.03	4578.29	70.37	4066.49	74.70	2885.33	68.35

The loss of one or more of our significant suppliers or any increase in the cost of raw materials we obtain from them could have an adverse effect on our business, results of operations, financial condition and cash flows. Our reliance on a select group of suppliers may also constrain our ability to negotiate our raw material requirements, which may have an impact on our profit margins and financial performance. Similarly deterioration of the financial condition or business prospects of these suppliers could reduce their ability to meet our requirements. Further, there can be no assurance that strong demand, capacity limitations or other problems experienced by our suppliers will not result in occasional shortages or delays in their supply of the raw materials. If we experience a significant or prolonged shortage of raw materials from any of our suppliers, and we cannot procure raw materials from other sources, we will be unable to meet our production schedules which will adversely affect our sales and customer relations. Except for operating restrictions/ lockdown consequent to outbreak of COVID-19 pandemic which temporarily affected our ability to source raw materials we have not encountered any significant disruption to the supply of raw materials three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022.

4. *Our raw material cost constitutes a significant percentage of our total expenses. Any increase in the prices of raw materials or a change in our customers preference of raw material suppliers could adversely affect our reputation, business, results from operations, financial conditions and cash flows.*

We undertake procurement of raw materials from both domestic and international sources based on factors including but not limited to market availability, pricing and quality. Our basic raw materials include Rip Core, Insulators, Transformer Grade Paper, PU, Copper and Aluminium Components and electrical components. We import part of our raw materials such as Rip Core, Insulator, Paper and PU etc required for manufacturing of bushing from Switzerland, Germany, China and Singapore. The primary raw material which we utilize at our Manufacturing Facilities is RIP Core, Electrical Component, Insulators etc. Prices fluctuate based on a number of factors, such as, the availability and cost of raw material inputs, fluctuations in domestic and international demand and supply of Metals and forex movements in the currencies and international cargo freight, international production and capacity, fluctuation in the volume of RIP Core and Insulators in the international markets, transportation costs, protective trade measures and various social and political factors, in the economies in which the e.g. CHF, USD and Euro producers sell their products. If we are unable to procure the required quantity of raw material for our products, we may be unable to operate our factory at optimum capacity. Such an event could adversely affect our reputation, business, results from operations, financial conditions and cash flow. The table below sets out the consumption of RIP Core as a percentage of total raw materials consumed by our Company during the period three months ended June 30, 2024 and during the financial years 2024, 2023 and 2022, respectively:

Particulars	For the three months ended June 30, 2024		Fiscal 2024		Fiscal 2023		Fiscal 2022	
	Amount (₹ lakhs)	% of Raw Material Consumed	Amount (₹ lakhs)	% of Raw Material Consumed	Amount (₹ lakhs)	% of Raw Material Consumed	Amount (₹ lakhs)	% of Raw Material Consumed
RIP Core	821.25	63.66%	3,739.39	64.45%	2,612.30	54.13%	1,837.93	51.69%

The table below sets out the cost incurred in purchase of raw materials from domestic and international suppliers as a percentage of our total raw material cost for the three months ended June 30, 2024 and during the financial years 2024, 2023 and 2022, respectively.

Particulars	For the three months ended June 30, 2024		Fiscal 2024		Fiscal 2023		Fiscal 2022	
	Amount (₹ lakhs)	Percentage of total Raw Material	Amount (₹ lakhs)	% Percentage of total Raw Material	Amount (₹ lakhs)	Percentage of total Raw Material	Amount (₹ lakhs)	Percentage of total Raw Material
Cost of raw material procured from domestic suppliers	493.07	31.33%	2,073.23	33.80%	1,377.90	26.84%	1,347.11	33.93%
Cost of raw material procured from international suppliers	1,080.60	68.67%	4,061.97	66.20%	3,755.95	73.16%	2,622.79	66.07%
Total	1,573.67	100.00%	6,135.20	100.00%	5,133.85	100.00%	3,969.90	100.00%

5. *Our business is dependent on the sale of our products to certain key customers. The loss of any such customers or a significant reduction in the sales made to such customers, could materially adversely affect our business, results of operations and financial condition.*

For the three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022, we derived revenue from operations of ₹ 2,321.61 lakhs, ₹ 8,729.10 lakhs, ₹ 7,846.34 lakhs and ₹ 5,580.60 lakhs, respectively, from our top ten clients, representing approximately 84.03%, 80.47%, 86.83% and 85.78%, respectively, of our total revenue from operations. Any downsizing by these clients may reduce their spending on the services provided by us. Further, there are a number of factors outside our control that might result in the loss of a client, including financial difficulties for a client; change in strategic priorities; and a demand for price reductions. The loss of any one or more of large clients could have an adverse effect on our business, profits and results of operations.

6. *Majority of our revenue is dependent on single business segment i.e. transformer bushings. Any adverse impact on sales of transformer bushings would adversely affect our operations and profitability.*

Majority of our revenue is dependent on single business segment i.e. transformer bushings. Our continued reliance on single business segment for a significant portion of our revenue exposes us to risks, including but not limited to, reduction in the demand in the future; increased competition from domestic and international manufacturers; the invention of superior and cost-effective technology; fluctuations in the price and availability of the raw materials; changes in regulations and import duties; and the cyclical nature of our customers' businesses. Any occurrences of such event could significantly reduce our revenues, thereby materially adversely affecting our results of operations and financial condition.

7. *All our existing manufacturing facilities and Proposed Manufacturing Facility are situated at Vadodara, Gujarat resulting in concentration in a single region. Any slowdown or shutdown or any interruption for a significant period of time at our existing manufacturing facilities and Proposed Manufacturing Facility for a significant period of time, may in turn adversely affect our business, financial condition and results of operations.*

Our manufacturing facility is located at 84/1B, PO Khakharia, Taluka Savli, Vadodara 391510, Gujarat, India. This concentration in a single region presents a potential risk. Any significant localized social unrest, natural disasters, production delays, or shutdowns—alongside political instability, workforce productivity challenges, regulatory compliance issues, rising production costs, or quality assurance problems—could adversely affect our operations. Additionally, unforeseen events such as pandemics or other disruptions in or around Vadodara or in the State of Gujarat could have a considerable impact on our business and financial health. Our manufacturing facility has an installed capacity of 3700 units for OIP Condenser Bushing, 3000 units for RIP Condenser Bushing and 300 units for High Current Bushing and actual capacity utilized for OIP Condenser Bushing is 78.30%, for RIP Condenser Bushing is 96.83% and for High Current Bushing is 30% for FY 2023-2024 as certified by the Chartered Engineer Rajendrakumar M. Trivedi, (Membership No.: M-1736773) vide certificate dated September 20, 2024. For further details, please refer to heading “Capacity and Capacity Utilisation” in the section titled “Our Business” on page 167 of this Draft Red Herring Prospectus. Our business is dependent upon our ability to effectively manage our manufacturing facility, which are subject to various operating risks, including those beyond our control, such as the breakdown, failure of equipment or industrial accidents, severe weather conditions, fire, power interruption and natural disasters. If we are unable to repair or properly maintain manufacturing assets in a timely manner or at all, our operations may need to be suspended until we repair or replace them and there can be no assurance that the new manufacturing assets will be repaired, procured and/or integrated in a timely manner.

This geographic concentration and concentration of manufacturing facility also increases our vulnerability to competitive pressures and economic, political, and demographic changes within Gujarat, which could materially affect our business, financial condition, and operational results.

8. *Certain of our Group Companies (which are no longer not related parties) have not consented to the inclusion of, nor have they provided, information or any confirmations or undertakings pertaining to themselves, which are required to be disclosed in relation to Group Companies under the SEBI ICDR Regulations in this Draft Red Herring Prospectus. Consequently, we cannot assure you that the disclosures relating to such Group Companies are complete or up-to-date.*

We had certain related party transactions with, MGC Moser-Glaser AG (“MGC”) during the period three months ended June 30, 2024 and during the financial years 2024, 2023 and 2022, and with Pfiffner Instrument Transformers Private Limited (“Pfiffner India”) during the financial years 2024, 2023 and 2022. However, pursuant to the share purchase agreement dated March 25, 2024 executed between MGC, our Company and Mr. Keyur Girishchandra Shah, Promoter and MD of our Company, for purchase of the entire shareholding of MGC by Mr. Keyur Girishchandra Shah, MGC ceased to be a shareholder of the Company and consequently a related party with effect from April 16, 2024. Additionally, Pfiffner India was related party of our Company as Mr. Keyur Girishchandra Shah, Promoter and MD of our Company, was an executive director on the board of Pfiffner India. However, Mr. Keyur Girishchandra Shah ceased to be a director on the board of Pfiffner India from June 13, 2024 and accordingly Pfiffner India is no longer a related party of the Company with effect from June 13, 2024. As a result, MGC and Pfiffner India were required to be identified as Group Companies under

Regulation 2(1)(t) SEBI ICDR Regulations. Our Company had, by way of e-mail dated May 31, 2024, sought and requested from MGC and Pfiffner India, to provide the requisite information, confirmations and undertakings, as required from a group company under the SEBI ICDR Regulations (collectively, “**Prescribed Information**”), for making adequate disclosures in this Draft Red Herring Prospectus, the Red Herring Prospectus and the Prospectus.

Since, MGC and Pfiffner India ceased to be related parties they vide their email dated May 31, 2024 denied to provide the provide the Prescribed Information. In view of non-receipt of the Prescribed Information from MGC and Pfiffner India, we had made an application dated June 21, 2024 to SEBI under Regulation 300 of SEBI ICDR Regulations for seeking relaxation from identifying MGC and Pfiffner India as group companies in the DRHP, RHP and Prospectus. SEBI vide its letter dated September 19, 2024 directed us to identify MGC and Pfiffner India as group companies and provide the Prescribed Information based on the information available in the public domain. For further details, see section titled “*Our Group Companies*” on page 231.

While our Company has included disclosures in this Draft Red Herring Prospectus based on the information published on the website of the Ministry of Corporate Affairs, Government of India and other publicly available data in respect of Pfiffner India and publicly available data for MGC, our Company is not in a position to ascertain the completeness of the publicly available information, as on the date of this Draft Red Herring Prospectus, or any subsequent developments which may impact the disclosures pertaining to MGC and Pfiffner India, respectively. Further, with respect to the litigation involving MGC and Pfiffner India, our Company pursuant to the Materiality Policy has determined that any pending litigation involving MGC and Pfiffner India (based solely on publicly available information) will not have a material impact on our Company.

9. Information relating to the historical installed capacities of our Manufacturing Facilities included in this Draft Red Herring Prospectus may be based on certain assumptions and estimates by the chartered engineer.

The table below sets forth the installed production capacity and the capacity utilization at our Manufacturing Facility for the three months ended June 30, 2024, financial years ended 2024, 2023 and 2022:

Particulars	Three months Ended June 30, 2024	Fiscal 2024	Fiscal 2023	Fiscal 2022
<u>OIP Condenser Bushing</u>				
Installed capacity (in no.)	3,700	3,700	3,000	2,200
Actual production (in no.)	689	2,897	2,397	1,293
Capacity utilization (in %)	18.62%*	78.30%	79.90%	58.77%
<u>RIP Condenser Bushings</u>				
Total installed capacity (in no.)	3,000	3,000	3,000	2,000
Actual production (in no.)	444	2,905	1,940	1,731
Capacity utilization (in %)	14.80%*	96.83%	64.66%	86.55%
<u>High Current Bushings</u>				
Total installed capacity (in no.)	300	300	300	300
Actual production (in no.)	16	90	166	220
Capacity utilization (in %)	5.33%*	30.00%	55.33%	73.33%

Note: As certified by Rajendrakumar M. Trivedi, Chartered Engineer, by way of their certificate dated September 20, 2024

* Not comparable with previous years since actual production is for the period of 3 months ended June 30, 2024 cannot be annualised.

Information relating to our installed capacities and the historical capacity utilisation of our Manufacturing Facility may be based on certain assumptions and estimates, including assumptions relating to availability and quality of raw materials, product demand and operational efficiencies. While we have obtained a certificate dated September 20, 2024 from Mr. Rajendrakumar M. Trivedi, Chartered Engineer, in relation to such capacities and actual production levels, future capacity utilisation may vary significantly from the estimated production capacities of our production facility and historical capacity utilisation rates. In addition, capacity utilisation is calculated differently in different countries, industries and for the kinds of products we manufacture.. If we are unable to fully utilize our installed capacities there could be a negative

impact on our cost and profitability and thereby adversely affecting our financial condition. Undue reliance should therefore not be placed on our installed capacity or historical estimated capacity utilisation information for our existing facilities included in this Draft Red Herring Prospectus. For further details of our production and capacity utilization, see the section titled “*Our Business- Capacity and Capacity Utilization*” on page 167.

10. ***Our Promoter Group Entity and one of our Group Company (which is no longer a related party) are engaged in the line of business similar to our Company. There are no non - compete agreements between our Company and such Promoter Group Entity and Group Company.***

Our Promoter Group Entity namely, M/s Yash Swisstech Private Limited is a commercial agent of certain foreign manufacturers of electrical power products, which can be considered as similar line of business as of our Company to a limited extent. Also, M/s. MGC Moser-Glaser AG, a group company defined in accordance with Regulation 2(1)(t) of SEBI ICDR Regulations since our Company had related party transactions with it, is engaged in the business of dealing in RIP/RIS Bushings which is a similar line of business as of our Company. However, pursuant to the share purchase agreement dated March 25, 2024 executed between MGC, our Company and Mr. Keyur Girishchandra Shah, Promoter and MD of our Company, for purchase of the entire shareholding of MGC by Mr. Keyur Girishchandra Shah, MGC ceased to be a shareholder of the Company and consequently a related party with effect from April 16, 2024.

We have not entered into any non-compete agreement with the said entities. As a result, conflicts of interests can arise on account of common suppliers/customers and in allocating business opportunities. In cases of conflict, our Promoter may favour other entity/entities in which our Promoter has interests. There can be no assurance that M/s Yash Swisstech Private Limited or MGC Moser-Glaser AG will not compete with our existing business or any future business that we may undertake or that their interests will not conflict with ours. Any such present and future conflicts could have a material adverse effect on our reputation, business, results of operations and financial condition which may adversely affect our profitability and results of operations.

11. ***We are subject to strict quality requirements and any product defect issues or failure by us to comply with quality standards may lead to the cancellation of existing and future orders, recalls or warranty and liability claims.***

High-quality bushings significantly enhance the reliability, safety, and longevity of electrical equipment, making them indispensable in power transmission and distribution networks. The superior quality of bushings is critical in high-voltage electrical systems such as transformers, circuit breakers, and switchgear. Bushings serve as essential insulating components that ensure the safe passage of electrical conductors through grounded enclosures, maintaining electrical integrity and preventing faults. Superior quality bushings enhance electrical insulation and safety, improves equipment reliability, mechanical strength and durability, enhances resistance to environmental and chemical degradation and minimises the risk of catastrophic failures. Superior-quality bushings not only extend the life of critical electrical equipment but also support the seamless and sustainable functioning of modern power grids. We have implemented the ISO 9001 Quality Management System since 2009, which has matured over 15 years to ensure consistent quality. Though we use advanced 3D modelling and rigorous testing to ensure our bushings meet several global standards, including IEC/IEEE and ANSI standards, we face inherent risks related to product defects, which could result in liability claims if our products cause injury or damage to individuals or property. If we encounter defect liability claims that exceed our insurance coverage, we could incur significant financial losses, potentially jeopardizing our financial stability and overall business operations. Additionally, our ability to meet regulatory quality standards is critical to our success. However, there is a risk that we may not consistently fulfill these standards or the specific quality requirements set by our customers. Any failure to comply could lead to product recalls, reputational damage, potential legal liabilities and incurring of significant costs to defend any such claims. Such occurrences could materially adversely affect our business operations, market position, and financial results, posing serious risks to our growth prospects and stakeholder confidence. We remain committed to actively monitoring and managing these risks to protect the future of our company.

12. ***Any breach of confidentiality regarding our technical know-how could weaken our competitive advantage.***

Certain number of our employees have access to confidential design and production information, certain proprietary knowledge may be leaked, either inadvertently or wilfully, at various stages of the manufacturing process and there can be no assurance that this information will remain confidential. Moreover, certain of our employees may leave us and join our competitor. Although we may seek to enforce confidentiality obligation in terms of our staff rules, we cannot guarantee that we will be able to successfully enforce such rules. While we are not aware of any such instances of breach of our technical know-how for the three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022. In the event that the confidential technical information in respect of our business becomes available to third parties or to the general public, the competitive advantage that we may have over other companies could be harmed. If our competitor is able to reproduce or otherwise capitalize on our technical know-how, it may be difficult and/ or expensive for us to obtain

necessary legal protection. Consequently, any leakage of confidential technical information could have an adverse effect on our business, results of operations, financial condition and future prospects.

13. *We are dependent on third party service providers for smooth supply, transportation and timely delivery of our products to customers.*

We rely on transportation service providers for the timely delivery of our products to our customers located in India and other countries. Therefore, we face a risk that there could be deficiency or interruption in these third-party services. Disruptions of transportation services because of weather related problems, strikes, lock-outs, inadequacy of road infrastructure, geo-political factors impacting shipping route and air transportation or other events may affect our delivery schedules and impair our supply to our customers. To the extent that our losses are not covered by insurance, this may have a material adverse effect on our business and results of operations. Delays or non-delivery of our products may also have a material adverse effect on our business and results of operations. We do not enter into formal contracts with our third-party logistic service providers, and hence are exposed to fluctuations in transportation costs. However, in the event that these logistic service providers are unable to provide these necessary services for our operations for reasons which are beyond our control and we are unable to secure alternate transport arrangements in a timely manner and at an acceptable cost, or at all, our business, results of operations and reputation may be materially adversely affected.

14. *Our business is dependent upon the demand for transformers. Any downturn or cyclical fluctuation in the power generation, transmission and distribution sector could reduce the demand for transformers, which in turn could reduce the demand of our products.*

Our company specializes in the manufacturing and distribution of transformer bushings, including high current bushings, OIP condenser bushings, and RIP condenser bushings. Our financial performance and operations are significantly influenced by the demand for transformers, which in turn is influenced by demand in the power generation, transmission, and distribution sector. Any downturns or cyclical variations in this sector, or developments that could diminish the economic advantages of our products, may adversely impact our financial condition and operational results. Consequently, our business and financial outcomes will continue to be closely tied to the demand for transformers and the broader conditions impacting the transformer industry.

15. *Our inability to manage our growth may disrupt our business and reduce our profitability.*

From Fiscal 2022 to Fiscal 2024, our total revenue has grown at a CAGR of 29.19%. As part of our growth strategy to meet customer needs, we are committed to diversify our product offerings, customer base and geographic footprint and minimizing our exposure to individual markets and segment. This will in turn result in substantial demands on our management, operational, and financial resources and our growth will require us to continuously invest in our operations and improve our operational, financial and internal controls, employee costs, newer units in newer locations, expansion of existing units and administrative infrastructure.

Our inability to execute our growth strategies in a timely manner or within budget estimates or our inability to meet the expectations of our customers and other stakeholders, could have an adverse effect on our business, results of operations and financial condition. Further, in order to manage our growth effectively, we must upgrade and improve our operational systems, procedures and internal controls on a timely basis. If we fail to upgrade and improve our systems, procedures and controls on a timely basis, or if there are weaknesses in our internal controls we may not be able to meet our customers' needs, hire and retain new employees or operate our business effectively. Failure to manage growth effectively and implement our business strategy and effectively respond to changes in market dynamics could adversely affect our business and results of operations.

16. *Product liability claims and product recalls could harm our reputation, business, financial condition, cash flows and results of operations.*

Our reputation is a key asset of our business. We face risks of exposure to product liability or recall claims if our products fail to meet the required quality standards. We face the risk of legal proceedings and product liability claims being brought against us by various entities including consumers and distributors for various reasons including for defective and contaminated products sold. We cannot assure you that we will not experience any product recalls or material product liability losses in the future or that we will not incur significant costs to defend any such claims. While we maintain a comprehensive general liability insurance cover, a product recall or a product liability claim may adversely affect our reputation and brand image, which may adversely affect our reputation, business, financial condition, cash flows and results of operations. .

17. *Our business is operating under various laws which require us to obtain approvals from the concerned statutory/regulatory authorities in the ordinary course of business and our inability to obtain, maintain or renew requisite statutory and regulatory permits and approvals for our business operations could materially and adversely affect our business, prospects, results of operations and financial condition.*

We require certain statutory and regulatory licenses, registrations and approvals to operate our business some of which are granted for a fixed period of time and need to be renewed from time to time. Further, in future, we may also be required to obtain new licenses, registrations and approvals for any proposed operations, including any expansion of existing operations. If we are unable to make applications and renew or obtain necessary permits, licenses and approvals on acceptable terms, in a timely manner or at all, we may be required to shut down or relocate our offices or warehouses and face other consequences due to which our business operations may be adversely affected. Changes in legislation and current regulations entailing stricter requirements and changes in conditions in terms of health, safety and environment or progress towards a stricter official application of legislation and regulations may require additional investment and lead to higher costs and other undertakings which may impact our business and operations. Further, these licenses, registrations and approvals are subject to several conditions, and our Company cannot assure that it shall be able to continuously meet such conditions or be able to prove compliance with such conditions to statutory authorities, and this may lead to cancellation, revocation or suspension of relevant licenses, approvals and registrations. We may be subject to penalties or suffer a disruption in our business activities, any of which could adversely affect our results of operations. Further, our Company will be responsible for bearing any and all liabilities arising out of this noncompliance. If we are unable to renew, maintain or obtain the required registrations or approvals, it may result in the interruption of our operations and may have a material adverse effect on our revenues and operations. Failure by our Company to renew, maintain or obtain the required licenses or approvals, or cancellation, suspension, or revocation of any of the licenses, approvals and registrations may result in the interruption of our Company's operations and may have a material adverse effect on our business. For further details on the licenses obtained by our Company and licenses for which renewal applications have been made, kindly refer the section titled "Government and Other Approvals" on page 296.

18. *We generally do not have any firm supply agreements with our customers. If our customers choose not to source their requirements from us, our business and results of operations may be materially adversely affected*

We do not generally have firm supply agreements with most of our customers and instead we rely on the purchase orders issued by our customers from time to time that set out the volume and other terms of our sales of products. Our customers do not typically place firm purchase orders until a short time before the products are required from us, making it difficult for us to forecast revenue, production volume or sales. We may encounter problems in executing the orders in relation to our products, or executing it on a timely basis. Moreover, factors beyond our control and our customers caused by matters such as acts of God, strikes, civil commotion, riots, war, revolution, acts of governments, pandemics and lockdowns etc. may postpone the delivery of such products or cause its cancellation. Due to the possibility of cancellations or changes in scope and schedule of delivery of such products, resulting from our customers discretion or problems we encounter in the delivery of such products or reasons beyond our control or the control of our customers, we cannot predict with certainty when, if or to what extent we may be able to fulfil the orders placed. In addition, even where a completion of the order proceeds as scheduled, it is possible that the customers may default or otherwise fail to pay amounts owed may have an adverse effect on our business and results of operations.

19. *Our failure to identify evolving industry trends and technologies and to develop new products to meet our customers' demands may materially adversely affect our business and results of operations.*

Any changes in customer's requirements regulatory changes or competitive technologies may render our products obsolete or less attractive. We face competition in India and overseas market, which is based on many factors, including product quality and reliability, product design and innovation, manufacturing capabilities and price. Some of our competitors may have certain advantages, including greater financial, technical and/or marketing resources, which could enhance their ability to respond more quickly to technological changes and customer demands. Further, some of our competitors may be able to produce similar or equivalent products at lower costs than we can produce them. Further, we may not be able to anticipate changes in technology and regulatory standards and to successfully develop and introduce new and enhanced products on a timely basis to remain competitive. Also there can be no assurance that we will be able to secure the necessary technological knowledge to enable us to enhance our product portfolio to meet changing customer and regulatory demands. Our failure to successfully adopt such technologies in a cost effective and timely manner, innovate and adapt to the changing demands from customers and regulators may lead to us being less competitive in the industry and may materially adversely affect our business and results of operations.

20. We have contingent liabilities and commitments and our financial condition could be adversely affected if any of these contingent liabilities materializes.

As on June 30, 2024, we had the following contingent liabilities and commitments:

Particulars	Amount (₹ In Lakh)
A. Contingent Liabilities	
Sales Tax Demand for F.Y 2015-16	4.76*
CST Demand for F.Y 2015-16 & 2017-18	4.22*
GST Litigation for period July 2017 to 2022	220.95**
Sub Total	229.93
B. Capital Commitments	82.43
C. Total (A+B)	312.36

*Before considering the pre-deposit amount of ₹ 2.59 Lakhs

** Before considering the pre-deposit amount of ₹ 4.14 Lakhs

We cannot assure you that we will not incur similar or increased levels of contingent liabilities in the future. If any of our contingent liabilities materialize, it could have an adverse effect on our results of operations, financial condition and cash flows. For details, see Note No. 27 of “Restated Financial Statements” on page 238.

21. Some of our business agreements are not stamped & registered and may not be legally enforceable which may have a material adverse impact on our business.

The leave and license agreement for our corporate office situated at 603, 6th floor, Ozone Complex, Sarabhai Compound, Dr. Vikram Sarabhai Marg, Subhanpura, Vadodara-390023, Gujarat, and leave and licence agreement for the guest house situated at Flat No. 7, Parita Park, Near Natubhai Circle, Race Course, Vadodara are inadequately stamped and unregistered. The lack of stamping and registration means these documents may not be admissible as evidence in legal proceedings, potentially affecting our ability to legally enforce their terms. Should any disputes arise from these unstamped or unregistered agreements, we may encounter significant difficulties in asserting our rights, which could materially adversely impact our business.

22. The agreements executed by our Company with lenders for financial arrangements contain restrictive covenants for certain activities and if we are unable to get their approval, it might restrict our scope of activities and impede our growth plans.

We have entered into agreements for our borrowings with Axis Bank Limited (“Lender”). These borrowings include secured fund based and non-fund based facilities. These agreements include restrictive covenants which mandate certain restrictions in terms of our business operations such as change in capital structure, formulation of any scheme of amalgamation or reconstruction, further expansion of business, which require our Company to obtain prior approval of the Lender for any of the above activities. For details of these restrictive covenants, please refer to section titled — “Financial Indebtedness” on page 286 of this Draft Red Herring Prospectus.

While, as on the date of this Draft Red Herring Prospectus, we have complied with all covenants and obtained all requisite consents from our lenders for undertaking the Offer, there can be no assurance that we will be able to comply with the financial or other covenants prescribed under the documentation for our financing arrangements or that we will be able to obtain consents necessary to take the actions that may be required to operate and grow our business in the future. Further, if we fail to service our debt obligations, the lenders have the right to enforce the security created in respect of our secured borrowings. A default under certain of our financing agreements may also result in cross-defaults under other financing agreements and result in the outstanding amounts under such other financing agreements becoming due and payable immediately. If the lenders choose to enforce security and dispose our assets to recover the amounts due from us, our business, financial condition and results of operations may be adversely affected.

23. *We have not entered into any arrangements for alternate source of raising the funds required for our “Objects of the Issue”. Any shortfall in raising/meeting the same could adversely affect our growth plans, operations and financial performance.*

As on date of this Draft Red Herring Prospectus, Our Company has not entered into any definitive arrangement for alternate source of funding and hence any failure or delay on our part to mobilize the required resources or any shortfall in the Issue proceeds can adversely affect our growth plan and profitability. We meet our capital requirements through, owned funds, internal accruals external debt. Any shortfall in our owned funds, internal accruals and our inability to raise debt in future would result in us being unable to meet our capital requirements, which in turn will negatively affect our financial condition and results of operations. Any failure or delay on our part to raise money from this Offer or any shortfall in the Offer proceeds may delay the implementation schedule and could adversely affect our growth plans. For further details, please refer to the section titled “Objects of the Offer” beginning on page 102 of this Draft Red Herring Prospectus.

24. *There are outstanding legal proceedings involving our Company, Promoters and Directors. Any adverse decision in such proceeding may have a material adverse effect on our business, results of operations and financial condition.*

We are involved in certain legal proceedings which are pending at different levels of adjudication before various courts, tribunals, enquiry officers, and appellate authorities. We cannot provide assurance that these legal proceedings will be decided in our favour. Any adverse decisions in any of the proceedings may have a significant adverse effect on our business, results of operations, cash flows and financial condition.

The contingent liability in respect of the tax litigation against our Company have been disclosed in the section titled “Restated Financial Statements” – “Details of Contingent Liabilities & Commitments as Restated” on page 238 of this Draft Red Herring Prospectus.

A summary of outstanding litigation proceedings involving our Company, Directors, Promoter and Group Companies, as disclosed in “Outstanding Litigation and Material Developments” on page 292 in terms of the SEBI ICDR Regulations and the Materiality Policy, as applicable, as of the date of this Draft Red Herring Prospectus is provided below:

25. *If we experience a cyber security breach or other security incident or unauthorised parties otherwise obtain access to our data, our reputation may be harmed, demand for our products may be reduced and we may incur significant liabilities, which could adversely affect our business and our reputation.*

While we have taken steps to protect the security of the information that we handle, there can be no assurance that any security measures that we have implemented will be effective against current or future security threats. Our security measures could fail and result in unauthorised access to or use of our platform and products or unauthorised, accidental or unlawful access to, or disclosure, modification, misuse, loss or destruction of, our customers data.

In addition, computer malware, computer hacking, fraudulent use, social engineering (such as spear-phishing attacks), ransomware, credential stuffing, denial of service attacks, supply chain attacks, and general malicious activity have become more prevalent, and such incidents or incident attempts have occurred in the past and may occur in the future. If an actual or perceived breach of our security occurs, the perception of the effectiveness of our security measures could be harmed, which, in turn, could damage our relationships with our customers. If security measures are breached because of employee theft, exfiltration, misuse or malfeasance, our actions, omissions, or errors, unintentional events, deliberate attacks by cyber criminals or otherwise, or if design flaws in our software or systems are exposed and exploited, our relationships with customers could be damaged, and we could incur liability. A party that can circumvent our security measures could misappropriate our proprietary information or the information of customers, cause an interruption in our operations or damage the computers or other hardware of such dealers or consumers. As a result of any such breaches, our customers may assert claims of liability against us for our failure to prevent these activities. These activities may subject us to legal claims, which in turn may have an adverse effect on our business, results of operations, cash flows and financial condition. Failure to protect our customers data, or to provide our customer with appropriate notice of our privacy practices, could also subject us to liabilities imposed by regulatory agencies or courts.

26. *Non-compliance with and changes in, safety, health and environmental laws and other applicable regulations, may adversely affect our business, results of operations and financial condition.*

We are subject to a broad range of safety, health, environmental, labour, workplace and related laws and regulations in the jurisdictions in which we operate, which impose controls on the disposal and storage of raw materials, air and water discharges and other aspects of our operations. Although no accidents /incidents occurred for the three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022 and we have implemented safety related measures, any accidents at our facilities may result in personal injury or loss of life of our employees or other people, substantial damage to or destruction of property and equipment resulting in the suspension of operations. Any of the foregoing could subject us to litigation, which may increase our expenses in the event we are found liable, and could adversely affect our reputation. Additionally, adoption of stricter health and safety laws and regulations, stricter interpretations of existing laws, increased governmental enforcement of laws or other developments in the future may require that we make additional capital expenditures, incur additional expenses or take other actions in order to remain compliant and maintain our current operations. Complying with, and changes in, these laws and regulations or terms of approval may increase our compliance costs and adversely affect our business, prospects, results of operations and financial condition.

27. *Failure to effectively manage labour or failure to ensure availability of sufficient labour could affect the business operations of the Company.*

Our business activities are dependent on availability of skilled and unskilled labour. Non-availability of labour at any time or any disputes with them may affect our production schedule and timely delivery of our products to customers which may adversely affect our business and result of operations. Though we have not faced any labour problem in the for the three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022 we cannot assure that we will not experience disruptions to our operations due to disputes, increased wage demands or other problems with our work force, which may lead to strikes or lock- outs or. Such issues could have adverse effect on our business, and results of operations.

28. *Increases in operational costs could adversely affect our results of operations.*

Factors such as inflation, increased employee benefit costs (by regulation or otherwise), increased rental costs, and increased energy costs may increase our operating costs. Further, to maintain our operational costs and margins, it is imperative to optimize the expansion of business operations and product portfolio. Many of the factors may also affect our vendors and channel partners, which are beyond their control. Although, there have been no such instances in the past, any future increase in the operational costs may cause such third parties to pass costs on to us and our end users by increasing prices, which would likely an adverse effect on our business, financial condition and results of operations.

29. ***Our operations are dependent on our ability to attract and retain qualified personnel which are in high demand in India. Our Company also depends on the skills and experience of our individual Promoter and Key Managerial Personnel and Senior Management for our growth. Any inability to retain the services of individual Promoter, Key Managerial Personnel, Senior Management and qualified personnel could adversely affect our business, results of operations, cash flows and financial condition.***

We benefit from the strategic guidance of Mr. Keyur Girishchandra Shah, our Promoter, who is also the Chairman and Managing Director of the Company. If his involvement in our business reduces in the future, we may be unable to implement our plans as anticipated or maintain administrative control as we currently do, which in turn could adversely affect our business, results of operations, financial condition and prospects.

Furthermore, our future performance will also depend on the continued service of our Key Managerial Personnel and Senior Management and qualified personnel with technical expertise and relevant experience in the industry, and the loss of any such personnel and the inability to find an adequate replacement may impair our level of technical expertise and our relationship with our customers, which may adversely affect our business, results of operations, financial condition and prospects. For details of our Board, Key Managerial Personnel and Senior Management, see section titled “*Our Management –Key Managerial Personnel and Senior Management*” on page 206.

Set out below are details of attrition of our employees for the periods/years indicated:

Particulars	As of and for the three months ended June 30, 2024	Fiscal		
		2024	2023	2022
Total number of employees	130	133	134	104
Attrition rate (%)	12.16%	27.72%	15.72%	13.33%

**Not annualized*

Competition for qualified personnel with relevant industry expertise in India is intense and the loss of the services of our key personnel may adversely affect our business, results of operations, cash flows and financial condition. We may require a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with our Company. We may also be required to increase our levels of employee compensation to remain competitive in attracting employees that our business requires. Set out below are details of our employee benefit expenses for the periods/years indicated

(₹ In Lakhs)

Particulars	For the three months ended June 30, 2024	Fiscal		
		2024	2023	2022
Employee benefits expense (in ₹ lakhs)	282.29	1,188.72	1,019.24	565.19
Employee benefits expense as a % of total revenue from operations	10.22	10.96	11.28	8.69
Employee benefits expense as a % of total expenses	12.03	12.83	13.70	10.67

We cannot assure you that we will be able to retain our staff or find adequate replacements in a timely manner. Competition for skilled personnel in the industry is intense, and we may need to increase our levels of employee compensation to attract and retain our staff. Even if we were to offer higher compensation and other benefits, there is no assurance that these individuals will continue to work for us or that we will successfully attract new talent. We may also require significant time to hire and train replacement personnel when skilled personnel terminate their employment with us. The loss of the services of our staff could adversely affect our business, results of operations and financial condition.

30. ***If we are unable to recover our dues from our customers, our results of operations and cash flows could be materially adversely affected.***

Our financial performance depends on our ability to successfully recover payment from our customers. We usually bill and collect on relatively short cycles. Our payment terms are 60 to 90 days from the date when the customer receives the invoice.

Our average debtor cycle was 55 days, 42 days, 66 days and 53 days for the three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022, respectively.

We maintain allowances against receivables and unbilled services. Actual losses on customer balances could differ from those that we currently anticipate and, as a result, we might need to adjust our allowances. There is no guarantee that we will accurately assess the creditworthiness of our customers. Weak macroeconomic conditions and related turmoil in the global financial system could also result in financial difficulties, including limited access to the credit markets, insolvency, or bankruptcy for our customers, and, as a result, could cause customers to delay payments to us, request modifications to their payment arrangements that could increase our receivables balance, or default on their payment obligations to us. Timely collection of customer balances also depends on our ability to complete our contractual commitments and bill and collect our contracted revenues. If we are unable to meet our contractual requirements, we might experience delays in collection of and/or be unable to collect our customer balances, and if this occurs, our results of operations and cash flows could be materially adversely affected. Moreover, in the event of delays in payment from our governmental and quasi-governmental customers, we may have difficulty collecting on receivables owed. In addition, if we experience an increase in the time to bill and collect for our services, our cash flows could be adversely affected.

31. We are unable to trace certain corporate records and other documents and we cannot assure you that such forms or records will be available at all or any time in the future.

Our Company is unable to trace certain corporate records and regulatory filings as given below:

Sr. No.	Particulars
1.	Minutes of the Board Meeting and Shareholders Meeting Prior to 2009
2.	Form 23B for appointment of Statutory Auditor under Companies Act, 1956 for the financial years 2002-2003 to FY 2007-2008 and for the financial year 2009-2010.
3.	Form MGT-14 for availing finance facility vide Board Resolution dated April 05, 2018
4.	Form MGT-14 for appointment of Mr. Keyur Girishchandra Shah as Managing Director vide Board Resolution dated March 08, 2018
5.	Form MR-1 for filing the return appointment of Mr. Keyur Girishchandra Shah as Managing Director vide Board Resolution dated March 08, 2018.

We have included details of such transfers in the Draft Red Herring Prospectus based on other corporate records such as the Share Certificates, Register of Members, Register of Share Transfers and Minutes of the Board Meetings (to the extent traceable).

We cannot assure you that the regulatory filings or corporate records which we have not been able to locate will be available in the future, or that the information gathered in this regard is correct, or that the regulatory filings were done in accordance with applicable law or at all or in timely manner. Additionally, while no notices, disputes or penalties have arisen or been imposed in connection with these corporate records and other documents as of the date of this Draft Red Herring Prospectus, we cannot assure you that no notices, dispute or penalties will arise or be imposed on us in this regard in the future.

32. We have entered into certain related-party transactions, and we may continue to do so in the future.

Our Company has entered into various transactions with our Directors, Promoter, Promoter Group and Group Companies. These transactions, inter-alia includes issue of shares, remuneration, sales, rent payments, purchase, commission payment to promoter for providing guarantee to bank etc. Our Company has entered into such transactions due to easy proximity and quick execution. While we believe that all such transactions have been conducted on an arm's length basis and in the ordinary course of business, there can be no assurance that we could not have achieved more favourable terms had such transactions not been entered into with related parties.

Furthermore, it is likely that we may enter into related party transactions in the future. Any future transactions with our related parties could potentially involve conflicts of interest. Accordingly, there can be no assurance that such transactions, individually or in the aggregate, will not have a material adverse effect on our business, financial condition, cash flows, results of operations and prospects.

For details of transactions, please refer to "Note 41 - Related Party Transactions" of the Auditor's Report under Section titled "Financial Information of the Company" beginning on page 238 of this Draft Red Herring Prospectus.

33. *We may need to seek additional financing including additional indebtedness in the future to support our growth strategies. Any failure to raise additional financing could have an adverse effect on our business, results of operations, financial condition and cash flows.*

Our strategy to grow our business may require us to raise additional funds for our working capital or long-term business plans. While we have historically funded our capital expenditure primarily through internal accruals, bank credit facilities and cash flow from operations, we cannot assure you that we will have sufficient capital resources for our current operations or any future expansion plans that we may have. If our internally generated capital resources and available credit facilities are insufficient to finance our capital expenditure and growth plans, we may, in the future, have to seek additional financing from third parties, including banks, venture capital funds, joint-venture partners and other strategic investors. Our ability to arrange financing and the costs of capital of such financing are dependent on numerous factors, including general economic and capital market conditions, credit availability from banks, investor confidence, the continued success of our operations and other laws that are conducive to our raising capital in this manner. If we decide to meet our capital requirements through debt financing, we may be subject to certain restrictive covenants. Our financing agreements may contain terms and conditions that may restrict our ability to operate and manage our business, such as terms and conditions that require us to maintain certain pre-set debt service coverage ratios and leverage ratios and require us to use our assets, including our cash balances, as collateral for our indebtedness. If we are unable to obtain such financing in a timely manner, at a reasonable cost and on acceptable terms or at all, we may be forced to delay our expansion plans, downsize or abandon such plans, which may materially and adversely affect our business, financial condition and results of operations, as well as our future prospects.

As on September 30, 2024 the total fund based indebtedness of our Company is ₹ 2,030.55 Lakhs. We cannot assure you that our Company will be able to obtain further loans at favourable terms. Increased borrowings, if any, may adversely affect our debt-equity ratio and our ability to borrow at competitive rates. In addition, we cannot assure you that the budgeting of our working capital requirements for a particular year will be accurate. There may be situations where we may under-budget our working capital requirements, which may lead to delays in arranging additional working capital requirements, loss of reputation, levy of liquidated damages and can cause an adverse effect on our cash flows.

We have not defaulted in our loans. However, any failure to service the indebtedness of our Company or otherwise perform our obligations under our financing agreements entered with our lenders or which may be entered into by our Company, could trigger cross default provisions, penalties, acceleration of repayment of amounts due under such facilities which may cause an adverse effect on our business, financial condition and results of operations. For details of our indebtedness, please refer to the section titled — “*Financial Indebtedness*” on page 286 of this Draft Red Herring Prospectus.

34. *Intellectual property rights are important to our business. Failure to get approval for intellectual property rights may adversely affect our business. We may be unable to protect them from being infringed by others, including our current and / or future competitors/employees which may adversely affect our business value, financial condition and results of operations.*

Our Company has applied for registration of (i) our corporate logo “  ” with the Trademarks Registry; and (ii) 5 Designs under Class 13-99 with the Controller General of Patents, Designs and Trade Marks as on the date of this Draft Red Herring Prospectus.

For further details, see section titled “*Government and Other Approvals*” on page 296 of this Draft Red Herring Prospectus. However, there can be no assurance that said applications will be approved. If our Company is unable to obtain registration or if the corporate logo or the designs that we use is registered in favour of or used by a third party in India or abroad, we may not be able to claim registered ownership of the logo and designs. We may still continue to use the corporate logo but remain vulnerable to litigations, infringement and passing-off by third parties and will not be able to enforce any rights against them. We may also need to change our corporate logo which may adversely affect our reputation and business and could require us to incur additional costs. Further, our efforts to protect our intellectual property may not be adequate and may lead to erosion of our business value and our operations could be adversely affected. This may also lead to litigations and any such litigations could be time consuming and costly and their outcome cannot be guaranteed. Our Company may not be able to detect any unauthorized use or take appropriate and timely steps to enforce or protect our intellectual property, which may adversely affect our business, financial condition and results of operations. Further, if we do not maintain our brand name and identity, which is a principal factor that differentiates us from our competitors, we may not be able to maintain our competitive edge in India and abroad. If we are unable to compete successfully, we could lose our customers, which would negatively affect our financial performance and profitability. Moreover, our ability to protect, enforce or utilize our brand name is subject to risks, including general litigation risks.

Furthermore, we cannot assure you that such brand name will not be adversely affected in the future by actions that are beyond our control, including customer complaints or adverse publicity from any other source in India and abroad. Any

damage to our brand name, if not immediately and sufficiently remedied, could have an adverse effect on our business and competitive position in India and abroad. Further, while we take care to ensure that we comply with the intellectual property rights of others, we cannot determine with certainty that we are not infringing any existing third-party intellectual property rights and we may also be susceptible to claims from third parties asserting infringement and other related claims in India and abroad. For further details pertaining to our intellectual property, see “Our Business” on page 167 of this Draft Red Herring Prospectus.

35. We face risks associated with currency exchange rate fluctuations.

Total Revenue From Operations	2,762.88	10,848.08	9,036.21	6,505.71

Our company exports products and receives sales proceeds in foreign currency. The total exports, along with their percentage of the total revenue from operations during the three months ended June 30, 2024 and financial years ended 2024, 2023, 2022 are as follows:

Particulars	For the three months ended June 30, 2024		Fiscal 2024		Fiscal 2023		Fiscal 2022	
	Amount (₹ lakhs)	Percentage of total revenue from operations	Amount (₹ lakhs)	Percentage of total revenue from operations	Amount (₹ lakhs)	Percentage of total revenue from operations	Amount (₹ lakhs)	Percentage of total revenue from operations
Exports	127.60	4.62	437.08	4.03	133.04	1.47	185.84	2.86

Changes in value of currencies with respect to the Rupee may cause fluctuations in our operating results expressed in Rupees. The exchange rate between the Rupee and other currencies is variable and may continue to fluctuate in future. Any

adverse or unforeseen fluctuations with respect to the exchange rate of any foreign currency for Indian Rupees may affect our company's results of operations.

36. *Employee fraud or misconduct could harm us by impairing our ability to attract and retain clients and subject us to significant legal liability and reputational harm.*

Our business is exposed to the risk of employee misappropriation, fraud or misconduct. Our employees could make improper use or disclose confidential information, which could result in regulatory sanctions and serious reputational or financial harm. While we strive to monitor, detect and prevent fraud or misappropriation by our employees, through various internal control measures, we may be unable to adequately prevent or deter such activities in all cases. While we have not had any such issues in the for the three months ended June 30, 2024 and for the financial years ended 2024, 2023 and 2022, we cannot assure you that there will be not be instances of fraud and misconduct by our employees which may go unnoticed for certain periods of time before corrective action is taken.

In addition, we may be subject to regulatory or other proceedings, penalties or other actions in connection with any, fraud or misappropriation by our employees, which could adversely affect our goodwill, business prospects and future financial performance. We may also be required to make good any monetary loss to the affected party. Even when we identify instances of fraud and other misconduct and pursue legal recourse or file claims with our insurance carriers, we cannot assure you that we will recover any amounts lost through such fraud or other misconduct.

37. *Our Promoter has provided personal guarantees for loans availed by our Company. Our business, financial condition, results of operations and cash flows may be adversely affected by the invocation of all or any personal guarantees provided by our Promoter.*

Our Promoter i.e., Mr. Keyur Girishchandra Shah has provided personal guarantees to secure a significant portion of our existing borrowings, and may post listing continue to provide such guarantees and other security. In case of a default under our loan agreements, any of the personal guarantees provided by our Promoter may be invoked, which could negatively impact the reputation of our Company. Also, we may face certain impediments in taking decisions in relation to our Company, which in turn would result in a material adverse effect on our financial condition, business, results of operations and prospects and would negatively impact our reputation. We may also not be successful in procuring alternate guarantees satisfactory to the lenders, as a result may need to repay outstanding amounts under such facilities or seek additional sources of capital, which could affect our financial condition and cash flows. For further details regarding loans availed by our Company, please refer section titled “*Financial Indebtedness*” on page no. 286 of this Draft Red Herring Prospectus.

38. *Our insurance policies provide limited coverage and may not adequately insure us against certain operating hazards which may have an adverse effect on our business.*

Our insurance covers, amongst others, marine cargo open policy, business shield SME policy, commercial general liability policy, directors and officers liability insurance policy, group gratuity scheme of employees, group term plan, group accident guard policy and employees compensation insurance policy. Our insurance may not be adequate to completely cover any or all of our risks and liabilities. There can be no assurance that any claim under the insurance policies maintained by us will be honoured fully, in part or on time, or that we have taken out sufficient insurance to cover all our losses.

Our insurance cover on the total assets as of June 30, 2024 was ₹ 14,738.36 lakhs, representing 57.26%, of the total assets as of June 30, 2024. Our inability to maintain adequate insurance cover in connection with our business could adversely affect our operations and profitability. To the extent that we suffer loss or damage as a result of events for which we are not insured, or for which we did not obtain or maintain insurance, or which is not covered by insurance, exceeds our insurance coverage or where our insurance claims are rejected, the loss would have to be borne by us and our results of operations, financial performance and cash flows could be adversely affected.

39. *Industry information included in this Draft Red Herring Prospectus has been derived from Ken Research Private Limited Report (“Ken Research Report”), which is prepared by Ken Research Private Limited and exclusively commissioned by our Company for the purposes of the Offer, and any reliance on information from the Ken Research Report for making an investment decision in the Offer is subject to inherent risks.*

Certain sections of this Draft Red Herring Prospectus include information that is based on or derived from the Ken Research Private Limited titled “India Transformer Bushings Market Outlook to 2034 dated October 03, 2024”, which is prepared by Ken Research Private Limited (“**Ken Research**”) and exclusively commissioned by our Company for the purposes of the Offer pursuant to an engagement letter dated October 04, 2024. Periodic renewals of such lease may increase our costs, since it is subject to rent escalation. Any termination of the lease and/or rental deed in connection with this property or our failure to renew the same, and upon favourable conditions, in a timely manner or at all could adversely affect our operations.

If any such lease agreement under which we occupy the premises is not renewed on terms and conditions that are favourable to us, or at all, we may suffer a disruption in our operation which could have a material adverse effect on our business, financial condition and results of operations. If we do not comply with certain conditions of the lease, the lessor may terminate the lease, which could have an adverse effect on our operations and there can be no assurance that renewal of lease agreement with the owner will be entered into. In the event of non-renewal of lease, we may be required to shift our office to a new location and there can be no assurance that the arrangement we enter into in respect of new premises would be on such terms and conditions as the present one. For more details on properties taken on lease by our Company, please refer section titled “*Our Business*” beginning on page 167 of the Draft Red Herring Prospectus

41. A shortage or non-availability of electricity or power may adversely affect our manufacturing operations and have an adverse effect on our business, results of operations and financial condition.

Our Manufacturing facility and Proposed Manufacturing facility require a significant amount and continuous supply of electricity and power and any shortage or non-availability may adversely affect our operations. We currently source our power requirements from state electricity boards for majority of our energy requirements. Although we have diesel generators to meet exigencies at our facility and to overcome electricity and power issues, but we cannot assure you that our facility will be operational during power failures. Any failure on our part to obtain alternate sources of electricity, fuel or power, in a timely fashion, and at an acceptable cost, may have an adverse effect on our business, results of operations and financial condition.

42. We have had certain inaccuracy in relation to regulatory filings to be made with the RoC, EPF, ESIC, TDS and TCS Returns and our company has made non-compliances of certain provision under applicable law.

Our company has missed to comply with certain statutory provisions in the past including but not limited to the details as mentioned in this risk factor. There are few discrepancies noticed in some of our corporate records relating to e-forms filed with the Registrar of Companies, which includes clerical errors in the annual returns filed by our Company with the ROC in past years, for instance:

Form	Discrepancy	Rectification
Form 20B	Date of transfer was not mentioned in Annual Return filed by the Company for FY 2007-2008	The non-compliance being not material, no rectification steps were required
Form MGT-7	The category of the shareholders as mentioned in the shareholding pattern attached in the E-Form MGT-7 filed for the Financial Year 2023-2024 is inaccurate.	The non-compliance being not material, no rectification steps were required

We have delayed in filing of and depositing the EPF with the concerned offices of the departments on few instances and have accordingly been subjected to penalty and interest for delayed deposit of tax. While no- show cause notice has been issued against our Company till date, in the event of any cognizance being taken by the concerned authorities in respect of above errors and delays in filings, actions may be taken against our Company and its directors, which could impact our business and financial performance. The below table summarizes such instances for the discrepancies and delay

EPF

Particulars	Number of Instances	Financial Year
Delay in filing of returns	14	2021-22
Delay in filing of returns	8	2022-23

ESIC

Particulars	Number of Instances	Financial Year
Delay in filing of returns	1	2021-22
Delay in filing of returns	1	2022-23

TDS and TCS returns

Particulars	Number of Instances	Financial Year
Delay in filing of returns	1	2021-22
Delay in filing of returns	2	2022-23

Although no show cause notice have been issued against our Company till date in respect of above, in the event of any cognizance being taken by the concerned authorities in respect of above, actions may be taken against our Company and its directors, in which event the financials of our Company and our directors may be affected. Also, with the expansion of our operations there can be no assurance that deficiencies in our internal controls and compliances will not arise, or that we will be able to implement, and continue to maintain, adequate measures to rectify or mitigate any such deficiencies in our internal controls, in a timely manner or at all.

43. Our Promoters and members of the Promoter Group have significant control over the Company and have the ability to direct our business and affairs; their interests may conflict with your interests as a shareholder.

Upon completion of the Offer, our Promoter and Promoter Group will own [●] % of the Post-Issue Equity Share capital of the Company. As a result, our Promoter will continue to exercise significant control over us, including being able to control the composition of our Board and determine matters requiring shareholder approval or approval of our Board. Our Promoter may take or block actions with respect to our business, which may conflict with our interests or the interests of the minority shareholders. By exercising their control, our Promoter could delay, defer or cause a change of our control or a change in our capital structure, delay, defer or cause a merger, consolidation, takeover or other business combination involving us, discourage or encourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of us. We cannot guarantee that our Promoter and Promoter Group will act in our interest while exercising their rights. For further details of Promoter' shareholding, please refer section titled "Capital Structure" beginning on Page 84 of Draft Red Herring Prospectus.

44. Our ability to pay dividends in the future may be affected by any material adverse effect on our future earnings, financial condition or cash flows.

Our ability to pay dividends in the future will depend on our earnings, financial condition, future cash flows, working capital requirements, capital expenditure and restrictive covenants of our financing arrangements. The declaration and payment of dividends will be recommended by the Board of Directors and approved by the Shareholders, at their discretion, subject to the provisions of the Articles of Association and applicable law, including the Companies Act, 2013. For the details of dividend declared by our company refer to the Section "Dividend Policy" on page 237 of the Draft Red Herring Prospectus. We may retain all future earnings, if any, for use in the operations and expansion of the business. As a result, we may not declare dividends in the foreseeable future. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board and will depend on factors that our Board deems relevant, including among others, our future earnings, financial condition, cash requirements, business prospects and any other financing arrangements. We cannot assure you that we will be able to pay dividends in the future.

45. The average cost of acquisition of Equity Shares by our Promoters, could be lower than the price determined at time of filing the Draft Red Herring Prospectus.

Our Promoters average cost of acquisition of Equity Shares in our Company may be lower than the Price discovered through the book building process and decided by the Company in consultation with the Book Running Lead Manager. For further details regarding the average cost of acquisition of Equity Shares by our Promoter in our Company and build-up of Equity Shares of our Promoter in our Company, please see section titled "Capital Structure" beginning on page 84 of this Draft Red Herring Prospectus.

46. Our Company has issued Equity Shares in the last 12 months at a price which may be lower than the Offer Price.

Our Company has issued Equity Shares in the last 12 months, which may be at a price lower than the Offer Price. Below are the details of the shares issued at a price which may be lower than the offer price –

Date of Allotment	Number of Equity Shares	Face value per equity share (₹)	Issue Price per equity share (₹)	Reason for Allotment	Benefits Accrued to our Company
April 24, 2024	43,06,215	10/-	NA	Bonus in the ratio of 7:5 i.e, 7 Equity Shares for every 5 Equity Shares held	Capitalization of Reserves & Surplus
July 22, 2024	73,82,083	5/-	NA	Bonus in the ratio of 1:2 i.e, 1 Equity Share for every 2 Equity Shares held	Capitalization of Reserves & Surplus

For further details, see section titled "Capital Structure – Notes to the Capital Structure" on page 84.

47. *Any future issuance of Equity Shares, or convertible securities or other equity linked securities by us and any sale of Equity Shares by our significant shareholders may dilute your shareholding and adversely affect the trading price of the Equity Shares.*

Any future issuance of the Equity Shares, convertible securities or securities linked to the Equity Shares by us may dilute your shareholding in the Company, adversely affect the trading price of the Equity Shares and our ability to raise capital through an issue of our securities. In addition, any perception by investors that such issuances or sales might occur could also affect the trading price of the Equity Shares. No assurance may be given that we will not issue additional Equity Shares. The disposal of Equity Shares by any of our significant shareholders, or the perception that such sales may occur may significantly affect the trading price of the Equity Shares. We cannot assure you that we will not issue Equity Shares or that such shareholders will not dispose of, pledge or encumber their Equity Shares in the future.

48. *Our future fund requirements, in the form of further issue of capital or securities and/or loans taken by us, may be prejudicial to the interest of the Shareholders depending upon the terms on which they are eventually raised.*

We may require additional capital from time to time depending on our business needs. Any further issue of Equity Shares or convertible securities would dilute the shareholding of the existing Shareholders and such issuance may be done on terms and conditions, which may not be favorable to the then existing Shareholders. If such funds are raised in the form of loans or debt or preference shares, then it may substantially increase our fixed interest/dividend burden and decrease our cash flows, thus adversely affecting our business, results of operations and financial condition.

49. *The Equity Shares have never been publicly traded and the Offer may not result in an active or liquid market for the Equity Shares. Further, the price of the Equity Shares may be volatile, and the investors may be unable to resell the Equity Shares at or above the Offer Price, or at all.*

Prior to the Offer, there has been no public market for the Equity Shares, and an active trading market on the stock exchanges may not develop or be sustained after the Offer. Listing and quotation does not guarantee that a market for the Equity Shares will develop, or if developed, the liquidity of such market for the Equity Shares. The market price of the Equity Shares may be subject to significant fluctuations in response to, among other factors, variations in our operating results, market conditions specific to the industry we operate in, developments relating to India and volatility in the Stock Exchange and securities markets elsewhere in the world.

50. *There is no guarantee that our Equity Shares will be listed on the Stock Exchanges in a timely manner or at all.*

In accordance with Indian law and practice, permission to list the Equity Shares will not be granted until after the Equity Shares have been issued and allotted. Approval will require all other relevant documents authorizing the issuing of our Equity Shares to be submitted. There could be a failure or delay in listing our Equity Shares on the Stock Exchanges. Any failure or delay in obtaining the approval would restrict your ability to dispose of your Equity Shares.

51. *There are restrictions on daily/weekly/monthly movements in the price of the Equity Shares, which may adversely affect a shareholders' ability to sell, or the price at which it can sell, Equity Shares at a particular point in time.*

Once listed, we would be subject to circuit breakers imposed by all stock exchanges in India, which does not allow transactions beyond specified increases or decreases in the price of the Equity Shares. This circuit breaker operates independently of the index-based market-wide circuit breakers generally imposed by SEBI on Indian stock exchanges. The percentage limit on circuit breakers is set by the stock exchanges based on the historical volatility in the price and trading volume of the Equity Shares. The stock exchanges do not inform us of the percentage limit of the circuit breaker in effect from time to time and may change it without our knowledge. This circuit breaker limits the upward and downward movements in the price of the Equity Shares. As a result of this circuit breaker, no assurance may be given regarding your ability to sell your Equity Shares or the price at which you may be able to sell your Equity Shares at any particular time.

52. *You will not be able to sell immediately on Stock Exchange any of the Equity Shares you purchase in the Offer until the Offer receives appropriate trading permissions.*

The Equity Shares will be listed on the Stock Exchange. Pursuant to Indian regulations, certain actions must be completed before the Equity Shares can be listed and trading may commence. We cannot assure you that the Equity Shares will be credited to investor's demat accounts, or that trading in the Equity Shares will commence, within the time periods specified in the Draft Red Herring Prospectus. Any failure or delay in obtaining the approval would restrict your ability to dispose

of the Equity Shares. In accordance with section 40 of the Companies Act, 2013, in the event that the permission of listing the Equity Shares is denied by the stock exchanges, we are required to refund all monies collected to investors.

53. *The Offer price of our Equity Shares may not be indicative of the market price of our Equity shares after the offer.*

The Offer price of our equity Shares has been determined by book build method. This price is based on numerous factors and may not be indicative of the market price of our Equity Shares after the Offer. The market price of our Equity Shares could be subject to significant fluctuation after the offer and may decline below the offer price. We cannot assure you that you will be able to sell your Equity Shares at or above the Offer price. For further details you may refer section titled “*Basis for Offer Price*” beginning on the page 118 of Draft Red Herring Prospectus. Some of the factors which may affect our share price without limitations are as follows:

- Reports on research by analysts.
- Changes in revenue.
- Variations in growth rate of our financial indicators such as earning per share, income, profit etc.
- General Market Condition
- Domestic and International Economy.

54. *Sale of Equity Shares by our Promoter or other significant shareholder(s) in future may adversely affect the Trading price of the Equity Shares.*

Any instance of disinvestments of equity shares by our Promoter or by other significant shareholder(s) may significantly affect the trading price of our Equity Shares. Further, our market price may also be adversely affected even if there is a perception or belief that such sales of Equity Shares might occur.

55. *The deployment of funds raised through this Offer shall not be subject to any Monitoring Agency.*

Since, the Offer size is less than ₹10,000 Lakhs excluding the size of offer for sale by selling shareholders, there is no mandatory requirement of appointing an Independent Monitoring Agency for overseeing the deployment of utilization of funds raised through this Offer. The funds raised from this Offer, will be deployed as defined in the Objects. For further details, please refer to the section titled “*Objects of the Offer*” beginning on page 102 of this Draft Red Herring Prospectus. The fund requirement and deployment mentioned in the Objects of the Offer is based on internal management estimates and have not been appraised by any bank or financial institution. Any inability on our part to effectively utilize the Offer proceeds could adversely affect our financials. However, our Audit Committee will monitor the utilization of the proceeds of this Offer and prepare the statement for utilization of the proceeds of this Offer. Also, in accordance with Section 27 of the Companies Act, 2013, a company shall not vary the objects of the Offer without the Company being authorized to do so by our shareholders by way of special resolution and other compliances as applicable in this regard. Our Promoters and controlling shareholders shall provide exit opportunity to such shareholders who do not agree to the proposal to vary the objects, at such price, and in such manner, as may be prescribed by SEBI in this regard.

56. *Our Company will not receive any proceeds from the Offer for Sale portion of the Offer.*

The Offer includes an Offer for Sale of up to 11,36,000 Equity Shares of face value of ₹ 5/- each, in the aggregate, by the Selling Shareholder. Our Company will not receive any proceeds of the Offer for Sale by the Selling Shareholder. However, in the event that the Offer is withdrawn or not completed for any reason whatsoever, all the Offer related expenses will be exclusively borne by our Company. The expenses of the Selling Shareholder will, at the outset, be borne by our Company and each Selling Shareholder will reimburse our Company for such expenses incurred by our Company on behalf of such Selling Shareholder, in relation to the Offer, upon successful completion of the Offer in the manner as prescribed under applicable law and agreed amongst the Company and the Selling Shareholder. See section titled “*Objects of the Offer*” on page 102.

EXTERNAL RISKS

1. *Under Indian law, foreign investors are subject to investment restrictions that limit our ability to attract foreign investors, which may adversely affect the trading price of the Equity Shares.*

Under foreign exchange regulations currently in force in India, transfer of shares between non-residents and residents are freely permitted (subject to certain restrictions), if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or falls under any of the exceptions referred to above, then a prior regulatory approval will be required. Additionally, shareholders who seek to convert Rupee proceeds from a sale of shares in India into foreign

currency and repatriate that foreign currency from India require a no-objection or a tax clearance certificate from the Indian income tax authorities. We cannot assure investors that any required approval from the RBI or any other governmental agency can be obtained on any particular terms or at all.

Furthermore, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the Foreign Exchange Management (Non-debt Instruments) Amendment Rules, 2020 which came into effect from April 22, 2020, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares a land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, will require prior approval of the GoI, as prescribed in the Consolidated FDI Policy and the FEMA Rules. These investment restrictions shall also apply to subscribers of offshore derivative instruments. We cannot assure you that any required approval from the RBI or any other governmental agency can be obtained on any particular terms or at all. For further information, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 361. Our ability to raise any foreign capital under the FDI route is therefore constrained by Indian law, which may adversely affect our business, cash flows, results of operations, financial condition and prospects.

2. *Any changes in the regulatory framework could adversely affect our operations and growth prospects.*

Our Company is subject to various regulations and policies. For details see section titled “*Key Industrial Regulations and Policies*” beginning on page no. 188 of this Draft Red Herring Prospectus. Our business and prospects could be materially adversely affected by changes in any of these regulations and policies, including the introduction of new laws, policies or regulations or changes in the interpretation or application of existing laws, policies and regulations. There can be no assurance that our Company will succeed in obtaining all requisite regulatory approvals in the future for our operations or that compliance issues will not be raised in respect of our operations either of which could have a material adverse effect on our business, financial condition and results of operations.

3. *If there is any change in tax laws or regulations, or their interpretation, such changes may significantly affect our financial statements.*

The regulatory and policy environment in which we operate is evolving and subject to change. Any change in Indian tax laws could have an effect on our operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. For instance, the Taxation Laws (Amendment) Act, 2019, (“**Act**”) prescribes certain changes to the income tax rate applicable to companies in India, in order to promote growth and investment. According to the Act, an existing domestic company may opt to pay tax at 22% plus surcharge at 10% and cess at 4%, if it does not claim any incentive/deduction, with effect from financial year 2019-20. The effective tax rate for these companies comes to 25.17%.

Further, the Act stipulates that such companies would also not be subjected to minimum alternate tax. Furthermore, according to this Act, companies can henceforth voluntarily opt in favour of a concessional tax regime (subject to no other special benefits or exemptions being claimed), which would ultimately reduce the tax rate (on gross basis) for Indian companies from 30% to 22% (exclusive of applicable health and education cess and surcharge). Any such future amendments may affect our ability to claim exemptions that we have historically benefited from, and such exemptions may no longer be available to us. Any adverse order passed by the appellate authorities or tribunals or courts would have an effect on our profitability. The Finance Act, 2020 (“**Finance Act**”), has, amongst other things, provided a number of amendments to the direct and indirect tax regime, including, without limitation, a simplified alternate direct tax regime. For instance, dividend distribution tax (“**DDT**”) will not be payable in respect of dividends declared, distributed or paid by a domestic company after March 31, 2020, and accordingly, such dividends would not be exempt in the hands of the shareholders, both resident as well as non-resident and are likely be subject to tax deduction at source. Our Company may or may not grant the benefit of a tax treaty (where applicable) to a non-resident shareholder for the purposes of deducting tax at source from such dividend. Investors should consult their own tax advisors about the consequences of investing or trading in the Equity Shares.

The Finance Act, 2020 (“**Finance Act**”), has, amongst other things, provided a number of amendments to the direct and indirect tax regime, including, without limitation, a simplified alternate direct tax regime. For instance, DDT will not be payable in respect of dividends declared, distributed or paid by a domestic company after March 31, 2020, and accordingly, such dividends would not be exempt in the hands of the shareholders, both resident as well as non-resident and are likely be subject to tax deduction at source. Our Company may or may not grant the benefit of a tax treaty (where applicable) to a non-resident shareholder for the purposes of deducting tax at source from such dividend. Investors should consult their own tax advisors about the consequences of investing or trading in the Equity Shares.

In addition, we are subject to tax related inquiries and claims. We may be particularly affected by claims from tax authorities on account of income tax assessment, service tax and GST that combines taxes and levies by the central and state governments into one unified rate of interest with effect from July 1, 2017 and all subsequent changes and amendments thereto.

Further, the Government of India introduced the Finance Bill, 2024, in the Union Budget for Fiscal 2025. The Finance Bill, 2024 introduced various amendments to taxation laws in India. The Finance Bill has received assent from the President of India on February 15, 2024 and has been enacted as the Finance Act, 2024. As such, there is no certainty on the impact that the Finance Act, 2024 may have on our business and operations or on the industry in which we operate. In addition, unfavourable changes in or interpretations of existing, or the promulgation of new laws, rules and regulations including foreign investment laws governing our business, operations and group structure could result in us being deemed to be in contravention of such laws or may require us to apply for additional approvals. We may incur increased costs relating to compliance with such new requirements, which may also require management time and other resources, and any failure to comply may adversely affect our business, results of operations and prospects. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may affect the viability of our current business or restrict our ability to grow our business in the future. We cannot predict whether any new tax laws or regulations impacting our services will be enacted, the likely nature and impact of the specific terms of any such laws or regulations or whether, if at all, any laws or regulations would have an adverse effect on our business

4. *A decline in economic growth or political instability nationally or internationally or changes in the Government in India could adversely affect our business.*

Our performance and the growth of our business are necessarily dependent on the health and performance of the overall Indian economy. In the recent past, Indian economy has been affected by global economic uncertainties and liquidity crisis, domestic policy and political environment, volatility in interest rates, currency exchange rates, commodity and electricity prices, rising inflation rates and various other factors. Risk management initiatives by banks and lenders in such circumstances could affect the availability of funds in the future or the withdrawal of our existing credit facilities. The Indian economy is undergoing many changes and it is difficult to predict the impact of certain fundamental economic changes on our business. Additionally, an increase in trade deficit, a downgrading in India's sovereign debt rating or a decline in India's foreign exchange reserves could negatively affect interest rates and liquidity, which could adversely affect the Indian economy and our business. Any downturn in the macroeconomic environment in India could adversely affect our business, financial condition, results of operation and the trading price of our Equity Shares. Changing demand patterns from economic volatility and uncertainty could have a significant negative impact on our results of operations. Further, our performance and the market price and liquidity of the Equity Shares may be affected by changes in exchange rates and controls, interest rates, government policies, taxation, social and ethnic instability and other political and economic developments affecting India.

5. *Natural disasters, fires, epidemics, pandemics, acts of war, terrorist attacks, civil unrest and other events could materially and adversely affect our business.*

Natural disasters (such as typhoons, flooding and earthquakes), epidemics, pandemics such as COVID-19, acts of war, terrorist attacks and other events, many of which are beyond our control, may lead to economic instability, including in India, or globally, which may in turn materially and adversely affect our business, financial condition and results of operations. Our operations may be adversely affected by fires, natural disasters and/or severe weather, which can result in damage to our property or inventory and generally reduce our productivity and may require us to evacuate personnel and suspend operations.

6. *Political instability or a change in economic liberalization and deregulation policies could seriously harm business and economic conditions in India generally and our business in particular.*

The Government of India has traditionally exercised and continues to exercise influence over many aspects of the economy. Our business and the market price and liquidity of our Equity Shares may be affected by interest rates, changes in Government policy, taxation, social and civil unrest and other political, economic or other developments in or affecting India. The rate of economic liberalization could change, and specific laws and policies affecting the information technology sector, foreign investment and other matters affecting investment in our securities could change as well. Any significant change in such liberalization and deregulation policies could adversely affect business and economic conditions in India, generally, and our business, prospects, financial condition and results of operations, in particular.

7. *Financial instability in Indian Financial Markets could adversely affect our Company's results of operation and financial condition.*

In this globalized world, the Indian economy and financial markets are significantly influenced by worldwide economic, financial and market conditions. Any financial turmoil, say in the United States of America, Europe, China or other emerging economies, may have a negative impact on the Indian economy. Although economic conditions differ in each country, investors' reactions to any significant developments in one country can have adverse effects on the financial and market conditions in other countries. A loss in investor confidence in the financial systems, particularly in other emerging markets, may cause increased volatility in Indian financial markets. Indian financial markets have also experienced the

contagion effect of the global financial turmoil. Any prolonged financial crisis may have an adverse impact on the Indian economy, thereby resulting in a material and adverse effect on our Company's business, operations, financial condition, profitability and price of its Shares. Stock exchanges in India have in the past experienced substantial fluctuations in the prices of listed securities.

8. *You may be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares.*

Under current Indian tax laws, unless specifically exempted, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India. Any capital gain exceeding ₹1.25 lakhs realized on the sale of listed equity shares on a recognized stock exchange, held for more than 12 months immediately preceding the date of transfer, will be subject to long term capital gains in India, at the rate of 12.5% (plus applicable surcharge and cess). This beneficial rate is, inter alia, subject to payment of Securities Transaction Tax ("STT").

Further, any gain realized on the sale of equity shares in an Indian company held for more than 12 months, which are sold using any platform other than a recognized stock exchange and on which no STT has been paid, will be subject to long term capital gains tax in India at the applicable rates (plus applicable surcharge and cess). Further, any capital gains realized on the sale of listed equity shares held for a period of 12 months or less immediately preceding the date of transfer will be subject to short term capital gains tax in India. Such gains will be subject to tax at the rate of 20% (plus applicable surcharge and cess), subject to STT being paid at the time of sale of such shares. Otherwise, such gains will be taxed at the applicable rates. Capital gains arising from the sale of the Equity Shares will be exempt from taxation in India in cases where the exemption from taxation in India is provided under a treaty between India and the country of which the seller is resident. Generally, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on a gain upon the sale of the Equity Shares.

Similarly, any business income realized from the transfer of Equity Shares held as trading assets is taxable at the applicable tax rates subject to any treaty relief, if applicable, to a non-resident seller.

9. *Significant differences exist between Indian GAAP and other accounting principles, such as U.S. GAAP and IFRS, which may be material to the financial statements, prepared and presented in accordance with SEBI ICDR Regulations contained in Draft Red Herring Prospectus.*

As stated in the reports of the Auditor included in Draft Red Herring Prospectus under section titled "Restated Financial Statements" beginning on page 238 the financial statements included in Draft Red Herring Prospectus are based on financial information that is based on the audited financial statements that are prepared and presented in conformity with Indian GAAP and restated in accordance with the SEBI ICDR Regulations, and no attempt has been made to reconcile any of the information given in Draft Red Herring Prospectus to any other principles or to base it on any other standards. Indian GAAP differs from accounting principles and auditing standards with which prospective investors may be familiar in other countries, such as U.S. GAAP and IFRS. Significant differences exist between Indian GAAP and U.S. GAAP and IFRS, which may be material to the financial information prepared and presented in accordance with Indian GAAP contained in Draft Red Herring Prospectus. Accordingly, the degree to which the financial information included in Draft Red Herring Prospectus will provide meaningful information is dependent on familiarity with Indian GAAP, the Companies Act and the SEBI ICDR Regulations. Any reliance by persons not familiar with Indian GAAP on the financial disclosures presented in Draft Red Herring Prospectus should accordingly be limited.

10. *We cannot guarantee the accuracy or completeness of facts and other statistics with respect to India, the Indian economy and our industry contained in the Draft Red Herring Prospectus.*

While facts and other statistics in Draft Red Herring Prospectus relating to India, the Indian economy and our industry has been based on various government publications and reports from government agencies that we believe are reliable, we cannot guarantee the quality or reliability of such materials. While we have taken reasonable care in the reproduction of such information, industry facts and other statistics have not been prepared or independently verified by us or any of our respective affiliates or advisors and, therefore we make no representation as to their accuracy or completeness. These facts and other statistics include the facts and statistics included in the section titled "Our Industry" beginning on page 130 of Draft Red Herring Prospectus. Due to possibly flawed or ineffective data collection methods or discrepancies between published information and market practice and other problems, the statistics herein may be inaccurate or may not be comparable to statistics produced elsewhere and should not be unduly relied upon. Further, there is no assurance that they are stated or compiled on the same basis or with the same degree of accuracy, as the case may be, elsewhere.

11. *Global economic, political and social conditions may harm our ability to do business, increase our costs and negatively affect our stock price.*

Global economic and political factors that are beyond our control, influence forecasts and directly affect performance. These factors include interest rates, rates of economic growth, fiscal and monetary policies of governments, inflation, deflation, foreign exchange fluctuations, consumer credit availability, fluctuations in commodities markets, consumer debt

levels, unemployment trends and other matters that influence consumer confidence, spending and tourism. Increasing volatility in financial markets may cause these factors to change with a greater degree of frequency a magnitude, which may negatively affect our stock prices.

12. *Foreign investors are subject to foreign investment restrictions under Indian law that limits our ability to attract foreign investors, which may adversely impact the market price of the Equity Shares.*

Under the foreign exchange regulations currently in force in India, transfers of shares between non-residents and residents are freely permitted (subject to certain exceptions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or fall under any of the exceptions referred to above, then the prior approval of the RBI will be required. Additionally, shareholders who seek to convert the Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India will require a no objection/ tax clearance certificate from the income tax authority. There can be no assurance that any approval required from the RBI or any other government agency can be obtained on any particular terms or at all.

13. *Our ability to raise foreign capital may be constrained by Indian law*

As an Indian company, we are subject to certain controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and could constrain our ability to obtain financings on competitive terms. In addition, we cannot assure you that any required regulatory approvals for borrowing in foreign currencies will be granted to us without onerous conditions, or at all.

14. *Any downgrading of India's sovereign rating by an independent agency may harm our ability to raise financing.*

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing, and the interest rates and other commercial terms at which such additional financing may be available. This could have an adverse effect on our business and future financial performance, our ability to obtain financing for capital expenditures and the trading price of our Equity Shares.

15. *Rights of shareholders under Indian laws may be more limited than under the laws of other jurisdictions due to which they may have difficulty in asserting their rights as a shareholder.*

Our Articles of Association, composition of our Board, Indian laws governing our corporate affairs, the validity of corporate procedures, directors' fiduciary duties, responsibilities and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights including in relation to class actions, under Indian law may not be as extensive and wide spread as the shareholders' rights under the laws of other countries or jurisdictions. Investors may face challenges in asserting their rights as shareholder of our Company than as a shareholder of an entity in another jurisdiction.

16. *The requirements of being a publicly listed company may strain our resource.*

We are not a publicly listed company and have not, historically, been subjected to the increased scrutiny of our affairs by shareholders, regulators and the public at large that is associated with being a listed company. As a listed company, we will incur significant legal, accounting, corporate governance and other expenses that we did not incur as an unlisted company. We will be subject to the SEBI Listing Regulations, which will, among other things, require us to file audited annual and unaudited quarterly/half-yearly reports with respect to our business and financial condition. If we experience any delays, we may fail to satisfy our reporting obligations and/or we may not be able to readily determine and accordingly report any changes in our results of operations as promptly as other listed companies.

Further, as a publicly listed company, we will need to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, including keeping adequate records of daily transactions. In order to maintain and improve the effectiveness of our disclosure controls and procedures and internal control over financial reporting, significant resources and management attention will be required. As a result, our management's attention may be diverted from our business concerns, which may adversely affect our business, prospects, results of operations and financial condition. In addition, we may need to hire additional legal and accounting staff with appropriate experience and technical accounting knowledge, but we cannot assure you that we will be able to do so in a timely and efficient manner.

Book Building Process

Book Building, with reference to the Offer, refers to the process of collection of Bids on the basis of the Red Herring Prospectus within the Price Band. The Price Band shall be determined by our Company in consultation with the Book Running Lead Manager in accordance with the Book Building Process, and advertised in all editions of the English national newspaper [●], all editions of Hindi national newspaper [●] and Vadodara Edition of Regional newspaper [●], a Gujarati daily newspaper (Gujarati being the regional language of Gujarat where our Registered Office and Corporate Office is situated) at least two working days prior to the Bid/ Offer Opening date. The Offer Price shall be determined by our Company, in consultation with the Book Running Lead Manager in accordance with the Book Building Process after the Bid/ Offer Closing Date. Principal parties involved in the Book Building Process are:-

- Our Company;
- The Book Running Lead Manager in this case being Indorient Financial Services Limited;
- The Syndicate Member(s) who are intermediaries registered with SEBI/ registered as brokers with BSE and eligible to act as Underwriters. The Syndicate Member(s) will be appointed by the Book Running Lead Manager; The Registrar to the Offer and;
- The Designated Intermediaries and Sponsor bank.

The SEBI ICDR Regulations have permitted the Offer of securities to the public through the Book Building Process, wherein allocation to the public shall be made as per Regulation 253 of the SEBI ICDR Regulations.

The Offer is being made through the Book Building Process wherein not more than 50% of the Net Offer shall be available for allocation on a proportionate basis to QIBs, provided that our Company may in consultation with the BRLM allocate upto 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations (the “**Anchor Investor Portion**”), out of which one third shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Offer Price. 5% of the QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Net Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Net Offer shall be available for allocation to Retail Individual Bidders, in accordance with the SEBI Regulations, subject to valid Bids being received at or above the Offer Price. All potential Bidders may participate in the Offer through an ASBA process by providing details of their respective bank account which will be blocked by the SCSBs. All Bidders are mandatorily required to utilize the ASBA process to participate in the Offer. Under-subscription if any, in any category, except in the QIB Category, would be allowed to be met with spill over from any other category or a combination of categories at the discretion of our Company in consultation with the BRLM and the Designated Stock Exchange.

All Bidders, except Anchor Investors, are mandatorily required to use the ASBA process for participating in the Offer. In accordance with the SEBI ICDR Regulations, QIBs bidding in the QIB Portion and Non-Institutional Bidders bidding in the Non-Institutional Portion are not allowed to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. Retail Individual Bidders can revise their Bids during the Bid/Offer Period and withdraw their Bids until the Bid/ Offer Closing Date. Further, Anchor Investors cannot withdraw their Bids after the Anchor Investor Bid/Offer Period. Allocation to the Anchor Investors will be on a discretionary basis.

Subject to valid Bids being received at or above the Offer Price, allocation to all categories in the Net Offer, shall be made on a proportionate basis, except for Retail Portion where allotment to each Retail Individual Bidders shall not be less than the minimum bid lot, subject to availability of Equity Shares in Retail Portion, and the remaining available Equity Shares, if any, shall be allotted on a proportionate basis. Under – subscription, if any, in any category, would be allowed to be met with spill – over from any other category or a combination of categories at the discretion of our Company in consultation with the Book Running Lead Manager and the Stock Exchange. However, under-subscription, if any, in the QIB Portion will not be allowed to be met with spill over from other categories or a combination of categories.

In terms of SEBI Circular No. CIR/CFD/POLICYCELL/11/2015 dated November 10, 2015 and the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, all the investors (except Anchor Investors) applying in a public Offer shall use only Application Supported by Blocked Amount (ASBA) process for application providing details of the bank account which will be blocked by the Self Certified Syndicate Banks (SCSBs) for the same. Further, pursuant to SEBI Circular No. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 01, 2018, Retail Individual Investors applying in public Offer may use either Application Supported by Blocked Amount (ASBA) facility for making application or also can use UPI as a payment mechanism with Application Supported by Blocked Amount for making application. Additionally, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022, Non-Institutional Bidders with an application size of up to ₹5 lakhs shall use the UPI Mechanism and shall also provide their UPI ID in the Bid cum Application Form submitted with Syndicate Member, Registered Brokers, Collecting Depository Participants and Registrar and Share Transfer Agents. Anchor Investors are not permitted to participate in the Offer through the ASBA process. For details in this regards, specific attention are invited to the section titled “*Offer Procedure*” beginning on page 329 of the Draft Red Herring Prospectus.

The process of Book Building under the SEBI ICDR Regulations is subject to change from time to time and the investors are advised to make their own judgment about investment through this process prior to making a Bid or application in the Offer.

For further details on the method and procedure for Bidding, please see section titled “*Offer Procedure*” on page 329 of this Draft Red Herring Prospectus

Illustration of the Book Building and Price Discovery Process: Bidders should note that this example is solely for illustrative purposes and is not specific to the Offer; it also excludes Bidding by Anchor Investors. Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹20 to ₹ 24 per share, Offer size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the Issuer at various prices and is collated from Bids received from various investors.

Bid Quantity	Bid Amount (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1000	23	1500	50.00%
1500	22	3000	100.00%
2000	21	5000	166.67%
2500	20	7500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Issuer is able to Offer the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹ 22.00 in the above example. The Issuer, in consultation with the BRLM, may finalise the Offer Price at or below such Cut-Off Price, i.e., at or below ₹ 22.00. All Bids at or above this Offer Price and cut-off Bids are valid Bids and are considered for allocation in the respective categories.

Steps to be taken by the Bidders for Bidding:

- Check eligibility for making a Bid (see section titled “Offer Procedure” on page 291 of this Draft Red Herring Prospectus);
- Ensure that you have a demat account and the demat account details are correctly mentioned in the Bid cum Application Form;
- Ensure correctness of your PAN, DP ID and Client ID mentioned in the Bid cum Application Form. Based on these parameters, the Registrar to the Offer will obtain the Demographic Details of the Bidders from the Depositories.
- Except for Bids on behalf of the Central or State Government officials, residents of Sikkim and the officials appointed by the courts, who may be exempt from specifying their PAN for transacting in the securities market, for Bids of all values ensure that you have mentioned your PAN allotted under the Income Tax Act in the Bid cum Application Form. The exemption for Central or State Governments and officials appointed by the courts and for investors residing in Sikkim is subject to the Depository Participant’s verification of the veracity of such claims of the investors by collecting sufficient documentary evidence in support of their claims.
- Ensure that the Bid cum Application Form is duly completed as per instructions given in this Draft Red Herring Prospectus and in the Bid cum Application Form

BID/OFFER PROGRAMME

An indicative timetable in respect of the Offer is set out below:

EVENT	INDICATIVE DATE
Bid/Offer Opening Date ⁽¹⁾	[•]
Bid/Offer Closing Date	[•]
Finalization of Basis of Allotment with the Designated Stock Exchange	[•]
Initiation of Allotment/ Refunds / Unblocking of Funds from ASBA Account or UPI ID linked bank account	[•]
Credit of Equity Shares to demat accounts of Allottees	[•]
Commencement of trading of the Equity Shares on the Stock Exchange	[•]

⁽¹⁾ Our Company in consultation with the Book Running Lead Manager may consider participation by Anchor Investors in accordance with the SEBI ICDR Regulations. The Anchor Investor Bid/ Offer Period shall be one Working Day prior to the Bid/ Offer Opening Date in accordance with the SEBI ICDR Regulations.

The above timetable is indicative and does not constitute any obligation on our Company or the Book Running Lead Manager. Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchange are taken within 6 Working Days of the Bid/ Offer Closing Date, the timetable may change due to various factors, such as extension of the Bid/ Offer Period by our Company, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchange. The Commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws.

Bid Cum Application Forms and any revisions to the same will be accepted only between 10.00 A.M. to 5.00 P.M. (IST) during the Offer Period (except for the Bid/ Offer Closing Date). On the Bid/ Offer Closing Date, the Bid Cum Application Forms will be accepted only between 10.00 A.M. to 3.00 P.M. (IST) for retail and non-retail Bidders. The time for applying for Retail Individual Applicant on Bid/Offer Closing Date maybe extended in consultation with the BRLM, RTA and BSE SME taking into account the total number of applications received up to the closure of timings.

Due to the limitation of time available for uploading the Bid Cum Application Forms on the Bid/Offer Closing Date, Bidders are advised to submit their applications one (1) day prior to the Bid/ Offer Closing Date and, in any case, not later than 3.00 P.M. (IST) on the Bid/ Offer Closing Date. Any time mentioned in this Draft Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bid Cum Application Forms are received on the Bid/Offer Closing Date, as

is typically experienced in public Offer, some Bid Cum Application Forms may not get uploaded due to the lack of sufficient time. Such Bid Cum Application Forms that cannot be uploaded will not be considered for allocation under this Offer. Applications will be accepted only on Working Days, i.e., Monday to Friday (excluding any public holidays). Neither our Company nor the BRLM is liable for any failure in uploading the Bid Cum Application Forms due to faults in any software/hardware system or otherwise.

In accordance with SEBI ICDR Regulations, QIBs and Non-Institutional Applicants are not allowed to withdraw or lower the size of their Application (in terms of the quantity of the Equity Shares or the Application amount) at any stage. Retail Individual Applicants can revise or withdraw their Bid Cum Application Forms prior to the Bid/ Offer Closing Date. Allocation to Retail Individual Applicants, in this Offer will be on a proportionate basis

In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Bid Cum Application Form, for a particular Applicant, the details as per the file received from Stock Exchange may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Bid Cum Application Form, for a particular ASBA Applicant, the Registrar to the Offer shall ask the relevant SCSBs/ RTAs / DPs / stock brokers, as the case may be, for the rectified data.

Any Equity Shares allotted to Market Maker under this Offer over and above 25% of Offer Size would not be taken in to consideration of computing the threshold of 25% of Offer Size. As soon as the Shares of Market Maker in our Company reduces to 24% of Offer Size, the Market Maker will resume providing 2 way quotes.
- (vi) There shall be no exemption/ threshold on downside. However, in the event the Market Maker exhausts his inventory through market making process, BSE may intimate the same to SEBI after due verification.
- (vii) Execution of the order at the quoted price and quantity must be guaranteed by the Market Maker(s), for the quotes given by him.
- (viii) There would not be more than five Market Makers for a scrip at any point of time and the Market Makers may compete with other Market Makers for better quotes to the investors.
- (ix) On the first day of the listing, there will be pre-opening session (call auction) and there after the trading will happen as per the equity market hours. The circuits will apply from the first day of the listing on the discovered price during the pre-open call auction.
- (x) The Market maker may also be present in the opening call auction, but there is no obligation on him to do so.
- (xi) There will be special circumstances under which the Market Maker may be allowed to withdraw temporarily/fully from the market – for instance due to system problems, any other problems. All controllable reasons require prior approval from the Exchange, while force-majeure will be applicable for non-controllable reasons. The decision of the Exchange for deciding controllable and non-controllable reasons would be final.
- (xii) The Market Maker(s) shall have the right to terminate said arrangement by giving a 3 (three) months' notice or on mutually acceptable terms to the Merchant Banker, who shall then be responsible to appoint a replacement Market Maker(s) and execute a fresh arrangement. In case of termination of the above mentioned Market Making agreement prior to the completion of the compulsory Market Making period, it shall be the responsibility of the BRLM to arrange for another Market Maker in replacement during the term of the notice period being served by the Market Maker but prior to the date of releasing the existing Market Maker from its duties in order to ensure compliance with the requirements of regulation 261 of the SEBI ICDR Regulations, as amended. Further our Company and the BRLM reserve the right to appoint other Market Makers either as a replacement of the current Market Maker or as an additional Market Maker subject to the total number of Designated Market Makers does not exceed five or as specified by the relevant laws and regulations applicable at that particulars point of time. The Market Making Agreement is available for inspection at our office from 10.00 A.M. to 5.00 P.M. on working days.
- (xiii) **Risk containment measures and monitoring for Market Makers:** BSE SME will have all margins, which are applicable on BSE main board viz., Mark-to-Market, Value-At-Risk (VAR) Margin, Extreme Loss Margin, Special Margins and Base Minimum Capital etc. BSE can impose any other margins as deemed necessary from time-to-time.

(xiv) **Punitive Action in case of default by Market Makers:** BSE SME will monitor the obligations on a real time basis and punitive action will be initiated for any exceptions and/or non-compliances. Penalties/ fines may be imposed by the Exchange on the Market Maker, in case he is not able to provide the desired liquidity in a particular security as per the specified guidelines. These penalties/ fines will be set by the Exchange from time to time. The Exchange will impose a penalty on the Market Maker in case he is not present in the market (offering two way quotes) for at least 75% of the time. The nature of the penalty will be monetary as well as suspension in market making activities/ trading membership. The Department of Surveillance and Supervision of the Exchange would decide and publish the penalties/ fines/ suspension for any type of misconduct/ manipulation/ other irregularities by the Market Maker from time to time.

(xv) **Price Band and Spreads:** The price band shall be 20% and the market maker spread (difference between the sell and the buy quote) shall be within 10% or as intimated by Exchange from time to time.

(xvi) Pursuant to SEBI Circular number CIR/MRD/DSA/31/2012 dated November 27, 2012, limits on the upper side for market makers during market making process has been made applicable, based on the Offer size and as follows:

Offer Size	Buy quote exemption threshold (including mandatory initial inventory of 5% of the Offer Size)	Re-Entry threshold for buy quote (including mandatory initial inventory of 5% of the Offer Size)
Up to ₹ 20 Crore	25%	24%
₹ 20 Crore to ₹ 50 Crore	20%	19%
₹ 50 Crore to ₹ 80 Crore	15%	14%
Above ₹ 80 Crore	12%	11%

The SEBI Circular bearing reference no: CIR/MRD/DP/ 02/2012 dated January 20, 2012, has laid down that for offer size up to ₹ 250 crores, the applicable price bands for the first day shall be:

- In case equilibrium price is discovered in the Call Auction, the price band in the normal trading session shall be 5% of the equilibrium price.
- In case equilibrium price is not discovered in the Call Auction, the price band in the normal trading session shall be 5% of the Offer price.

Additionally, the securities of the Company will be placed in SPOS and would remain in Trade for Trade settlement for first 10 days from commencement of trading. The following spread will be applicable on the SME platform.

No.	Market Price Slab (In ₹)	Proposed Spread (in % to Sale price)
1	Up to 50	9
2	50 to 75	8
3	75 to 100	6
4	Above 100	5

All the above mentioned conditions and systems regarding the Market Making Arrangement are subject to change based on changes or additional regulations and guidelines from SEBI and Stock Exchange from time to time.

#The percentage of Pre-Offer capital has been calculated after taking the effect of sub-division of equity shares of face value of ₹10/- each into equity shares of face value of ₹5/- each on the cumulative equity shares held.

^ Pursuant to resolutions passed by the Board of Directors on June 29, 2024 and Shareholders on July 08, 2024, the issued, subscribed and paid-up equity share capital of our Company was sub-divided from 73,82,083 equity shares of face value of ₹ 10/- each to 1,47,64,166 equity shares of face value of ₹ 5/- each. Accordingly, 54,60,142 equity shares of face value of ₹10/- each held by Mr. Keyur Girishchandra Shah were sub-divided into 1,09,20,284 Equity Shares of face value of ₹5/- each.

Our Promoter has confirmed to our Company and the Book Running Lead Manager that the Equity Shares held by our Promoter have been financed from their owned funds and no loans or financial assistance from any bank or financial institution has been availed of by them for such purpose.

(ii) Details of Promoters' contribution locked in for 3 years:

Pursuant to Regulation 236 and Regulation 238 of SEBI ICDR Regulations, an aggregate of 20% of the fully diluted post-Offer Equity Share capital of our Company held by our Promoter shall be considered as minimum Promoter's contribution ("**Minimum Promoters' Contribution**") and shall be locked-in for a period of 3 years from the date of allotment of Equity shares issued pursuant to this Offer. Promoters' shareholding in excess of 20% of the fully diluted post-Offer Equity Share capital shall be locked in for a period of one year from the date of Allotment. The lock-in of the Minimum Promoter's Contribution would be created as per applicable law and procedure and details of the same shall also be provided to the Designated Stock Exchange before listing of the Equity Shares.

The Equity Shares of our Company held by our Promoter and the Promoter Group are in dematerialized form. Our Promoter has consented to the inclusion of such number of the Equity Shares held by him, in aggregate, as may constitute 20% of the post-Offer capital of our Company as Promoters' contribution and the Equity Shares proposed to form part of Promoters' contribution subject to lock-in shall not be disposed of/ sold/ transferred/ pledged or otherwise disposed of in any manner by our Promoter during the period starting from the date of filing this Draft Red Herring Prospectus with the Stock Exchange until the date of commencement of the lock-in period.

Accordingly, Equity Shares aggregating to 20% of the post-Offer capital of our Company, held by our Promoter shall be locked-in for a period of 3 years from the date of Allotment in the Offer as follows:

Name of the Promoter	Number of Equity Shares locked-in	Date of allotment of Equity Shares / Date of Transfer of Equity Shares	Nature of allotment	Face Value per Equity Share (₹)	Issue/ Acquisition/ Transfer Price (₹)	% of pre- Offer shareholding	% of post- Offer shareholding	Date up to which Equity Shares are subject to lock-in
Mr. Keyur Girishchandra Shah	[•]	[•]	[•]	[•]	[•]	[•]	[•]	[•]
TOTAL	[•]	[•]	[•]	[•]	[•]	[•]	[•]	[•]

The minimum Promoter's contribution has been brought in to the extent of not less than the specified minimum lot and from the persons defined as promoter' under the SEBI ICDR Regulations.

The Equity Shares that are being locked in are not ineligible for computation of Promoter's contribution in terms of Regulation 237 of the SEBI ICDR Regulations. In connection, our Company hereby confirms that the Equity Shares locked-in do not consist of:

- Equity Shares acquired during the preceding 3 years from the date of filing this Draft Red Herring Prospectus for consideration other than cash and revaluation of assets or capitalization of intangible assets nor resulted from a bonus shares issued out of revaluations reserves or unrealized profits of our Company or bonus issue against Equity Shares which are otherwise ineligible for computation of Promoter's Contribution;
- Equity Shares acquired during the preceding 1 year from the date of filing this Draft Red Herring Prospectus, at a price lower than the price at which the Equity Shares are being offered to the public in the Offer;
- Our Company has not been formed by the conversion of one or more partnership firms or a limited liability partnership firm;
- Equity Shares held by our Promoter and offered for minimum Promoter' contribution which are subject to any pledge; and
- Equity Shares for which specific written consent has not been obtained from the Promoter for inclusion of their subscription in the Promoter' Contribution subject to lock-in.

(iii) Details of Equity Shares locked-in for 1 year

In terms of Regulation 238 (b) and 239 of the SEBI ICDR Regulations other than the Equity Shares held by our Promoter for the Minimum Promoter's Contribution, which will be locked-in as minimum Promoter' contribution for 3 years, all the pre-Offer Equity Shares shall be subject to lock-in for a period of 1 year from the date of Allotment.

(iv) Other requirements in respect of lock-in

a) Inscription or recording of non-transferability:

In terms of Regulation 241 of the SEBI ICDR Regulations, our Company shall ensure that the lock in is recorded by the Depositories for pre-IPO Equity Shares which are in dematerialized form.

b) Pledge of Locked-in Equity Shares:

Pursuant to Regulation 242 of the SEBI ICDR Regulations, the locked-in Equity Shares held by our Promoter, can be pledged with any scheduled commercial banks or public financial institutions or a systemically important non-banking finance company or a housing finance company as a collateral security for loans granted by them, provided that:

- If the Equity Shares are locked-in in terms of clause (a) of Regulation 238, the loan has been granted to the Issuer for the purpose of financing one or more of the objects of the Offer and pledge of Equity Shares is one of the terms of sanction of the loan;
- If the Equity Shares are locked-in in terms of clause (b) of Regulation 238 and the pledge of specified securities is one of the terms of sanction of the loan.

Provided that such lock-in shall continue pursuant to the invocation of the pledge and such transferee shall not be eligible to transfer the Equity Shares till the lock-in period stipulated in these Regulations has expired.

c) Transfer of Locked-in Equity Shares:

In terms of Regulation 243 of the SEBI ICDR Regulations, the Equity Shares held by our Promoter which are locked-in as per the provisions of Regulation 238 of the SEBI ICDR Regulations, may be transferred to and amongst persons/ members of the Promoter Group or to a new promoter or persons in control of our Company, subject to continuation of lock-in in the hands of transferees for the remaining period and compliance of SEBI SAST Regulations, as applicable.

In terms of Regulation 243 of the SEBI ICDR Regulations, the Equity Shares held by persons other than our Promoter and Promoter Group prior to the Offer may be transferred to any other person holding the Equity Shares which are locked-in as per Regulation 239 of the SEBI ICDR Regulations, subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with the SEBI SAST Regulations, as applicable.

20. There have been no financing arrangements whereby our Promoter, Promoter Group, our Directors or their relatives have financed the purchase by any other person of securities of our Company other than in the normal course of the business of any such entity / individual or otherwise, during the period of 6 months immediately preceding the date of filing of this Draft Red Herring Prospectus.
21. Our Company, our Promoter, our Directors and the Book Running Lead Manager have not entered into any buy-back or standby or similar arrangements for the purchase of Equity Shares being offered through the Offer from any person.
22. All securities offered through the Offer shall be made fully paid-up, if applicable, or may be forfeited for non-payment of calls within twelve months from the date of allotment of Equity Shares.
23. An over-subscription to the extent of 10% of the Net Offer can be retained for the purpose of rounding off to the nearest integer during finalizing the Allotment subject to minimum Allotment, which is the minimum application size. Consequently, the actual Allotment may go up by a maximum of 10% of the Net Offer, as a result of which, the post- Offer paid-up capital after the Offer would also increase by the excess amount of Allotment so made. In such an event, the Equity Shares held by our Promoter and subject to lock-in shall be suitably increased; so as to ensure that a minimum of 20% of the post-Offer paid-up capital is locked in.
24. The Book Running Lead Manager and their associates may engage in the transactions with and perform services for our Company in the ordinary course of business or may in the future engage in commercial banking and investment banking transactions with our Company for which they may in the future receive customary compensation.
25. Investors may note that in case of over-subscription, Allotment will be on proportionate basis as detailed under section titled '*Basis of Allotment*' in the section titled '*Offer Procedure*' beginning on page 329 of this Draft Red Herring Prospectus. In case of over-subscription in all categories the allocation in the Offer shall be as per the requirements of Regulation 253(2) of SEBI ICDR Regulations.
26. There are no outstanding convertible securities or any other right which would entitle any person any option to receive Equity Shares, as on the date of this Draft Red Herring Prospectus.
27. All the Equity Shares of our Company are fully paid-up and there are no partly paid-up Equity Shares as on the date of filing of this Draft Red Herring Prospectus. Further, since the entire Offer Price in respect of the Offer is payable on Application, all the successful Applicants will be issued fully paid-up Equity Shares and thus all Equity Shares offered through this Offer shall be fully paid-up.
28. As per RBI regulations, OCBs are not allowed to participate in this Offer.
29. As on the date of the Draft Red Herring Prospectus, we have not raised any bridge loans which are proposed to be repaid from the Net Proceeds.
30. Our Company undertakes that at any given time, there shall be only one denomination for our Equity Shares, unless otherwise permitted by law.

31. Our Company shall comply with such accounting and disclosure norms as specified by BSE, SEBI and other regulatory authorities from time to time.
32. An Applicant cannot make an Application for more than the number of Equity Shares being issued through this Offer, subject to the maximum limit of investment prescribed under relevant laws applicable to each category of investors.
33. Our Company, Directors, Promoter or members of our Promoter Group shall not make any payments, direct or indirect, discounts, commissions, allowances or otherwise under this Offer except as disclosed in this Draft Red Herring Prospectus.
34. We have 33 (Thirty-Three) Shareholders as on the date of filing of the Draft Red Herring Prospectus
35. Our Promoter and the members of our Promoter Group will not participate in this Offer, other than to the extent of the Promoter Selling Shareholder participating in the Offer for Sale in his capacity as a 'selling shareholder'.
36. Our Company has not made any public issue since its incorporation and has not made any rights issue of any kind or class of securities since its incorporation.
37. Our Company has not revalued its assets since its incorporation.
38. This Offer is being made through the Book Building Method.
39. As on date of this Draft Red Herring Prospectus, there are no outstanding financial instruments or any other rights, that would entitle the existing Promoter or Shareholders or any other person, any option to receive Equity Shares after the Offer.
40. Our Company shall ensure that transactions in the Equity Shares by our Promoter and the Promoter Group between the date of filing this Draft Red Herring Prospectus and the Offer Closing Date shall be reported to the Designated Stock Exchange within 24 hours of such transaction.
41. For the details of transactions by our Company with our Promoter Group during the Financial Years ended March 31, 2024, 2023, and 2022, please refer to the paragraph titled '*Related Party Transactions*' in the section titled '*Financial Information*' beginning on page 236 of this Draft Red Herring Prospectus. None of our Directors or Key Managerial Personnel holds Equity Shares in our Company, except as stated in the section titled '*Our Management*' beginning on page 206 of the Draft Red Herring Prospectus.

SECTION VII: PARTICULARS OF THE OFFER

OBJECTS OF THE OFFER

The Offer comprises of a Fresh Issue of up to 64,40,000 Equity Shares of face value of ₹ 5/- each aggregating up to ₹ [●] lakhs and an Offer for Sale of up to 11,36,000 Equity Shares of face value of ₹ 5/- each aggregating up to ₹ [●] lakhs. The total Offer size will be ₹ [●] lakhs. For details, please refer section titled “*The Offer*” on page 65

FRESH ISSUE

The Offer comprises a Fresh Issue of up to 64,40,000 Equity Shares of face value of ₹5/- each aggregating up to ₹ [●] Lakhs by our Company.

OFFER FOR SALE

The Offer comprises of an Offer for Sale of up to 11,36,000 Equity Shares of face value of ₹ 5/- each aggregating to ₹ [●] Lakhs by the Promoter Selling Shareholder. The details of the Offer for Sale are set out below:

Name of the Promoter Selling Shareholder*	Number of Equity Shares offered in the Offer for Sale	Aggregate amount of Offer for Sale (in ₹ Lakhs)	Date of consent letter
Keyur Girishchandra Shah	upto 11,36,000	upto [●]	October 14, 2024

**The Promoter Selling shareholder has confirmed and authorized his participation in the Offer for Sale in relation to the Offered Shares. The Promoter Selling Shareholder confirms that the Offered Shares have been held by him for a period of at least one year prior to the filing of this Draft Red Herring Prospectus in accordance with the SEBI ICDR Regulations.*

The Promoter Selling Shareholder will be entitled to his portion of the proceeds from the Offer for Sale after deducting proportionate Offer related expenses and relevant taxes thereon. The proceeds of the Offer for Sale shall be received by the Promoter Selling Shareholder and will not form part of the Net Proceeds. Our Company will not receive any proceeds received from the Offer for Sale. Except for the listing fees which shall be solely borne by our Company, all Offer related expenses will be shared, upon successful completion of the Offer, between our Company and the Promoter Selling Shareholder on a pro-rata basis, in proportion to the Equity Shares issued and allotted by our Company in the Fresh Offer and the Equity Shares offered by the Promoter Selling Shareholder in the Offer for Sale. For further details of the Offer for Sale, please refer section titled “*The Offer*” beginning on page 65

OBJECTS OF THE FRESH ISSUE

The Net Proceeds of the Fresh Issue, i.e. Gross Proceeds of the Fresh Issue less Issue expenses apportioned to our Company (“**Net Proceeds**”) are proposed to be utilised for the following objects:

1. Setting up a new factory to manufacture Resin Impregnated Paper (RIP) / Resin Impregnated Synthetic (RIS) transformer condenser graded bushings
2. General Corporate Purposes

(Collectively referred to herein as the “**Objects**”)

Proceeds of the Issue

The following table sets forth the details of the Net Proceeds:

(₹ in Lakhs)

Particulars	Amount*
Gross Proceeds from the Fresh Issue ⁽¹⁾	[●]
Less: Offer expenses in relation to the Fresh Issue to be borne by our Company ⁽²⁾	[●]
Net Proceeds ⁽¹⁾	[●]

⁽¹⁾ To be finalized upon determination of the Offer Price and updated in the Prospectus prior to filing with RoC

⁽²⁾ The Offer related expenses shall vary depending upon the final offer size and the allotment of Equity Shares. For further details, please refer to heading titled 'Estimated Offer Related Expenses' of this section title 'Objects of the Offer' of the DRHP.

Utilization of Net Proceeds

The Net Proceeds are proposed to be used in the manner set out in the following table:

(₹ in Lakhs)

Sr No	Particulars	Estimated Amount
3.	Setting up a new factory to manufacture RIP/RIS transformer condenser graded bushings ⁽¹⁾	7,321.56
4.	General Corporate Purposes ⁽²⁾	[●]
	Total (Net Proceeds)	[●]

⁽¹⁾ Total estimated cost is based on the Cost Assessment Report dated October 14, 2024 issued by Chintan Kishorbhai Vaidya, an independent chartered engineer

⁽²⁾ Subject to finalisation of the Basis of Allotment. The amount utilized for general corporate purpose shall not exceed 25% of the gross proceeds of the Issue

In addition to the aforementioned Objects, our Company expects to receive the benefits of listing of the Equity Shares on the SME Platform of BSE Limited, including among things, the enhancement of our Company's brand name and creation of a public market in India for our Equity shares.

The main objects and objects incidental and ancillary to the main objects clause of our Memorandum of Association enable our Company to: (i) undertake the existing business activities; and (ii) undertake the activities proposed to be funded from the Net Proceeds. Further, we confirm that the activities which we have been carrying out till date are in accordance with the objects clause of our Memorandum of Association.

Proposed Schedule of Implementation and Deployment of Net Proceeds

We propose to deploy the Net Proceeds towards the Objects in accordance with the estimated schedule of implementation and deployment of funds set forth in the table below:

(₹ in Lakhs)

Objects	Amount to be funded from Net Proceeds	Amount to be deployed from the Net Proceeds in Fiscal 2025	Amount to be deployed from the Net Proceeds in Fiscal 2026
Setting up a new factory to manufacture RIP transformer condenser graded bushings	7,321.56 ⁽¹⁾	2,812.17	4,509.39
General Corporate Purposes ⁽²⁾	[●]	[●]	[●]
Total	[●]	[●]	[●]

⁽¹⁾ Represents total cost based on the Cost Assessment Report dated October 14, 2024 issued by Chintan Kishorbhai Vaidya, an independent chartered engineer minus cost incurred by Company till date

⁽²⁾ Subject to finalisation of the Basis of Allotment. The amount utilized for general corporate purpose shall not exceed 25% of the gross proceeds of the Issue.

The fund requirement, the proposed schedule of implementation and the intended use of the Net Proceeds as set-out above are based on our current business plans, management estimates of future growth projections, vendor quotations, current circumstances of our business and prevailing market conditions, which are subject to change. Further, the fund requirement and proposed deployment of funds described herein have not been appraised by any bank or financial institution. For details, please refer section titled "Risk Factor No. 1—"We intend to utilize a portion of the Net proceeds for setting up the Proposed Manufacturing Facility at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat. We are yet to place orders for plant, machinery and equipment and apply for requisite government approvals for the Proposed Manufacturing Facility. If we are unable to commission our Proposed Manufacturing Facility without time and cost overruns or unable to adhere to the schedule of implementation, it may adversely affect our business, results of operations and financial conditions." on page 39.

57. We may have to revise our funding requirements and deployment from time to time on account of various factors, such as, financial and market conditions, competition, business and strategy, negotiation with lenders and our vendors, interest/exchange rate fluctuations and other external factors, which may not be within the control of our management. This may entail rescheduling or revising the proposed utilisation of the Net Proceeds and changing the allocation of funds from its planned allocation including the expenditure for a particular purpose at the discretion of our management, subject to compliance with applicable law. For details, please refer, section titled “*Risk Factor2 - “There can be no assurance that the Objects of the Issue will be achieved within the time frame anticipated or at all, or that the deployment of the Net Proceeds in the manner intended by us will result in any increase in the value of your investment. Further, the plan for deployment of the Net Proceeds has not been appraised by any bank or financial institution.”*” on page 41

We propose to deploy the entire Net Proceeds towards the Objects during Fiscal 2025 and 2026. However, if the Net Proceeds are not completely utilised for the objects stated above by the end of the above-mentioned period, such amounts will be utilised (in part or full) in subsequent periods, as determined by us, in accordance with applicable law.

Means of Finance

We intend to finance the Objects from the Net Proceeds and Internal Accruals. Accordingly, we confirm that we are in compliance with the requirements prescribed under Paragraph 9(C)(1) of Part A of Schedule VIII and Regulation 7(1)(e) of the SEBI ICDR Regulations and there is no requirement for us to make firm arrangements of finance through verifiable means towards 75% of the stated means of finance, excluding the amount to be raised through the Issue and existing internal accruals. In case of shortfall in the Net Proceeds or any increase in the actual utilisation of funds earmarked for the Objects, our Company may explore a range of options including utilising our internal accruals and/ or availing further borrowings. Further, if the actual utilisation towards any of the objects is lower than the proposed deployment, such balance will be used for funding other objects as mentioned above or towards general corporate purposes to the extent that the total amount to be utilised towards general corporate purposes will not exceed 25% of the Gross Proceeds from the Fresh Issue in accordance with the SEBI ICDR Regulations.

Details of the Objects of the Offer

I. Setting up a new factory to manufacture RIP/RIS transformer condenser graded bushings

Our Company is engaged in the business of manufacturing high voltage and high-current transformer bushings particularly RIP (Resin Impregnated Paper)/RIS (Resin Impregnated Synthetic) Condenser Bushings, High Current Bushings and OIP (Oil Impregnated Paper) Condenser Bushings.

In India, a transition from OIP to RIP and Epoxy Resin bushings is being witnessed, reflecting upon the need for more robust, maintenance-free, and environmentally resistant solutions. OIP bushings have seen the wider adoption historically due to their proven reliability and suitability for high voltage applications. However, the market is transitioning to RIP bushings upon their introduction, due to their solid insulation system, eliminating the risks associated with oil. RIP bushings offer improved safety and reliability, aligning with increasing environmental regulations that discourage the use of oil. A similar trend is being witnessed across other countries as utilities prioritize reliability and safety in power transmission, the trend towards more advanced insulation technologies like RIP will grow. (Source: Industry Report from Ken Research Private Limited)

The Company is proposing to set up a new factory in Vadodara, Gujarat to manufacture RIP/RIS transformer condenser graded bushings to take advantage of the opportunities mentioned in the above paragraph.

The total estimated cost for setting up the factory is ₹ 8,345.17 lakhs. This has been estimated by our management and approved by our Board of Directors pursuant to its meeting dated October 14, 2024 and quotations / agreements / purchase orders received from third party suppliers / service providers. These quotations / agreements / purchase orders have been certified through a Cost Assessment Report dated October 14, 2024 issued by Chintan Kishorbhai Vaidya.

The itemised list of estimated spends towards the setup is as follows:

(₹ in Lakhs)

Sr No.	Objects of the Issue	Total Estimated Cost ⁽¹⁾	Amount Deployed from internal accruals and borrowings ⁽²⁾	Amount to be financed from Net Proceeds	Estimated Net Proceeds Utilization

⁽¹⁾ Total estimated cost is based on the Cost Assessment Report dated October 14, 2024 issued by Chintan Kishorbhai Vaidya

⁽²⁾ As certified by the Auditors of our Company, viz. M/s. Shah Mehta & Bakshi, Chartered Accountants pursuant to their certificate dated October 14, 2024

A. Land

The Company is proposing to build a factory for the manufacture of RIP condenser graded bushings. To meet this objective, the Company has entered into a binding sale deed dated July 1, 2024 with Hamraz Food Products Private Limited for the land situated at Plot 32-A, Suncity Industrial Park, Savli, Vadodara, Gujarat.

The break-up of the cost of land is given below:

(₹ in Lakhs)

Particulars	Plot Size (sq. ft.)	Rate per sq. ft (₹)	Total Cost	GST @ 18%	Grand Total	Amount paid till date	Amount to be financed from Net Proceeds
	A	B	C=A*B	D=C*18%	E=C+D	F	G=E-F
Base Consideration	1,40,524	530	744.78	-	744.78	372.39	372.39
Development Charge	1,40,524	70	98.37	17.71	116.07	58.03	58.03
Initial Maintenance Charge	1,40,524	20	28.10	-	28.10	14.05	14.05
Registration and Stamp Duty					43.96	43.96	
Total					932.91	488.43	444.48

The Company proposes to use ₹ 444.48 lakhs from the Net Proceeds in Fiscal 2025 to clear the outstanding dues towards the land purchased.

B. Construction of Factory Building

The Land will be utilized to construct a factory building having approximately 85,000 sq. ft. build up area. The total amount that the Company proposes to invest in the construction of factory building is ₹ 2,257.05 lakhs, out of which the entire amount is intended to be funded from the Net Proceeds.

The details given below is taken from Cost Assessment Report dated October 14, 2024 issued by Chintan Kishorbhai Vaidya.

D. Construction of Extra High Voltage (EHV) Testing Lab

As part of this project, our Company is looking to set up a EHV Testing Lab at a total cost of around ₹ 780.32 lakhs, out of which the entire amount is intended to be funded from the Net Proceeds.

The EHV lab will confer the following benefits to the Company:

1. High Voltage Testing

- Dielectric Strength: EHV labs are equipped to test bushings at voltages far above their operating levels to verify their dielectric strength. This ensures that the bushing can withstand surges, lightning strikes, and other voltage spikes without breaking down.
 - Partial Discharge (PD) Testing: Detecting partial discharge is crucial for identifying any potential insulation weaknesses or defects in bushings. PD tests help ensure long-term performance and safety by identifying risks of breakdown at the early stages.
 - Power Frequency Withstand Test: This test is conducted in an EHV lab to ensure that the bushing can handle sustained high voltage over a longer period without failure.
2. Validation of Design and Material Performance
- Material Compatibility: EHV labs help assess the performance of insulating materials used in the bushing, ensuring that they can handle the high electric stress and environmental conditions. This is important for maintaining insulation integrity and avoiding premature failures.
 - Thermal Performance: The lab helps evaluate the heat resistance of bushings, ensuring that they don't overheat during operation, which can lead to material degradation.
3. Testing Under Realistic Field Conditions
- Impulse Testing: EHV labs simulate the conditions that bushings may face in actual service environments, such as lightning impulses or switching surges. Impulse tests validate the bushing's ability to withstand such transient conditions.
 - Capacitance and Dissipation Factor (Tan δ) Measurement: This test measures the effectiveness of the bushing's insulation over time. An EHV lab helps measure these factors accurately, ensuring that the insulation is reliable throughout its lifecycle.
4. Regulatory Compliance and Certification
- Many countries and industries require bushings to meet specific international standards, such as IEC or IEEE standards. EHV labs ensure compliance with these regulations, providing certifications necessary for the bushings to be used in critical infrastructure projects.
5. R&D and Innovation
- EHV labs are vital for research and development. They will allow us to experiment with new materials, designs, and technologies under extreme conditions, leading to the creation of more robust, efficient, and reliable bushings.
6. Quality Assurance and Failure Analysis
- EHV labs will help us to conduct routine tests on production samples to ensure consistency and quality control. If failures occur, the lab helps in the analysis of the root cause, enabling improvements in design and manufacturing processes.

E. Project Management Consultancy

Our Company has entered into a Memorandum of Understanding on February 10, 2024 with Affinitas AG, Switzerland for project management consultancy involving sharing of knowledge for the design, manufacturing process and technology related to RIP and RIS condenser graded bushings [upto 420 kV].

The expected duration of the project management consultancy will be around 24-36 months. The expected maximum cost will be CHF 500,000 which is approximately ₹ 493.85 lakhs (Fx rate used for conversion is CHF 1 = ₹98.77. This is taken from www.xe.com on September 19, 2024). The Company has already incurred ₹263.25 lakhs till date, the balance of ₹ 230.59 lakhs is expected to be funded from the Net Proceeds.

The scope of work involves the following key activities

1. Project Start

- General Specification regarding RIP and RIS main equipment, capex investment, vendor analysis, factory layout as well as defining the skill sets of people required
- Assistance for machine criteria specification and RFQ formulation
- Visiting suppliers for clarification, production control
- Assistance for production flow arrangement and factory layout

2. Sharing of Knowledge
 - Sharing of knowhow for the calculation, design, manufacturing and master the process of RIP / RIS bushings
 - Handout information of needed materials, technical specification and key supplier list
 - Processing instructions and manuals regarding mould preparation, machining, pre-testing, assembling, long duration aging test, packing, transportation etc
 - Troubleshooting – instruction in case of process deviation and / or failures
3. Redesigning Company's existing oil-air bushings
4. Training Programmes – for new employees to ensure they are familiar with new equipment, processes and procedures.
5. Site Training Plan
 - Training of project manager and group team leader
 - Verification of instruction manuals and checklist
 - Briefing / troubleshooting
6. Completion
 - Create formal project completion documentation
 - Implementation of a system for continuous monitoring of production process of RIP / RIS bushings
 - Identify and resolve issues as they arise

We have not entered into any definitive agreement with any of the suppliers except if explicitly mentioned under the sections “Land”, “Plant & Machinery” and “Project Management Consultancy” and there can be no assurance that the same suppliers will be engaged eventually for the respective works at the same costs. The quantities and related costs will be based on the actual requirements and management estimates. Our Company shall have the flexibility to conduct such works / avail services according to the business requirements, which are dynamic, which may evolve with the passage of time and based on the estimates of our management.

Our Promoter, Directors, Key Management Personnel or Group Entities have no interest in the proposed works, as stated above.

In the event there is a shortfall of funds required for setting up the new factory, such shortfall shall be met out of the amounts allocated for general corporate purposes and / or through internal accruals or borrowing from financial institutions.

II. GENERAL CORPORATE EXPENSES

We propose to deploy the balance Net Proceeds aggregating to ₹ [●] Lakhs towards general corporate purposes, subject to such utilisation not exceeding 25% of the Gross Proceeds from the Fresh Issue, in compliance with Regulation 230 (2) of the SEBI ICDR Regulations. The general corporate purposes for which we propose to utilize the Net Proceeds includes meeting day to day expenses which includes amongst other things, short-term working capital requirements, meeting any expense of the Company, including meeting any shortfall in setting up the new factory, salaries and wages, administration, insurance, repairs and maintenance, payment of taxes and duties, servicing of borrowings including payment of interest, brand building and other marketing expenses, meeting expenses incurred in the ordinary course of business and towards any exigencies, and any other purpose as considered expedient and as approved periodically by our Board or a duly constituted committee thereof, subject to compliance with applicable law, including the necessary provisions of the Companies Act.

The quantum of utilisation of funds towards each of the above purposes will be determined by our Board, based on the amount available under this head and our business requirements, from time to time. Our management, in accordance with the policies of our Board, shall have flexibility in utilising surplus amounts, if any.

We confirm that any issue related expenses shall not be considered as a part of General Corporate Purpose. Further in case, if our actual issue expenses turn to be lesser than the estimated issue expenses, such surplus amount shall be utilized for General Corporate Purpose in such a manner that the amount for general corporate purposes, as mentioned in the Draft Red Herring Prospectus, shall not exceed 25% of the amount raised by our Company through this Offer.

Price Band/ Offer Price shall be determined by our Company in consultation with the Book Running Lead Manager on the basis of the assessment of market demand for the Equity Shares through the Book Building Process and on the basis of the qualitative and quantitative factors as described in this section. The face value of the Equity Shares is ₹ 5/- each and the Offer Price is [●] times of the face value at the lower end of the Price Band and [●] times of the face value at the upper end of the Price Band.

For the purpose of making an informed investment decision, the investors should also refer “*Risk Factors*”, “*Our Business*” and “*Restated Financial Statements*” beginning on 39, 167 and 238 respectively of this Draft Red Herring Prospectus

Qualitative Factors:

Some of the qualitative factors and our strengths which form the basis for the Offer Price are:

- Unique positioning in the Indian Transformer Bushing Market
- Strong industry tailwinds will augment demand for bushings product
- Strong track record of supply and installation creates entry barriers for new players
- Long standing and deep relationships with distinguished clientele leading to recurring business
- Advanced infrastructure, manufacturing facility and R&D capabilities
- Stringent quality measures and adherence to quality standards
- Experienced and strong management team and trained workforce

For further details, see “Risk Factors” and “Our Business” on pages 39 and 167, respectively.

Quantitative Factors:

Some of the quantitative factors which may form the basis for computing the Offer Price are as follows:

1. Basic and Diluted Earnings per share (EPS), as adjusted for changes in capital

STATEMENT OF SPECIAL TAX BENEFITS

To
The Board of Directors
Yash Highvoltage Limited
84/1B, PO Khakharia, TA: Savli,
Vadodara 391510 Gujarat

Dear Sir/ Madam,

Ref: Proposed initial public offering of equity shares of face value of ₹ 5/- each (the “Equity Shares”) of Yash Highvoltage Limited (the “Company”/ “the “Issuer”) comprising a fresh issue of the Equity Shares by the Company (the “Fresh Issue”) and an offer for sale of Equity Shares by Promoter Selling Shareholder of the Company (“Offer for Sale” and together with the Fresh Issue, the “Offer”).

Sub: Statement of Special Tax Benefits (‘The Statement’) available to **Yash Highvoltage Limited (“The Company”)** and its shareholders under the Direct and Indirect Tax Laws in India

We hereby report that the enclosed annexure prepared by the management of **Yash Highvoltage Limited**, states the special tax benefits available to the Company and the shareholders of the Company under the Income-Tax Act, 1961, the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017, the Union Territory Goods and Services Tax Act, 2017, respective State Goods and Services Tax Act, 2017 (collectively the “GST Act”) presently in force in India. Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Act. Hence, the ability of the Company or its shareholders to derive the tax benefits is dependent upon fulfilling such conditions which, based on business imperatives which the Company may face in the future, the Company may or may not choose to fulfill.

The benefits discussed in the enclosed Annexure cover only special tax benefits available to the Company and do not cover any general tax benefits available to the Company. Further, the preparation of enclosed statement and the contents stated therein is the responsibility of the Company’s management. We are informed that, this Statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the proposed initial public offering of Equity shares (“the Issue”) by the Company.

We do not express any opinion or provide any assurance as to whether:

- a) The Company or its shareholders will continue to obtain these benefits in future; or
- b) The conditions prescribed for availing the benefits have been/would be met.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company.

Our views are based on facts and assumptions indicated to us and the existing provisions of tax law and its interpretations, which are subject to change or modification from time to time by subsequent legislative, regulatory, administrative, or judicial decisions. Any such changes, which could also be retrospective, could have an effect on the validity of our views stated herein.

We assume no obligation to update this statement on any events subsequent to its issue, which may have a material effect on the discussions herein. This report including enclosed annexure are intended solely for your information and for the inclusion in the Draft Red Herring Prospectus, Red Herring Prospectus and Prospectus or any other issue related material in connection with the proposed initial public offer of the Company and is not to be used, referred to or distributed for any other purpose

without our prior written consent.

OUR INDUSTRY

Unless otherwise indicated, the industry and market data contained in this Draft Red Herring Prospectus is derived from the “Ken Research Report”, which has been commissioned by our Company. We have received the consent to use the extracts from this report vide Consent Letter dated October 04, 2024. Unless otherwise indicated, all financial, operational, industry and other related information derived from the Ken Research Report and included herein with respect to any particular year, refers to such information for the relevant calendar year.

INDUSTRY OVERVIEW

1. Global Economic Landscape

The nominal Gross Domestic Product (GDP) at a global level stood at USD 104.8 Tn in 2023 and witnessed a CAGR of 4.6% between 2019-2023. The same is expected to grow at a CAGR of 4.9% during 2023-2029.

The global economic growth is primarily driven by fiscal and monetary stimulus, stabilized supply chains, increased consumer spending, a rebound in international trade, and renewed business investments in power sector. Moreover, rapidly subsiding inflation rates, and advanced economies easing their fiscal policies is further supporting the economic growth across the world.

Global GDP in USD Trillion (at current prices) and Growth Rate in (%) Outlook, 2019-2029F

Source: World Economic Outlook, 2024 (IMF)

Note: F represents Forecasted figures

Advanced economies are expected to witness moderation in growth rates from 5.5% in 2023 to 4.0% in 2024.

The United States (US) is expected to see GDP growth drop from 6.3% in 2023 to 5.2% in 2024, with weakened consumer spending. Similarly, Japan and European Union are projected to have growth rates of -2.4% and 3.4%, respectively, in 2024. However, emerging economies will showcase promising growth, accelerating from 2.2% in 2023 to 5.2% in 2024. China's growth is expected to rise from -1.1% in 2023 to 4.9% in 2024 due to increased demand, stable prices, employment rates, and improved market confidence.

By 2027, India is projected to become the world's third-largest economy, surpassing Japan and Germany. India has shown resilience to global challenges like COVID-19, geopolitical conflicts, and central bank actions. Despite global inflation, high interest rates, and geopolitical tensions, India remains a significant contributor to world economic growth and is becoming more open through increased foreign trade. This resilience is supported by a stable financial sector, well-capitalized banks, and strong service exports. India's economic growth is expected to outperform other economies due to strong investment activity driven by government capital expenditure and robust private consumption among higher-income earners.

2. Indian Economic Outlook Landscape

2.1 Overview of Indian Economic Environment

“India has emerged as the fastest-growing major economy in the world with nominal GDP growth rate of 10.4% expected in FY’25, backed by its robust democracy and strong partnerships.”

Strong economic growth in the first quarter of FY’23 helped India overcome the UK to become the fifth-largest economy after it recovered from the COVID-19 pandemic shock. India's appeal as a destination for investments has grown stronger and more sustainable because of the current period of global unpredictability and volatility, and the record amounts of money raised by India-focused funds in 2022 are evidence of investor faith in the "Invest in India" narrative.

Indian GDP (at current prices) in INR Trillion and Growth Rate (in %), FY'20 - FY'30F

Source: Ministry of Statistics and Programme Implementation (MoSPI), World Economic Outlook, 2024 (IMF), Ken Research Analysis

Note: F represents Forecasted figures

In FY'22, the economy recovered from the pandemic-related stress as restrictions were eased and economic activity resumed, though inflation spiraled in the last quarter due to geopolitical pressures, with a GDP print of 18.9% vs -1.2% in FY'21. In FY'23, GDP rose 14.2% on strong growth momentum propelled by investments and private consumption. The share of investments in GDP rose to an 11-year high of 34% and that of private consumption to an 18-year high of 58.5%. (Source: International Monetary Fund)

In FY'24, nominal GDP grew at 9.6% and was estimated at INR 295.4 Tn, driven by continued strong investment and subdued private consumption growth. Nominal GDP, or GDP at current prices in the March quarter of 2023-24, is estimated at INR 78.28 lakh crore, against INR 71.23 lakh crore in the year-ago period, showing a growth rate of 9.9%. Additionally, India is expected to grow faster than China as well as the global average in CY2024. (Source: MoSPI)

2.2 Key Economic Indicators & Their Impact on the Power Transformer Industry in India

Overview on Key Demographic Indicators in India

By 2030F, the Indian population is expected to reach 1.51 billion, increasing electricity demand and driving the need for expanded power infrastructure. This will require substantial investments in power generation, transmission, and distribution systems, which will encourage the utilities to increase their expenditure in procuring new power and distribution transformers.

Trend of Indian Population (in Bn) and vis-à-vis Dependency Ratio (%), 1992 - 2030F

Source: World Bank Database & Ken Research Analysis

Note: E stands for Estimated; F stands for Forecasted

The Age Dependency Ratio measures the number of dependents (individuals younger than 15 and older than 64) relative to the working-age population (ages 15 to 64). This ratio has been on a downward trend, dropping from a high of 76% in 1982 to 47% in 2022. This decline signifies an increasing share of the working-age population generating income, a positive indicator for economic growth.

With a median age of 29, India boasts one of the youngest populations globally. Each year, a substantial number of young citizens enter the workforce, contributing to the potential for a significant 'demographic dividend'. This term refers to the economic growth potential that arises when the working-age population is healthy, educated, and gainfully employed, accompanied by a low proportion of young dependents.

India's population pyramid reveals that over two-thirds of the population is of working age, with the elderly comprising less than 7%. By 2050, the population distribution is expected to show a broad base extending into middle age (30-59 years). This age group typically represents the core of the labor force, driving sustained economic productivity and growth.

Population Pyramid Trend of India, 2023 & 2050F

Source: UNPFA & Ken Research Analysis

Scenario of Urbanization in India

“By 2036, India’s towns and cities will be home to 600 million people, or 40% of the population, up from 31% in 2011, with urban areas contributing almost 70% to GDP.” (Source: World Bank)

The urban population is significantly growing in India. It is estimated to have increased from 403 million (31.6% of total population) in 2012 to 508 million (35.9% of total population) in the year 2022. (Source: Ministry of Housing and Urban Affairs)

Since nearly 70% of the urban infrastructure needed by 2047 is yet to be built, sizeable investments will be required. By 2036, India will need to invest USD 840 billion in infrastructure - an average of USD 55 billion or 1.2% of GDP per annum. However, estimates suggest that between 2011 and 2018, the country’s total capital expenditure on urban infrastructure averaged only 0.6% of GDP, half the required quantum of investment. (Source: World Bank)

The growing urban population and infrastructure investments in India will significantly impact the power transformer industry. Increased urbanization and the \$67 billion energy sector investment over the next six years, including expansions in refineries and natural gas networks, will drive demand for reliable power transmission and distribution. This will necessitate a substantial increase in the number of power transformers, boosting the industry’s growth. Additionally, the expansion of infrastructure projects particularly railways will require robust power infrastructure, further stimulating demand for transformers.

Rising Trend of India’s PER Capita disposable income

“Consumer demand in India expected to grow at healthy pace with rising per capita income”

Gross National Disposable Income (GNDI) is a measure of the income available to the nation for final consumption and gross savings. Between the period FY’19 to FY’24, per capita GNDI at current prices registered a CAGR of 8.2%.

India’s per capita Gross National Disposable Income, a broad indicator of living standards, rose from Rs 198,125 in FY’23 to Rs 214,951 in FY’24, logging 8.5% growth rate. Growth was driven by improved job opportunities, supported by overall GDP expansion. More disposable income drives more consumption, thereby driving economic growth.

Sectoral Composition of Gross Value Addition in India

“Of the three major sectors, the service sector has been the fastest-growing sector in the last 5 years registering a CAGR growth of 9.8%.”

Sectoral Gross Value Addition to Indian Economy (in INR Tn) and Growth Scenario (in %), FY'20-FY'24

Source: Ministry of Statistics and Programme Implementation (MoSPI) & Ken Research Analysis

The service sector's robust growth, particularly in trade, hotels, transport, communication, finance, real estate, and professional services, will drive demand for power transformers, ensuring reliable electricity supply to support the expanding service infrastructure.

2.3 Government, Private Capital Expenditure & initiatives Impacting the Energy Sector

Government capital expenditure in India has been steadily rising due to expansion of infrastructure, increase in energy capacity and industrial growth. Government capex has sharply increased from INR 3.1 trillion in FY'19 to INR 9.5 trillion in FY'24.

Grants-in-aid that supplement capex has also seen a rising trend. Such grants support the states and public sector undertakings to spend on large infrastructure projects. Effective capex represents total fiscal effort towards capital formation with this amounting to the sum of capex and grants in aid. Effective capex reached INR 12.7 trillion by FY'24, indicative of large investments in economic development. The significant rise in government capital expenditure on infrastructure, energy capacity, and industrial growth will boost demand for power transformers, supporting the expansion and reliability of the power sector.

India's Government Capital Expenditure (in INR Trillion) and its Share in GDP (in %), FY'19-FY'25

Another vital component of capital expenditure is the Gross fixed capital formation (GFCF) measures the investment in new physical assets within an economy, reflecting the portion of GDP used for long-term investments rather than consumption. The GFCF in India is rising from INR 32.78 trillion in 2014-15 to INR 54.35 trillion in 2022-23.

The need for reliable and high-efficiency power infrastructure components will rise in the country as it progresses to cleaner sources of energy. Supplemented with rising government capex, the surge in private GFCF guarantees uninterrupted market demand for power transformer and promises to foster new entrants and investments. An improvement in government capex for infrastructure directly translates into increased demand for power. The increase in government capex on infrastructure projects will necessitate the expansion and upgrade of power transmission networks, thereby encouraging demand for power transformers.

Increase in the capital expenditure, along with grants-in-aid, forms an effective capex projected to reach INR 15.0 trillion by FY'25. The government's ambitious goals, such as increasing the share of gas in the energy mix to 15% and achieving 500 GW of renewable capacity by 2030, necessitate substantial investments. These efforts will boost demand for power transformers, ensuring a reliable and expanded power infrastructure to meet growing energy needs.

Rising Monthly Per Capita Consumption Expenditure (MPCE) implies summary of level of household consumption expenditure. Average estimated MPCE in 2022-23 has been INR 3,773 in rural India and INR 6,459 in urban India. According to the Household Consumption Expenditure Survey 2022-23, the MPCE on fuel and light stands at Rs 251 in rural India and Rs 404 in urban India. This expenditure constitutes a significant portion of total MPCE, with fuel and light accounting for 6.66% in rural areas and 6.26% in urban areas. These figures highlight the substantial allocation of household budgets towards energy needs, emphasizing the importance of reliable and efficient power infrastructure to meet the growing demand for electricity in both rural and urban settings. (Source: MoSPI)

2.4 FDI Flow, Investment Climate and Trends in India

“India is one of the most attractive FDI destinations in the world today with a total FDI inflow of USD 70.95 Bn in FY'24.”

The Government has put in place an investor friendly Foreign Direct Investment (FDI) policy under which most sectors except certain strategically important sectors are open for 100% FDI under the automatic route.

Total FDI inflows in the country in the FY'24 is USD 70.95 Bn and FDI equity inflows stands at USD 44.42 Bn. Singapore (26.6%), Mauritius (18%), USA (11.3%), Netherland (11%) and Japan (7.2%) emerge as top 5 countries for FDI equity inflows into India FY'24. (Source: Invest India)

Top 5 sectors receiving highest FDI Equity Inflow during FY'24 are Manufacturing (20%), **Electricity and Other Energy Generation Distribution & Transmission (12%)**, Computer Services (11%), Financial Services (10%), Retail and wholesale trade (9%). (Source: Ministry of Commerce and Industry)

The positioning of power sector as the second largest recipient of FDI ensures large scale investment in power generation, transmission and distribution capacity, which will directly boost the transformer demand in the country.

3. Global Power Transformer Industry Snapshot

Global Power transformer market reached INR 6,233.5 hundred crores in 2024, which is expected to witness a CAGR of 5.1% from 2024 to 2034F. The expansion of market highlights the rising investments in upgrading aging electrical grids and integrating renewable energy sources into the power supply chain.

The global power transformer industry growth is driven by escalating electricity demands. Rising per capita primary energy consumption, reaching 21,393.7 kWh/person globally in 2023, underscores the need for robust power infrastructure to meet diverse energy needs. Moreover, rapid economic expansion in developing countries, coupled with infrastructure investments, and renewable energy goals are supporting the market growth. Further,

upgradation of power networks and integrating renewable sources, is boosting transformers' demand. Additionally, efforts to improve rural electrification and modernize grids are fueling growth.

3.1 Power Transformer Industry Overview by Key Markets – Industry Size and Growth

Among the Advanced regions of North America and Europe, USA and Germany remain as the leading markets for power transformers in the respective regions as these countries are constantly upgrading their ageing infrastructure. Moreover, extensive focus on renewable energy development are necessitating the installations of new power transformers to support the integration of these projects with the transmission networks. Further, Brazil, Mexico, remains key lucrative markets in the LATAM region.

Note: Others Markets include Asia-Pacific and Middle East and Africa; North America includes USA and Canada; Europe includes Germany, France, Italy, Switzerland, UK, Spain, Portugal, Poland and other European countries; Latin America includes Brazil, Mexico, Argentina, Colombia, Chile, Peru, Uruguay, Panama and Other South and Central American countries

4. Indian Power Sector Overview

The Indian power sector is marked by a diverse mix of energy sources, with a total installed capacity of 441.97 GW in FY'24, comprising 57% from fossil fuels and 43% from non-fossil fuels. The electricity generation target for the year 2023-24 is set at 1,734.4 billion units (BU), representing a growth of around 7.2% in 2022-23.

The electricity generation target for FY'24 by different sources type includes **1,294.85 BU from Coal, 31.70 BU from Oil & Gas, 134.05 BU from Large Hydro, 47.94 BU from nuclear, and 225.83 BU from Total Renewable Energy Sources** of which (**83.39 BU from Wind, 115.98 BU from Solar and 26.47 BU from other RE sources**).

The Plant Load Factor (PLF) for FY'24 is 66.3%, with sector-wise PLFs of 70.3% for the central sector, 77.1% for the state sector, and 67.6% for the private sector. The figure mentioned below highlight the sector's robust growth and increased contribution of renewable energy sources, reflecting India's commitment to a more sustainable and diversified energy mix. Sector-wise total installed capacity (*as on 31.05.2023*) is tabulated below:

Sector wise Installed capacity (GW) in India, as of 31st May 2023

Major Sector	Installed Capacity (GW)	Installed Capacity in % of Total
Central Sector	100.1	24.0%
State Sector	105.7	25.3%
Private Sector	211.9	50.7%
Total	417.7	100%

Source: Ministry of Power

The sector is steadily witnessing high demand for electricity, driven by rapid industrialization, with manufacturing and infrastructure projects requiring substantial power; urbanization, as cities expand and consume more energy for residential and commercial use; and an improving standard of living, leading to increase per capita electricity consumption and greater adoption of electrical appliances and technologies.

In summary, the Indian power sector is poised for significant growth and transformation, driven by increasing demand, government initiatives, and technological advancements. While challenges remain, the sector's robust investment landscape and policy support provide a strong foundation for future development and sustainability.

4.1 India Electricity Production & Consumption Gap

“India's electricity production and consumption gap has significantly narrowed over the years, reflecting the country's concerted efforts to enhance its power infrastructure.”

In FY'2023, the gap between energy requirement and energy supplied is a mere 0.3%, primarily due to system constraints or financial issues faced by some DISCOMs. The gap between peak demand and peak supply stands at 1.4%, a marked improvement from the 4.5% gap in FY'14 when the demand was 136 GW. This progress underscores India's commitment to ensuring a more reliable electricity supply to meet growing demand.

From FY'20 to FY'24, the electricity requirement has steadily increased from 1309 BU to 1627 BU, with the electricity supplied closely following, rising from 1305 BU to 1623 BU. This trend highlights the effective management and expansion of India's power sector, aligning supply closely with demand and ensuring a more stable and dependable electricity network.

Electricity Requirement and Electricity Supplied in India (in Billion Units), FY'20-FY'24

Source: India Climate & Energy Dashboard, Niti Aayog

As of FY'23, the gap between electricity supplied falling short of the overall requirement. Several factors contribute to this production-consumption gap:

- Rapid Demand Growth:** The number of electricity consumers surged from 23.91 crore in FY'16 to 33.24 crore in FY'23. This exponential increase, driven by industrialization, urbanization, and rural electrification, drawing higher demand for electricity.
- Distribution Inefficiencies:** The financial health of DISCOMs has been a long-standing issue, with cumulative losses increasing from ₹38,213.3 crore in 2015-16 to ₹56,037.0 crore in 2022-23. High transmission and distribution (T&D) losses, power theft, and poor billing and collection efficiencies exacerbate the gap.
- Dependence on Thermal Power:** A significant portion of India's electricity generation comes from coal, which, despite being reliable, is subject to supply chain disruptions and environmental concerns. In FY'23, coal-based generation accounted for 75% of the total electricity generated, indicating a heavy reliance on this resource.
- Renewable Energy Integration:** While India has significantly increased its solar capacity from 7,124 MW in 2015-16 to 81,814 MW in 2023-24, the intermittent nature of renewables, dependent on weather conditions and subject to fluctuations, makes them less reliable for meeting overall electricity demand consistently. Additionally, challenges in grid integration and the need for advanced storage solutions further limit their ability to serve as the primary power source.
- Infrastructure Bottlenecks:** Despite increasing generation capacities, infrastructure limitations in transmission and distribution networks hinder the efficient transfer of electricity from generation points to consumption areas. Upgrades in grid infrastructure and investment in smart grid technologies are crucial to bridging this gap.
- Policy and Regulatory Hurdles:** The power sector is heavily regulated, marked with policy inconsistencies. Reforms aimed at improving the financial stability of DISCOMs, such as the UDAY scheme, are trying to address such structural issues but with low success rate for now.

4.2 India Power Installed Capacity and Its Augmentation

In FY'24, India's total installed capacity reached 441.97 GW, with coal's share decreasing to 49.2%, while solar significantly increased to 18.5% by FY'24, Hydro maintained a steady contribution at 10.6%, and wind at 10.4%. Oil and gas, bio power, nuclear, and small-hydro each will contribute smaller but stable shares, ranging from 1% to 6%. In FY'19, the total installed capacity was 356.1 GW, with coal contributing 55.4%, hydro 12.3%, solar 9.4%, and wind 10.2%. This shift reflects India's commitment to increasing renewable energy sources, particularly solar, while maintaining a balanced energy mix to meet growing electricity demands.

Source: India Climate & Energy Dashboard, Niti Aayog

Outlook: India's electricity sector is poised for significant augmentation in installed capacity and consumption over the coming years.

- According to the 20th Electric Power Survey of India, energy consumption is projected to rise from 1416 MU in FY'25 to 2133 MU in FY'32, reflecting a steady increase in demand.
- Energy requirements are expected to grow from 1695 MU in FY'25 to 2474 MU in FY'32, indicating a robust expansion in power needs
- Transmission and distribution (T&D) losses are projected to decrease from 16.4% in FY'25 to 13.8% in FY'32, signifying improvements in grid efficiency.

These projections underscore India's commitment to enhancing its power infrastructure to meet the escalating demand for electricity while improving overall grid performance.

4.4 Government allocated budget and policy support

The Indian government's budget for the power sector in 2024-2025 focuses on targeted investment, with the government channeling funds towards specific areas deemed crucial for the sector's sustainable growth and transformation.

A deeper dive into the budget allocation for economic services related to power reveals that overall expenditure in this category which has reached INR 17,328.98 crores in 2024-2025. This is indicative of the government's intent to bolster the power sector's contribution to the broader economy.

- Within this category, there is a significant focus on allocation of INR 3,173.02 Cr in 2024-25 for the North Eastern Areas
- The budget also reflects a strategic focus on hydropower development, as evidenced by the substantial investments in various hydropower corporations.
- The budget for the Power Grid Corporation of India Limited (PGCIL) allocation of INR 12,250 Cr in 2024-25, aligning with the government's focus on strengthening the transmission and distribution infrastructure.

4.5 Indian Power Transformer Industry Overview – Industry Size and Growth

The power transformer market in India has grown from INR 236.2 hundred crores in FY'19, reaching INR 334.0 hundred crores in FY'24. This growth is primarily fueled by the government's aggressive push towards electrification and renewable energy integration, alongside the modernization of aging power systems. Additionally, India's commitment to renewable energy necessitates a robust grid infrastructure capable of integrating intermittent sources like solar and wind, driving the demand for both traditional and smart transformers.

The Indian transformer industry is also witnessing significant technological advancements. The integration of digital solutions enables enhanced monitoring and maintenance capabilities, improving the reliability and efficiency of power distribution.

4.6 Leading Bushing Technology

Comparison of Leading Bushing Technology

Bushing Technology	Main Voltage Application	Benefits	Limitations
OIP	Upto 1200kV	Long-standing reliability, suitable for high voltages up to 800Kv	Risk of failures, requires continual improvements in oil quality
RIP	Upto 800kV	Solid insulation without oil complications, improved PD performance	Limited to lower voltage applications compared to OIP
RIS	36kV upto 400kV	Enhanced insulation properties, improved durability, lightweight, maintenance-free	Higher cost, thermal management challenges, limited long-term data
RIF/RIG	Upto 145 KV	High mechanical strength, excellent insulation, moisture and chemical resistance, maintenance-free	Higher cost, lower thermal conductivity, brittleness

Epoxy Resin	Upto 145 KV	Robust and maintenance-free, excellent electrical and mechanical properties	Higher initial cost, potential for cracking under extreme conditions
Oil Communicating	Upto 52kV	Cost-effective, effective mechanical strength	Requires regular monitoring and maintenance, risk of oil leaks

5. Market Analysis

5.1 Global Transformers Bushing Market Size, 2019-2024 & 2034F

Global transformer bushing market was valued at INR 26,960 crores, and is expected witness a CAGR of 5.6% during 2024-2034F. The global shift towards the development of new renewable energy projects, large scale implementation of smart grids across several countries, and modernization power distribution network will surge the demand for transformer bushing used as a critical component of transformers during the commissioning of projects.

5.2 Global Transformers Bushing Market Size by Key Regions, 2019, 2024 & 2034F

Globally, The transformer bushings market is expected to witness a significant growth, owing to power capacity installation and upgradation across emerging and advanced regions.

In North America, USA remains as the most lucrative market for transformer bushings, which is expected to witness a CAGR of 5.2% during 2024-2034F. In the USA, the aging power infrastructure is a key driver, with a surge in investments aimed at upgrading and modernizing the electric grid. The push towards renewable energy integration, coupled with increasing electrification, has created a demand for high-performance transformer bushings in the country.

In Europe, Germany, is the leading transformer bushing market, valuing at INR 1,105.1 crores. The country is at the forefront of the energy transition, led to by construction of new power plants and the expansion of the

grid, necessitating advanced transformer bushings capable of handling the demands of a more decentralized and variable energy supply.

In Latin America (LATAM), Brazil is the largest market for transformer bushings, fueled by the country's rapid urbanization and industrialization, which have led to a rising demand for electricity. The government's focus on expanding the power grid to remote and underserved areas, along with investments in renewable energy projects, particularly hydropower, is propelling the need for durable and efficient transformer bushings.

5.3 Global Transformer Bushing Market Size by Insulation Type, CY'19, CY'24 & CY'34F

As of CY' 24, RIP is the most prominent form of bushing type, accounting for a share of 61.9% revenue share in the global transformer bushing market. The rising demand for RIP bushings is mainly attributed to higher customer preference to RIP bushings. RIP bushings are designed to be oil-free, significantly reducing the risk of leaks and fire hazards. Moreover, the solid insulation structure of RIP bushings also provides excellent mechanical strength and resistance to environmental factors, such as moisture and pollution, further extending their lifespan and performance in harsh conditions. Owing to these benefits, the demand for RIP bushings will continue to escalate, with its revenue contribution reaching 70.6% of the global transformer bushing market by CY'34F. Moreover, OIP bushings will remain as the second leading bushing type which will continue to show steady growth at a CAGR of 2.3% with revenue contribution rising from 5,904 Crores in 2024 to 7,435 Crores in 2034F.

5.4 Indian Transformers Bushing Market Size, FY'19-FY'24

The Indian transformer bushing market has witnessed steady growth, with the market size increasing from INR 1020.4 crore in FY'19 to INR 1,528.2 crore by FY'24.

This growth is driven by several key factors. Firstly, the government's aggressive push towards electrification and renewable energy integration has significantly boosted demand. Initiatives like the Deendayal Upadhyaya Gram Jyoti Yojana (DDUGJY) and the Integrated Power Development Scheme (IPDS) have enhanced the transmission and distribution network, necessitating more transformer bushings. Additionally, the modernization of aging power systems and the increasing demand for electricity due to urbanization and industrialization have contributed to market growth. The market also benefits from technological advancements, with smart transformers and advanced monitoring systems becoming more prevalent.

5.5 Market Segmentation of India Transformer Bushing Market, FY'19 & FY'24

By Insulation Type (FY'19 & FY'24):

Market Segmentation by RIP insulation accounts for the highest revenue share and stands first in terms of growth, with its market share increasing from 54.2% in FY'19 to 59.6% by FY'24. This growth can be attributed to the several advantages offered by RIP insulation. RIP bushings have been consistently replacing OIP bushings as they are more compact and lighter than OIP insulation, making it suitable for use in space-constrained applications. Furthermore, the resin used in RIP insulation is maintenance-free, with less chances of leakages.

In FY'24, OIP insulation ranks second in terms of revenue share at 20.4%, declining from 23.2% in FY'19. The second largest share is attributed to its high dielectric strength, high thermal conductivity, resistance to moisture and chemical attacks and low cost. However, the decline in its share is due to high maintenance requirements, which can be time-consuming. Additionally, the use of oil raises environmental concerns due to the risk of oil leaks and the disposal of used oil. including.

The 'Others' category, which include Oil-Oil bushings for cable box applications, Oil-SF6 bushings for GIS applications, Metal Bushings, has maintained a market share estimated at 13.3% by FY'24. These insulation types offer a balance between performance and cost. They are generally more resistant to moisture and chemical attacks compared to paper-based insulation and offer good dielectric strength and thermal conductivity.

By Voltage Range (FY'19 & FY'24):

In FY'19, Above 440 kV voltage range is the leading voltage range primarily due to its high prices and its wide adoption in Ultra-High Voltage Transmission Systems, UHV bushings used in substations, power plants, large scale industries dependent on UHV equipment.

>72.5 kV, <145 kV range is the fastest growing voltage range during FY'19 to FY'24, owing to their owing to their application including high-voltage substations, generators to the high-voltage transmission network, high-voltage transmission lines, HVDC converter stations and grid interties.

By Application Usage (FY'19 & FY'24):

In FY'19, Power Transmission has emerged as the largest segment, which has consistently shown robust growth, expanding at a CAGR of 8.8% for the period FY'19-FY'24, reflecting steady and sustained demand. Transformer bushings in the Power Transmission segment are critical components used in high voltage transmission lines and substations, ensuring reliable and efficient transfer of electricity over long distances.

Meanwhile, the Renewable segment stands out as the fastest-growing segment. Transformer bushings in renewable power are pivotal in ensuring the reliability and efficiency of power plants, including traditional thermal plants, hydroelectric plants, and increasingly significant renewable energy sources like wind and solar farms.

5.6 Technological Landscape: OIP, RIP, RIS, & RIF/RIG technologies - Their Advantages and disadvantages

The primary technologies used in transformer bushings are OIP, RIP, RIS, and RIF/RIG, each with its own advantages and disadvantages. Understanding these differences is crucial for selecting the right bushing for specific applications. Below is a comparison of the most common bushing technologies:

Advantages and Disadvantages by Bushing Technology Type

5.7 Key Utility Players and Bushing Technology Preferences

Key Utility Players: Transmission & Distribution Sector

“In India, Power Grid Corporation of India Limited (PGCIL) stands out as a major player for major demand for transformer bushings”

PGCIL operates extensive high-voltage transmission lines and substations across the country. Alongside PGCIL, state transmission companies also significantly contribute to the power transformer demand. The combined efforts of PGCIL and state transmission companies play critical role in maintaining and upgrading the transmission infrastructure in India.

As of FY’23, the top state transmission utility players are:

- Maharashtra State Electricity Transmission Company Limited (MSETCL)

- Gujarat Energy Transmission Corporation Limited (GETCO)
- Uttar Pradesh Power Transmission Corporation Limited (UPPTCL)
- Tamil Nadu Transmission Corporation Limited (TANTRANSCO)
- Karnataka Power Transmission Corporation Limited (KPTCL)
- Haryana Vidyut Prasaran Nigam Limited (HVPNL)
- Rajasthan Rajya Vidyut Prasaran Nigam Limited (RVPNL)
- Telangana State Transmission Corporation (TSTRANSCO)
- Madhya Pradesh Power Transmission Company Limited (MPPTCL)

“In the distribution sector, state distribution companies (DISCOMs) are the primary players driving the demand for transformer bushings”

As of FY’23, the top utility players (by electricity sales) are:

- Maharashtra State Electricity Distribution Company Limited (MSEDCL)
- Tamil Nadu Generation and Distribution Corporation Limited (TANGEDCO)
- Punjab State Power Corporation Limited (PSPCL)
- Telangana State Southern Power Distribution Company Limited (TSSPDCL)
- West Bengal State Electricity Distribution Company Limited (WBSEDCL)
- Pashchimanchal Vidyut Vitran Nigam Ltd (PVVNL)
- Paschim Gujarat Vj Company Limited (PGVCL)
- Dakshin Haryana Bijli Vitran Nigam (DHBVN)
- Bangalore Electricity Supply Company Limited (BESCOM)
- Jaipur Vidyut Vitran Nigam Limited (JVVNL)

Bushing Technology Preference by Utility Players

“Most central utilities, state utilities, and private EPC developers have shifted towards Resin Impregnated Paper (RIP) bushings for their requirements up to 420 kV”

The shift is driven by RIP bushings' superior performance, enhanced safety features, and lower maintenance needs compared to the traditionally preferred Oil Impregnated Paper (OIP) bushings. However, despite the advantages, there is some hesitation among players due to the higher cost of RIP bushings and concerns about reliability on manufacturers. Consequently, while RIP technology is gaining traction, the industry still exhibits a degree of caution, with many continuing to use OIP bushings. This cautious adoption reflects the balancing act between embracing advanced technologies and managing costs.

Repair and Maintenance Budget of Key Utility Players

In FY’23, PGCIL's expenses on repair and maintenance totaled INR 705.7 crore. This included:

- *INR 400.83 crore for substation repairs*
- *INR 192.08 crore for transmission lines*
- *INR 59.37 crore for telecom equipment*
- *INR 53.38 crore for other miscellaneous repairs*

In case of DISCOMs, they typically allocate around 1-2% of their budget for maintenance and repair activities.

Key Transformer OEM Suppliers

Key transformer OEM suppliers in India are BHEL, CG Power & Industrial Solutions, GE Vernova, Hitachi Energy, Siemens Ltd, Transformer and Rectifiers India, and Toshiba among others.

6. Supply Chain Analysis

6.1 Overview of Supply Chain for Bushing Components

The supply of bushing components in India is largely met through domestic suppliers owing to years of expertise gained by local players. Presently, roughly 90% of the content used in today’s OIP bushings is produced within India, while 20 - 50% content used in RIP bushings produced in the country, is procured domestically. However, certain proportion of bushing components is met through imports as well. The foreign suppliers possess years of

expertise to produce high quality bushing components mainly RIP bushing components along with conducting tubes, epoxy resin, flange, among others.

Trade Scenario of Transformer Bushings of India With Europe

In 2023, India's bushing imports of transformer bushings from the world stood at INR 473.4 crores. European companies, particularly from Germany, Sweden, Switzerland, France, Italy lead the exports of bushings to India owing to their advanced manufacturing technology and assurance to high-technical standards. However, owing to robust expansion in India's domestic manufacturing, a downward trend in the bushing import is being witnessed from Europe as and other regions. This trend will continue to remain in future with anticipated future collaborations (such as Joint-ventures) boosting the bushing manufacturing in India.

India's Import of Bushings from top European Countries & World on the Basis of Revenue in INR Crore, 2019 - 2023

7. Key Growth Drivers

7.1 Power Generation Capacity augmentation and Power T&D Infrastructure Expansion

Power Generation Scenario in India:

In FY'24, the power generation target has been set around 1,734.4 billion units (BU) representing a growth of around 7.2% in FY'23.

Whereas, the current total installed generation capacity is 441.97 GW in FY'24. Coal-based power plants have been the largest contributor to the power generation owing to their high plant load factor (PLF), however, renewable energy is fast emerging as a key generation source.

Initiatives like the National Solar Mission, Generation based incentives for wind, dedicated biomass programs in renewable energy sector and policies promoting the development of ultra-mega power projects (UMPPs) in conventional power sector are driving this growth. Additionally, schemes like Saubhagya Yojana - universal household electrification are increasing the need for power generation in India.

India's Total Power Generation in Billion Units and Growth Rate (in %), FY'19 - FY'24

Source: Ministry of Power – Government of India

The electricity generation target (Including RE) for FY'24 is fixed to 1734.4 billion Unit as India has set ambitious targets to boost its power generation capacity. By FY'32, the total non-fossil-fuel-based (renewable energy) is expected to reach 500 GW while thermal power capacity is expected to stand at 283 GW.

India Power Transmission Scenario:

By January 31, 2024, power transmission network in the country reached ~4,81,326 circuit kilometers (ckm) and 12,25,260 megavolt-amperes (MVA) transformation capacity. Moreover, by January 2024, inter-regional capacity surged to 1,16,540 megawatts (MW) witnessing a growth of 224%, since 2014. Key policies like **Green Energy Corridor** and the **National Smart Grid Mission** have been key drivers for this growth.

- *The Green Energy Corridor has enabled efficient transfer of renewable power across regions.*
- *National Smart Grid Mission has improved reliability and resilience.*

Prospects of Power Transmission: India future policies in the transmission sector will focus on developing high-voltage direct current (HVDC) systems and interstate transmission systems (ISTS).

India Power Distribution Scenario:

India's power distribution sector has seen notable changes from FY'19 to FY'24 as the power requirement and availability have evolved during this period, marked by persistent deficits, have started to narrow down in the recent years. As per Ministry of Power-India, the power deficit was around 0.6% in FY'19, which gradually decreased to approximately 0.2% by FY'24. Following key policies have been central to these improvements:

- **The Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY) and the Integrated Power Development Scheme (IPDS) have focused on improving infrastructure and reducing losses.**
- **The Ujjwal Discom Assurance Yojana (UDAY) has addressed financial challenges faced by distribution companies (DISCOMs).**

Prospects of Power Distribution:

Revamped Distribution Sector Scheme (RDSS) aims to further enhance the sector with a substantial investment of INR 3,03,758 crores, including a central government grant of INR 97,631 crores. The scheme targets reducing Aggregate Technical & Commercial (AT&C) losses to 12-15% and closing the gap between the cost of power supply and revenue by FY'25. Future developments will include smart metering and advanced distribution systems, supporting a more efficient and reliable power distribution network to meet India's growing energy demands.

India Yearly and Peak Electricity Distribution (GW) Scenario, FY'19 to FY'24

Year	Yearly Electricity Distribution			Peak Electricity Distribution		
	Requirement (BU)	Availability (BU)	Surplus/Deficit (BU)	Peak Demand (GW)	Peak Met (GW)	Surplus/Deficits (GW)
FY'19	1,274.6	1,267.5	-7.07	177.0	175.5	-1.49
FY'20	1,291.0	1,284.4	-6.566	183.8	182.5	-1.27
FY'21	1,275.5	1,270.7	-4.871	190.2	189.4	-0.80

The expansion of India's power generation, transmission, and distribution networks will boost the demand for transformers, designed to efficiently step up and down voltages across these networks. As more renewable energy sources and high-voltage systems are integrated into the grid, the need for specialized transformers to handle diverse energy inputs and outputs will grow. Consequently, the transformer bushing industry will be directly benefited, as bushings forms a critical component of transformers.

7.2 Rural Electricity Infrastructure and Rural Household Electrification

The Government of India has made significant with initiatives like Deen Dayal Gram Jyoti Yojana and SAUBHAGYA Yojana, aimed to enhance electricity access in underserved areas.

- **Under the Deen Dayal Gram Jyoti Yojana**, the government has successfully electrified 18,374 villages, with 2,763 of these receiving power through renewable resources. This effort underscores a commitment to sustainable energy solutions in rural regions.
- **Pradhan Mantri Sahaj Bijli Har Ghar Yojana (SAUBHAGYA)** was launched to achieve universal household electrification. This ambitious scheme has brought electricity to 2.86 crore households across the country, with all states confirming the completion of this target.
- **To address any remaining gaps**, the central government is now focusing on households that were missed under SAUBHAGYA through the **Revamped Distribution Sector Scheme (RDSS)**. This ongoing scheme supports states in their efforts to electrify these missed households. Additionally, the RDSS provides funding for on-grid electricity connections for Particularly Vulnerable Tribal Groups (PVTG) households under the PM-JANMAN initiative.
- Further, the government introduced a new solar power scheme specifically for PVTG habitations. The PM-JANMAN scheme targets the electrification of un-electrified PVTG households through off-grid solar systems. With a financial outlay of Rs. 515 crores, this scheme aims to bridge the electricity access gap in the most remote and vulnerable tribal communities. (Source: Press Information Bureau: Government of India)

As the demand for electricity infrastructure expands to reach previously underserved areas, the need for reliable and low and high-performance transformers increases correspondingly. Transformer bushings, being a critical component in ensuring efficient and stable electrical distribution, are experiencing heightened demand to support these development schemes.

7.3 Impact of Technological Advancements on Demand

The transformer industry in India is rapidly evolving with increased focus is on smart and energy efficient designs. Some of the key technological advancements witnessed in the transformer technology space include:

- **Smart Transformers:** Smart transformers offer enhanced monitoring systems, predictive maintenance capabilities, and autonomous operations. This integration allows for more effective asset management and improved stability of the power grid.
- **Energy-Efficient Designs:** The new transformer designs aim to minimize losses and enhance performance. Innovations such as amorphous core transformers, dry type transformers, and ester oil transformers are resulting in improved energy efficiency and reduced environmental impact.

On the supply side, Bharat Heavy Electricals Ltd. (BHEL) has emerged as a pioneer in technological development of transformers in India. In 2022, the company introduced Bus Potential Transformer Module designed for 33 kV Gas Insulated Switchgear (GIS). This module eliminates the need for a separate Potential Transformer (PT) panel in GIS switchboards. Further, the new PT Module reduces the cost by 57% and panel size and weight by 80% compared to conventional PT panels.

On the demand side, Tata Power is leading the technological adoption, as it commissioned India's largest natural ester filled power transformer in the Mumbai Transmission network supplied by Hitachi ABB Power Grids and Cargill. The esters composition in these transformers have high resistance to fire (350 degree Celsius) which eliminate its risk of catching fire.

The drive towards more efficient and innovative transformer solutions is encouraging the need for advanced bushing technologies that can withstand new operational conditions and performance standards.

7.4 Role of Renewable Energy and Smart Grid Initiatives

Key Renewable Energy Initiatives in India: Over the years, the country's renewable energy capacity has seen a steady upward trend, **culminating in a cumulative achievement of 148 GW by June 2024**. The Indian government has implemented a range of policies to promote renewable energy including National Solar Mission, which aims to establish India as a global leader in solar energy, and the Wind Energy Policy which have played crucial roles in driving growth.

India's renewable energy targets have been equally ambitious:

- The government set a **target of achieving 175 GW of renewable energy capacity by 2022**.
- Building on this, India aims to achieve **500 GW of renewable energy capacity by 2031-32**.
- Further, the **National Green Hydrogen Mission** aims to achieve the production of **5 million metric tonnes (MMT) of green hydrogen annually by 2030**. The mission also includes the installation of 60-100 GW of electrolyzer capacity - essential to produce green hydrogen.

Smart Grid Initiatives in India: The National Smart Grid Mission (NSGM), launched in 2015, focuses on deploying advanced smart grid technologies to enhance grid reliability, integrate renewable energy, and improve energy efficiency.

The Initiative is being executed under three distinct phases:

- **Phase-1 (FY'16-FY'17):** Investments worth 980 crores including budgetary support of 338 crores were directed towards the development of smart grids in smart cities. Micro grid development and capacity building were also prioritized, receiving respective allocations and full grant support.
- **Phase-2 (FY'18-FY'21):** Focus on expanding smart grid projects, including ongoing projects. The development of micro grids in medium-sized pockets continued with additional funds. The overall outlay in this phase was 990 crores with a budgetary support of 312 crores.
- **Phase-3 (FY'22-FY'24):** Witnessed continued emphasis on supporting ongoing smart grid projects with an outlay of ₹137 crores. This phase also prioritizes training, capacity building, and technical assistance to utilities.

The NSGM's impact on India's transmission infrastructure is profound. By incorporating smart grid technologies, the mission enhances grid stability, reduces energy losses, and supports the integration of renewable energy sources. This modernization effort not only improves power distribution but also drives demand for advanced components, such as power transformer bushings. As smart grids require sophisticated transformer infrastructure, the market for high-quality bushings is expected to grow, offering new opportunities for manufacturers and suppliers.

7.5 Electrification of Indian Railways

In FY'24, the Indian Railways electrified 4,644 railway kilometers (RKM), contributing to an overall cumulative total of 63,456 RKM.

This electrification drive is expected to lead to a significant increase in electricity consumption. The Indian Railways is projected to require an additional 30.13 billion units of electricity annually, which equates to a daily requirement of approximately 9.4 gigawatts (GW) solely for rail operations. This surge in electricity demand highlights the scale of the electrification effort and the need for infrastructure to support this transition. Looking ahead, the budget outlay for electrification for FY'25 stood at Rs. 6,500 crores, reflecting continued investment in expanding the electrified network. (Source: Indian Railways)

The impact of this electrification drive extends beyond the tracks and trains, affecting related industries as well. The increased demand for transformers driven by the expansion of electrification is spurring the need for high-quality transformer bushings. These components help in connecting transformers to the electrical grid, ensuring reliable power distribution.

7.6 Make in India Push

The "Make in India" initiative, launched in 2014, aims to enhance the nation's manufacturing capabilities. Since its launch, Make in India has achieved significant milestones and evolved into Make in India 2.0, focusing on 27 sectors.

Since 2014, the initiative has significantly impacted Foreign Direct Investment (FDI), with FDI equity inflow in the manufacturing sector increasing by 57% from 2014 to 2022 compared to the previous eight years (2006-2014).

The Make in India initiative driven by its objective to boost manufacturing share in India's GDP, is encouraging the electricity demand and indirectly driving the growth in demand for transformer bushings and related solutions.

Key component of this initiative encapsulates:

- **Production Linked Incentive (PLI) Schemes**, targeting 14 key sectors with an incentive outlay of Rs. 1.97 lakh crore, as of March 2024.
- Further, **One District One Product (ODOP) initiative** plays a crucial role in promoting balanced regional development by promoting unique products from each district, fostering holistic socio-economic growth.

8. Market Challenges and Threats

8.1 Failure Rate of Transformers and Key Reasons

In India, the failure rate of distribution transformers is significantly higher (12-17%) when compared to developed countries (2-3%).

The high failure rate raises concern for Distribution and Transmission Companies, to increase their budget on operations, maintenance and replacements. The financial impact of transformer failures is considerable due to the high costs and prolonged lead times for procurement, manufacturing, and installation. Replacing a transformer or reactor can require weeks to few months, depending on its voltage class. Some of the key causes for transformer failures are listed in the table below:

Key Reasons for Transformer Failures in India

Source: Ken Research Analysis

Bushing failures are among the top reasons for transformer breakdowns with consequences, such as fires, burning, or explosions. This has prompted the regulatory agencies to opt for Resin Impregnated Paper (RIP) and Resin Impregnated Synthetic (RIS) bushings as replacements for conventional Oil Impregnated Paper (OIP) bushings. While RIS bushings are a preferable alternative to OIP, their limited global manufacturing capability are limiting their adoption in the country.

8.2 Lack of Testing Facilities

National Accreditation Board for Testing and Calibration Laboratories (NABL) is the current nodal agency to accredit testing labs for transformers and its related components. According to the NABL, there are currently less than 25 NABL - accredited labs dedicated to transformer testing across the country. Within this, the testing labs for power transformer could be much lesser.

The limited number of facilities constrains the ability to perform comprehensive testing and quality assurance of transformers in India. With insufficient testing infrastructure, the market faces increased risks of transformer failures, leading to costly downtimes and operational disruptions. Moreover, bushing players face similar problems as insufficient testing capabilities delay the verification of their bushing quality, thus resulting in reliability and safety issues.

8.3 Inadequate Supply of Prime Quality Material and Increase in Material Cost

The performance and reliability of bushings, being highly technical products, are critically dependent on the quality of raw materials used. Some of the prime raw materials used in Bushings include high-grade porcelain, copper, and epoxy resin, among others.

In case of raw Material inadequacy, the manufacturers turn to lower-grade alternatives to keep production lines moving. For instance, in place of high-grade porcelain, they may resort to using lower-quality ceramics impacting dielectric strength and durability. Similarly, in absence of high-quality epoxy resin, less effective resins might be used.

The challenge is further compounded by rising costs of these critical materials leading to increased production costs and squeezed profit margins for manufacturers. To curb costs, Manufacturers are forced to navigate a delicate balance between managing costs and maintaining quality, which is affects the overall attractiveness of the transformer bushing business.

8.4 High Entry Barriers for New Player

The Indian Transformer Bushing industry is concentrated among few players. The competition is more intense in HV transformer bushing, with presence of players such as Hitachi Energy, Crompton Greaves, GE T&D India Limited, Yash Highvoltage Ltd., BHEL and few others. The high level of consolidation in the market is due to the following reasons:

- **Transformer bushing business is highly capital intensive** as establishing a manufacturing unit demands significant financial outlay for specialized machinery and workspace
- Beyond financial hurdles, **material expertise is crucial**. Transformer bushings require understanding complex materials like porcelain and conductivity-enhancing metals.
- Further, manufacturing bushings that can withstand high voltage and current while maintaining insulation integrity requires **extensive electrical engineering and transformer design expertise**.
- Commercial advantage and acceptance to quality measures is difficult for any new player as per the acceptable norms of power transformer companies. The order life cycle is between 3-12 months, reflecting delay in delivery in the market once the order book is placed.
- Additionally, **compliance with stringent national and international standards adds to complexity**. Obtaining necessary certifications can be lengthy and intricate, deterring new players.

The above-mentioned factors, restrict the entry a new player to enter transformer bushing business in India.

9. Competition Landscape - India Transformer Bushing Market

9.1 Major Transformer Bushing Suppliers in the Industry

India Condenser Bushing Market landscape is highly consolidated in nature and comprises of both global and domestic players. General Electric, Hitachi Energy, and Siemens are some of the large global players operating in the Indian market. The key entry strategies followed by global players include:

- **Independent domestic entity**, either engaged in domestic manufacturing or having country office to facilitate the sales of the product.
- **Joint-Venture** with Indian counterparts to facilitate domestic production
- **Partnership with Indian distributors/importers** to export their bushing into the Indian market.

Moreover, the market is also marked with the presence of emerging global players such as Yash Highvoltage Ltd., and Massa Izolyator Mehru, primarily competing with global players high voltage bushing segment. Within the Small and medium segment, the level of competition is moderate, dominated by domestic players, primarily focusing on the low voltage bushing segments.

Large players are players with topline from bushing component of over 80 cr; Medium and small sized players are players with topline from bushing component of below 80 cr.

Major Global Suppliers in the Industry

The global players such as GE, Hitachi Energy, and Siemens have a strong-foothold in the Indian Bushing market.

Among the global players, GE has one of the strongest exposure - In India, **it has two listed companies – GE Power India Limited and GE T&D India Limited**, catering to power generation and transmission and distribution business, respectively. The company has 5 manufacturing sites in India and has presence across all stages of the power supply chain with extensive range of products and related services including power and instrument transformers, bushings, instrument transformers, gas insulated switchgears, substation automation equipment, turnkey devices for substations, Flexible AC Transmission Systems (FACTS), High Voltage DC (HVDC) and their support services.

Hitachi Energy is a major global player, supplying extensive range of bushings and transformers, particularly in the Ultra-high voltage segments. The company facilitate the sales of its products through their country offices, distribution network or through direct contracts with OEMs and power utilities in India.

Global players, which are exclusively into the bushing segment have formed partnerships with domestic players to tap the Indian Market. **Collaboration of Izolyator Group (Russian) with Mehru Private Limited (Indian) to form a joint venture Massa Izolyator Mehru** to develop high-voltage bushings and technology partnership between Yash Highvoltage Ltd and Moser Glaser (Switzerland) for localized production of dry type resin impregnated paper condenser bushings are few examples of such successful partnership arrangements.

Need for Vertical player with ability to scale and customize Vs Horizontal incumbent players

Vertical player solely focuses on bushing production, while horizontal players offer integrated solutions manufacturing bushings, transformers as well as related components. Players such as Yash Highvoltage Insulators, Crompton Greaves are some verticalized players in the country. Vertical players often enjoy several enlisted benefits:

- **Pricing Benefits:** A vertical player can directly benefit from the lower cost of bushing and other components to be integrated into the transformers. This helps in overall cost reduction and derive better margins from the transformer sales.
- **Efficient Production:** Vertical players benefit from streamlined supply chains, reduced dependency on external suppliers and lower production delays. This leads to better control over quality and cost-efficiency, enhancing the overall reliability of the end-product.
- **Scalability:** Vertical players can leverage economies of scale, expand production capacity more efficiently to meet growing market demands.
- **Reduce Purchase from Competitors:** International Power Transformers companies doesn't wish to purchase the bushing component from another competitors in the same portfolio instead a well-accepted quality standard, custom built and retrofit capability firm places a better positioning and value offering.
- **Faster Adoption of New Technologies:** Vertical players can implement new technologies seamlessly across the production process, ensuring continuous improvement and maintaining a competitive edge over horizontal incumbents where gestation period is high.

The presence of vertical players is essential for a developing market like India, where infrastructure projects require efficient and scalable supply chains.

Positioning of Yash Highvoltage Ltd. in the Indian Bushing Space:

"Yash Highvoltage Ltd. has positioned itself as niche player serving as one stop solution for transformer bushings, their repair and maintenance, offering customized as well as retrofit solutions"

The global transformer bushing market, comprises of over 80-100 manufacturers spread across roughly hundred countries. This market includes both horizontal players, offering a broad range of products, and verticalized players, specializing in specific niches with integrated business models.

Within the high voltage condenser bushings segment, ranging from >36 kV to 245 kV, there are ~15 leading players which includes horizontal players with captive manufacturing facilities of transformer bushings, global players supplying transformer bushing to transformer OEMs along with their additional offerings, and specialized vertical players solely focusing transformer condenser bushings, adhering to international standards.

A smaller group of 5 verticalized companies exists within condenser transformer bushing segment, characterized by their integrated business models focusing solely on transformer bushings. Notable companies in this group include Yash Highvoltage Ltd., Izolyator Group, P-Core (Hubbell), Trench, and HSP Hochspannungsgeräte.

Among the verticalized players, Yash Highvoltage Ltd. is well placed with the portfolio to produce IEC, IEEE and ANSI standards and customized RIP, OIP, RIS, High Current bushings, Wall bushings, and Oil-Oil bushings along with retrofit and repair capability as compared to Global big sized Power transformer manufacturers where international standard based condenser bushing has a small portfolio concentration of less than 2% and high gestation period for custom built bushings along with slow decision making with funds and centralized strategy growth to channelize from global headquarters.

10. Future Market Outlook for India Transformer Bushing

10.1 Market Growth Attractiveness for India Power Transformer from 2024-2034F

The future market for India's power transformer is expected to reach INR 604.7 hundred crores by FY'34F, reflecting a CAGR of 6.1% during FY'24-FY'34F. The government's focus on modernizing grid infrastructure, through initiatives like the Integrated Power Development Scheme (IPDS) and the National Smart Grid Mission will drive the demand for power transformers commission under these initiatives.

10.2 Future Market Growth Attractiveness for India Transformer Bushings from 2024-2034F

The future market for India's transformer bushing is projected to reach INR 2,993.2 crore by FY'34F, witnessing a CAGR of 7.0% from FY'24 to FY'34F. The growth of India's power infrastructure and renewable energy adoption will drive the transformer bushing market. Integrating solar and wind energy requires advanced bushings for variable loads and harsh conditions, while expanding building infrastructure demands reliable bushings for efficient power distribution. As India aims to achieve 500 GW of renewable energy capacity by 2030, the demand for reliable and efficient transformer bushings is expected to rise. Moreover, government initiatives such as grid

modernization and commissioning of new transformers to trim transmission and distribution losses will generate fresh demand for bushings.

10.3 Future Market Segmentation of India Transformer Bushing Market, FY'24 & FY'34F

By Insulation Type (FY'24 & FY'34F)

Over the next ten years, RIP bushings will continue to gain popularity due to their higher mechanical strength and better performance in harsh environment. Their market share is projected to increase to 66.0% by FY'34F. Whereas, OIP bushings will continue to witness declining share over the forecast period owing ongoing trend of utilities' preference from OIP bushings to RIP bushings.

Future Outlook of India Transformer Bushing Market Segmentation by Insulation Type on the Basis of Revenue in INR Crore, FY'24 & FY'34F

By Voltage Range (FY'24 & FY'34F)

Among all the segments, 72.5 kV, <=145 kV voltage range will continue to witness highest increase in share over the forecast period, due to their prospective demand coming from large-scale power transmission and large-scale renewable energy projects.

By Application Usage (FY'24- & FY'34F)

Power transmission segment will continue to lead during the forecast period, reflecting a revenue share of 34.2% by FY'34F. The extensive use of bushings in this segment is driven by the continuous expansion and upgrading of transmission infrastructure to support growing electricity demand and enhance grid stability.

Meanwhile, power generation segment will remain second largest area for bushing usage, experiencing a CAGR of 7.4% during FY'24-FY'34F, fueled by push towards increasing power generation capacities and their integration with the power transmission network.

Potential for Domestic Manufacturing and Assembly for bushings in India

India's transformer bushings pose a market opportunity of INR 2,993 crores by FY'34F. In India, the transformer bushing market heavily relies on imports, especially for high voltage bushings. This dependency poses challenges such as supply chain vulnerabilities, high costs, and longer lead times.

The growing demand for transformers in India's expanding power sector highlights the critical need for a robust domestic manufacturing and assembly base for bushings. To attract investments in this sector, several measures can be taken:

- Offer incentives such as tax breaks, subsidies, and easier access to land and capital.
- Establishment of special economic zones (SEZs) dedicated to the electrical components.
- Collaborations between Indian companies and global leaders in bushing technology through Joint Ventures.
- Building a strong domestic manufacturing ecosystem for critical power components.

11. Conclusion – Way Forward

The transformer bushing market in India is poised for significant growth, with projections indicating a market size of INR 2,993 crore by FY'34, achieving a CAGR of 7.0% from FY'24 to FY'34. This growth is driven by the rapid expansion of India's power infrastructure and the adoption of renewable energy. As the country integrates solar and wind energy, the need for advanced bushings capable of handling variable loads and harsh conditions will become essential. Government initiatives focused on grid modernization and the commissioning of new transformers to reduce transmission and distribution losses will also generate fresh demand for bushings.

The bushing market would benefit from vertical players that could offer integrated solutions. Such players would gain from cost efficiencies, streamlined production processes, and the ability to quickly adapt to new technologies, making them well-positioned to meet the increasing demands and advancements in the transformer bushing sector.

For Yash Highvoltage Ltd., the voltage ranges up to 245 kV serves as a suitable target segment matching its product offerings. In 2024, the global market for transformer bushings under 245 kV range was 15,638 crores (SAM for 2024). As the company aims to tap into market upto 440 kV range in future, the global serviceable addressable Market (SAM for 2029F) for Yash Highvoltage Ltd. will expand to 27,121 Crore (Global Transformer Bushings Market up to 440 kV). Currently, the company occupies ~1% share of SAM.

Yash Highvoltage is poised to expand and indigenously develop the core for RIP technology in India that will enable it to export and meet demand internationally with lean supply chain management and power voltage expansion to upto 440 KV in next 5 years. We believe as the niche vertical portfolio players expands into higher voltage transformer bushings, there is an opportunity to obtain 5% of global SAM by 2029, offering an opportunity to expand its business to 1,356 crore.

Within the targeted voltage range, RIP bushings will serve as a sweet-spot for the company as global market is rapidly transitioning from OIP to RIP bushings, leading to global shortages of RIP bushings. This demand-supply gap can be addressed by Yash Highvoltage Ltd. by scaling-up its RIP production to meet domestic and international demand.

BUSINESS OVERVIEW

Yash Highvoltage Limited (“the Company”) is engaged in the manufacturing and distribution of wide range of transformer bushings – Oil Impregnated Paper [OIP] condenser bushing, Resin Impregnated Paper [RIP] / Resin Impregnated Synthetic [RIS] condenser bushing, High Voltage and High Current bushing, OIP Wall bushing and Oil to Oil bushing. The Company also undertakes repairing, retrofitting and replacement services of old bushings. Through our team of experienced engineers, we provide on-site/off-site bushings technical testing, analysis and repairing services.

The Company was originally incorporated as “Yash Highvoltage Insulators Private Limited” in 2002 by a group of technocrats to manufacture Fiber Reinforced Polymer Cylinders and high-current bushing products. In 2008, Mr. Keyur Shah acquired the Company and transformed it into a successful and profitable organisation. Mr. Keyur Shah is a first-generation entrepreneur and the Promoter and Managing Director of the Company, with a vision to be among the top transformer bushing manufacturers globally. The Company was converted to a Limited Company and the name was changed to “Yash Highvoltage Limited” in 2018.

Our corporate office is in Vadodara, Gujarat and we conduct our manufacturing operations in our factory located at 84/1B, PO Khakharia, TA., Savli, Vadodara, Gujarat. Our manufacturing facility has an annual installed capacity to produce 7,000 bushings bifurcated into 3,700 units of OIP Bushings, 3,000 units of RIP Bushings and 300 units of High Current Bushings. The factory is fully equipped with in-house quality testing facilities.

Our Company is on the approved vendor list of various Indian Government Enterprises and large private companies engaged in Power sector.

PRODUCT PROFILE – Role of a Bushing

Transformer Bushings – A critical accessory in Power Transmission

- Transformer bushings play a critical role in the power value chain, ensuring power reaches consumers through multiple critical stages
- A transformer bushing is a crucial component that provides insulation for a current-carrying conductor passing through the grounded metallic tank of a transformer, ensuring safe operation
- It is a mission-critical product whose failure can result in catastrophic consequences for the power transformer as well as other infrastructure in a power substation
- High current bushings enable power transfer from generators to step-up transformers for long distance primary and secondary transmission, whereas OIP/RIP high voltage condenser bushings are crucial for transmission through power substations

Additionally, there are technical aspects in which the significance of power transformer bushing is reflected upon:

1. **Voltage Insulation and Control:** Transformer bushings are designed to conduct current at high voltage through earthed barrier (transformer tank, GIS flange, building wall-cement/brick, to name a few). They withstand electrical stress, preventing breakdowns between the conductor and the earthed transformer body. The integrity of this insulation is crucial, as failures can lead to catastrophic transformer failures, resulting in costly downtimes and repairs
2. **Structural and Mechanical Stability:** Beyond electrical roles, bushings also ensure the mechanical stability of power transformers. They must withstand operational loads, thermal stresses, and vibrations. This dual requirement for electrical and mechanical robustness makes bushing design and material choice critical in transformer design.
3. **Thermal Management:** Bushings also aid in transformer thermal management by dissipating heat efficiently, which is crucial for maintaining safe operating temperatures. Effective heat management impacts the aging and longevity of both the bushing and the transformer.
4. **Monitoring and Diagnostic Interface:** Modern bushings have sensors for continuous monitoring of temperature, moisture, and partial discharges. This enables predictive maintenance, allowing timely interventions and extending transformer life.
5. **Environmental and Safety Considerations:** Bushings enhance environmental safety by containing harmful insulating materials and preventing oil leaks in transformers, reducing fire and environmental risks.
6. **Regulatory Compliance and Standards:** Bushings must meet stringent international and national standards for electrical, mechanical, and thermal properties, ensuring reliable performance under varying conditions.

Transformer Bushings Play a Critical Role in Power Transmission Value Chain

The schematic above shows the role of transformers from the point of power generation to the point of consumption. A **step-up transformer** is primarily used in power generation stations where electricity is generated at a lower voltage. By stepping up the voltage, the transformer enables long-distance transmission of electricity with reduced power loss, since higher voltages reduce current, minimizing energy loss due to heat. A **step-down transformer** is used in the latter stages of power transmission, reducing high transmission voltages to levels suitable for residential, commercial, or industrial use. It ensures that electricity is safely delivered at appropriate voltage levels for consumer use. A **distribution transformer** steps down the voltage from the medium voltage distribution lines to the low voltage required for end-user applications. It is typically found in residential or near industrial areas, providing the final voltage reduction before the electricity reaches homes or businesses. Distribution transformers are designed for high efficiency at low loads, operating continuously to supply energy for everyday use.

MANUFACTURING FACILITY AND PROCESS

Our manufacturing facility spans approximately 65,000 square feet, complemented by an open area of about 85,000 square feet that includes spaces for storage, warehousing, parking and canteen facilities. The land and facility are wholly owned by our Company.

OUR MANUFACTURING FACILITY

OUR MANUFACTURING PROCESS:

1. Designing of bushings

Majority of the bushings are customized in terms of mounting Dimensions, termination lengths, terminal/conductor material, shape & size, operating conditions such as altitude, temporary over voltages, temperature of ambient air and immersion medium, seismic conditions, operating cantilever load etc. Our Engineering and Design team equipped with art design tools and solutions, work out the tendering & order designs of bushings after thorough understanding of customer requirement and specifications and according to applicable internationally standardized and accepted IEC specifications. By use of CAD software, engineers prepare drawings for customer approval. After customer approval, component drawing along with bill of Material & Process & Testing/Inspection Instructions are released to relevant internal departments for procurement, inspection/testing and production. The document control is maintained using ERP system.

2. Raw material procurement and quality inspection

Every component of a transformer bushing contributes towards long-term performance of transformers hence all raw materials for example, insulating kraft paper, porcelain/epoxy insulator, insulating transformer oil, aluminium and copper alloys must be robust to withstand the test of continuous operation. Each material lot is inspected thoroughly and subjected to stringent quality checks before accepting for production. Some of the tests conducted on raw materials includes HV test & internal pressure test on insulators, chemical analysis, mechanical strength check and electric conductivity tests on aluminium and copper alloys, and other physical, chemical, mechanical and electrical tests of insulating paper and transformer oil test, hardness test of rubber O-rings, electro plating thickness checks etc. We control material allotment by using ERP system.

- A. **High Current & OIP Condenser Bushings** – The High Current & OIP Bushings mainly consist of OIP active part, nonferrous metal components, insulating air, oil side envelopes and insulating oil. The flowchart given below shows the entire manufacturing process from receipt of raw materials to dispatch of finished goods.

PROCESS FLOWCHART:

1. Manufacturing of OIP active parts:

The OIP active part is made by winding of insulating kraft paper either on copper stem or aluminium tube former, depending on the design requirement. For capacitive grading, electrical grade aluminium foils are precisely inserted during insulating paper winding, at pre-calculated diametrical and axial locations both, to ensure optimum electric field control and equal voltage distribution across each layer of Insulating core.

After precise winding process of insulating paper core according to a highly accurate capacitive grading programme, the core is dried in autoclaves at elevated temperature under fine vacuum. Insulation drying process lies at the heart of bushing manufacturing chain, and is governed by control parameters such as condensate collection rate and condensate volume, drying temperature, vacuum level, duration of drying process (depending on the mass of insulation) etc.

After adequate moisture extraction is achieved, insulating paper core is impregnated by high quality insulating mineral transformer oil. After impregnating paper insulation at controlled feeding rate of oil, OIP core is kept inside autoclave for given standing time to attain electrical properties of OIP Core. The OIP core is then stored in clean, oil filled tanks in hermetically sealed condition.

Bushing winding is carried out inside dust-free, ambient controlled room to eliminate chances of ingress of foreign particles/moisture inside Insulation. Lead time of winding a paper core depends on the kV class and generally varies from 3 hours to 8 hours. Similar principle applies for autoclaving of a wound paper core, which may vary between 7 to 15 days based on the kV/voltage class of the insulation.

2. Bushing assembly and insulation filling:

After Oil Impregnation, OIP core is ready for assembly. OIP core is housed inside air side porcelain or composite insulator (depending on design), oil end epoxy insulator, mounting flange and conservator. The annular space between all components and OIP core is precisely filled with high quality mineral transformer oil under fine vacuum. vacuum oil flooding cycle is adjusted according to the exposure time during bushing assembly.

Bushing is assembled inside dust-free, ambient controlled room to eliminate chances of ingress of foreign particles/moisture inside Insulation. Test tap stem is connected to last aluminium foil of condenser by wire crimping. Test tap, to enable measurement of capacitance and partial discharge is made of high-quality epoxy moulding. Per bushing time of assembly and oil filling, including standing time is about 2 days.

3. Oil tightness testing of bushing:

After oil filling, the bushing is subjected to an overpressure of oil at 1.1 bar above maximum operating pressure for duration of atleast 16 hours. After completion of test duration, whole bushing is inspected for oil leakages, if any.

4. Electrical and Physical Testing of Bushing:

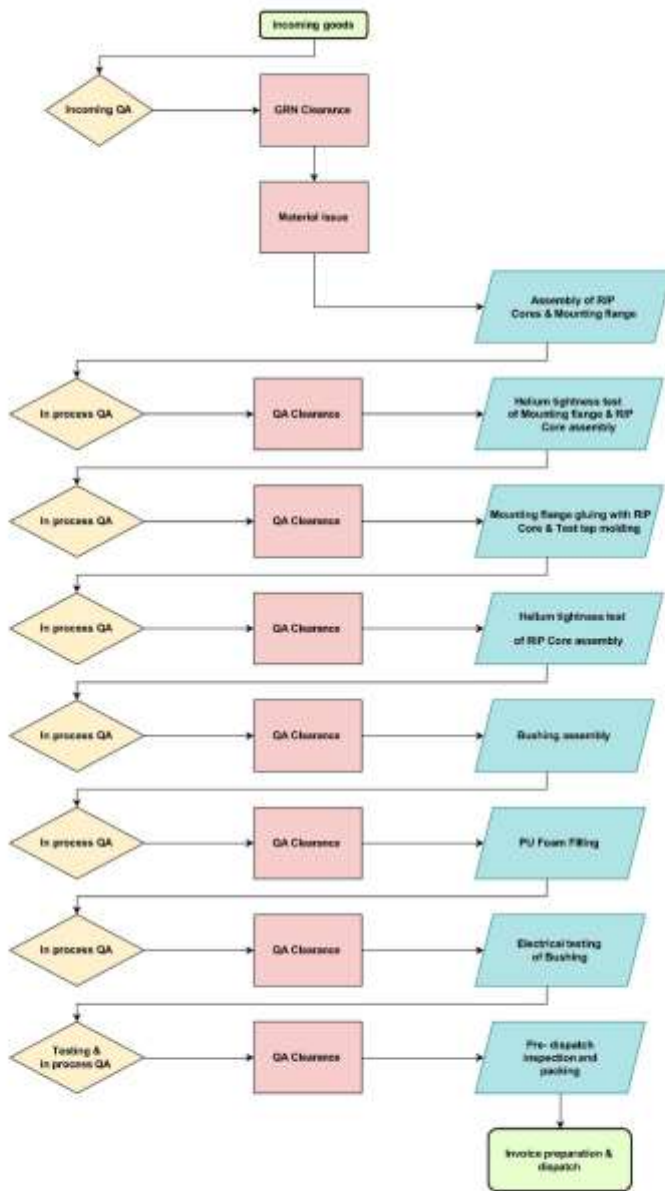

After successful completion of tightness test, bushing is prepared for electrical testing to simulate the actual service conditions. Our 400kV test laboratory is equipped and capable of performing all routine electrical tests as per IEC 60137 standard. The HV test lab has a Partial Discharge (PD) background of < 2pC, ensured by double wall electromagnetic shielding, and imported EMI filters. This facilitates highly accurate PD testing for all products, which is a key parameter for determining insulation health and quality of the 100 bushings. To verify and confirm healthiness, each bushing is critically tested for following stringent electrical tests such as lightning impulse voltage withstand test, AC voltage withstand test, partial discharge quantity measurement test capacitance and dielectric dissipation factor measurement, insulation resistance measurement oil tightness test of bushing and flange etc.

5. Customer inspection and dispatch:

Many bushings are retested in the presence of Customers, if required by them. After satisfactory inspection and testing, Bushing are dispatched to Customers.

B. RIP/RIS Condenser Bushings - The RIP/RIS Bushings mainly consist of RIP Active part, nonferrous metal components, insulating composite insulator and dry insulating foam. The flowchart given below shows the entire process from receipt of raw materials to dispatch of finished goods:

PROCESS FLOWCHART:

1. Procurement of RIP active parts:

The RIP active part/core is imported from overseas suppliers in ready machined condition. It is then stored in humidity and temperature-controlled ambience, until assembly stage.

2. Assembling of mounting flange and test tap moulding:

Aluminium flange, along with O-rings (for sealing) is assembled on RIP core. A high quality two-part epoxy resin adhesive is filled using automatic pneumatic pistol between flange and RIP active part interface. Epoxy adhesive cures after 12 hours. Test tap stem, connected to last aluminium foil of condenser is embedded while glue filling. Test tap, to enable measurement of capacitance and partial discharge is formed simultaneously by Epoxy adhesive.

3. Helium tightness test of RIP core assembly:

After curing of epoxy adhesive at ambient temperature each RIP core is tested for helium tightness test using fully automatic helium tightness test setup to detect even a microfine leakage, if any, from flange and RIP core interface. Per bushing total test duration is around 30 minutes.

4. Electrical testing of RIP cores:

To check healthiness, each RIP core is subjected to stringent partial discharge measurement test and tan delta measurement test before bushing assembly. Per bushing, total test duration is around 20 minutes.

5. Bushing assembly and insulation filling:

After successful passing of tightness test & electrical tests, RIP core is housed inside composite insulator. The annular space between composite insulator and RIP core is precisely filled with high quality polymer based insulating foam using fully automatic insulation filling machine. In order to maintain controlled rate of rise of insulation, and ensure porosity free casting of insulation, insulating foam is filled under positive pressure of nitrogen gas. Bushing is assembled inside dust free room to eliminate chances of ingress of foreign particles inside insulation. Per bushing time of bushing assembly and insulation filling, including curing time of insulating foam is about 2 days.

6. Electrical & physical testing of bushing:

After foam insulation is cured at ambient temperature, bushing is prepared for electrical testing simulating the service conditions. The remaining process of electrical and physical testing is similar to as described in the manufacturing process of OIP condenser bushing.

7. Customer inspection & dispatch:

Many bushings are retested in the presence of customers, if required by them. After satisfactory inspection and testing, bushings are dispatched to customers.

FULLY EQUIPPED IN-HOUSE TESTING FACILITY

We have two in-house Electromagnetically Shielded High Voltage AC & Impulse Testing laboratories, of following ratings,

- 300kV AC Testing Laboratory.
- 600kV AC & 1500kVp Impulse Testing Laboratory.

The laboratories are equipped with the world's best Test and Measuring Equipments. With laboratories fully equipped with Best in Class the test and measuring equipment's, we are able to perform Routine and Type Tests of Bushings of kV classes up to 245 kV.

Each Bushing is critically routine tested in our laboratories for following stringent routine electrical tests,

1. Lightning & Chopped Lightning Impulse and Switching Impulse Voltage Test.
2. One Minute AC Voltage withstand test.
3. PD (Partial Discharge) measurement & assessment test.
4. Capacitance and Tan Delta measurement.
5. Insulation Resistance Measurement

We also have Narrow Band and Wide Band DFR (Dielectric Frequency Response) Measurement equipment for special evaluation of Insulation assessment of Bushings.

In addition to above routine tests, in order to verify the conformity of Bushing Design for all Mechanical, Thermal & Electrical service conditions following additional tests are carried out inhouse on each bushing design,

1. Cantilever load withstand test

2. Lightning Impulse voltage withstand test
3. Long duration AC voltage withstand test
4. Temperature rise test
5. Oil tightness test

We have a fully equipped Oil Testing Laboratory, to perform critical tests on Oil before using it for Impregnation of dried condenser cores in Autoclave and also before filling oil in the Bushing.

1. Oil Breakdown Voltage test.
2. Oil Tan Delta measurement at various temperatures.
3. Oil Insulation Resistivity Measurement
4. Moisture Content Measurement.
5. Particle Count Measurement

OUR COMPETITIVE STRENGTHS

1. Unique positioning in the Indian Transformer Bushing Market

The global transformer bushing market, comprises of over 300 players spread across roughly hundred countries. This market includes both horizontal players, offering a broad range of products, and verticalized players, specializing in specific niches with integrated business models. Within the high voltage condenser bushings segment, ranging from >36 kV to 245 kV, there are ~15 leading players which includes horizontal players with captive manufacturing facilities of transformer bushings, global players supplying transformer bushing to transformer OEMs along with their additional offerings, and specialized vertical players solely focusing on transformer condenser bushings, adhering to international standards.

A smaller group of 6 verticalized companies exists within condenser transformer bushing segment, characterized by their integrated business models focusing solely on transformer bushings. Notable companies in this group include Yash Highvoltage Insulators, Izolyator Group, ChinSun, RHM International, Bushing (Beijing) HV Electric, and HSP Hochspannungsgeräte. Among the verticalized players, Yash Highvoltage Insulators is well placed with the portfolio to produce IEC, IEEE and ANSI standards and customized RIP, OIP, RIS, and OIC bushings with retrofit and repair capability as compared to global big sized power transformer manufacturers where international standard based condenser bushing has a small portfolio concentration of < 2% and high gestation period for custom built bushings along with slow decision making with funds and centralized strategy growth to channelize from global headquarters.

Correspondingly by voltage range, among all segments, >72.5 kV, <145 kV range is the fastest growing voltage range during FY'19 to FY'24, owing to their application including high-voltage substations, generators to the high-voltage transmission network, high-voltage transmission lines, HVDC converter stations and grid inerties (Ken Research) – The Company product profile is designed to capture the growth in this segment with product profile of High Current, OIP and RIP bushings with rated voltage from 24kV ~ 245 kV.

(Source: Industry Report from Ken Research)

Our Company is a dominant market player in manufacturing OIP condenser bushings up to 245kV and high current bushings up to 25,000 Amperes. We have pioneered the localization of explosion-proof and advanced RIP/RIS bushings through a technology partnership with a Switzerland company who pioneers in the field of solid insulation. We import RIP/RIS bushing cores from Switzerland and use them to produce similar branded bushings for regional markets. Our Company has developed

and supplied transformer bushings that meet IEEE standards for the US market. This showcases our first-mover advantage and strong market position

2. Strong industry tailwinds will augment demand for bushings product

The domestic as well as the international market for bushings is experiencing strong tailwinds. The demand for power in India is influenced by population growth, rapid urbanisation, industrialisation through the “Make in India” initiative of the government, electrification of railways etc. Additionally, India's commitment to renewable energy necessitates a robust grid infrastructure capable of integrating intermittent sources like solar and wind, driving the demand for both traditional and smart transformers. The Indian transformer industry is also witnessing significant technological advancements. The integration of digital solutions enables enhanced monitoring and maintenance capabilities, improving the reliability and efficiency of power distribution.

Globally as well the transformer bushing markets is expected to witness significant growth owing to power capacity installation and upgradation across emerging and advanced markets. For e.g. In the USA, the aging power infrastructure is a key driver, with a surge in investments aimed at upgrading and modernizing the electric grid. The push towards renewable energy integration, coupled with increasing electrification, has created a demand for high-performance transformer bushings in the country.

3. Strong track record of supply and installation creates entry barriers for new players

Transformer bushing business is capital intensive and requires a deep expertise of understanding complex materials like porcelain and conductivity-enhancing metals. The process also demands extensive electrical engineering and transformer design expertise. Additionally, compliance with stringent national and international standards adds to complexity.

Over the past 15+ years, our Company has gained vital experience and has a proven track record in distribution and installation of bushings across the world.

From Fiscal 2022 to 2024, our bushing volumes have grown at a CAGR of 19%. We have added ~ 98 new clients during Fiscal 2024 and Fiscal 2023 reflecting our credentials and customer satisfaction. We've also expanded our international footprint and have exported to ~ 24 countries in the past 3 years

4. Long standing and deep relationships with distinguished clientele leading to recurring business

Our distinguished clientele base is a testament to our unwavering commitment to quality, innovation, and reliability in the manufacturing of bushings. Trusted by industry leaders in India and overseas, we have built strong partnerships with major utilities, OEMs, and power companies who rely on our products for critical high-voltage applications. This network not only reflects our technical expertise but also underscores our competitive strength, as we continue to meet the evolving needs of a demanding and dynamic market.

The table below gives a snapshot of repeat customers in terms of value and count:

Particulars	3 months ended June 30, 2024	Fiscal 2024	Fiscal 2023	Fiscal 2022
Revenue from Repeat customers as a % of Revenue from Operation	96%	96%	98%	97%
Count of Repeat customers as a % of No. of Customers served in that period	74%	65%	69%	63%

We have taken repeat customers as those who have been billed atleast twice anytime during quarter ended June 30, 2024, Fiscal 2024, Fiscal 2023 and Fiscal 2022

5. Advanced infrastructure, manufacturing facility and R&D capabilities

Our factory has state-of-art manufacturing and testing equipment sourced overseas. This includes automatic winding machines, SCADA-controlled autoclave systems, handling and storage systems, and state-of-the-art testing equipment. Our in-house EHV test laboratory conducts all routine tests and several type tests per IEC 60137:2017 and IEEE standards, ensuring 100% testing of each product before it leaves the factory.

The facility is further supported by integrated ERP systems and advanced 2D-3D design software. We are also developing indigenous dry RIP/RIS bushings. Our R&D division is constantly engaged in developing and launching new products which help us gain competitive advantage in the industry.

6. Stringent quality measures and adherence to quality standards

A transformer bushing is one of the most critical components in power infrastructure. While bushings are a small part of the overall cost of a power transformer, their failure can cause severe damage and significant financial losses to the transformer and surrounding substation equipment. Additionally, the downtime caused by a transformer failure leads to further substantial losses due to power outages.

Hence, to prevent such failures and losses, it is important for bushing to adhere to strict quality standards and safety measures. Our strength lies in understanding customer requirements and executing them effectively. This enables us to develop and deliver products that meet customer needs, reducing the risk of future transformer failures.

At our company, we conduct thorough oil processing checks on our bushings, including breakdown voltage, oil PPM, dissipation factor, and resistivity tests. We ensure ambient-controlled assembly of condenser bushings in enclosed spaces, monitoring particle counts for cleanliness. Our team uses advanced 3D modelling and rigorous testing to ensure our bushings meet several global standards, including IEC/IEEE and ANSI standards. We have implemented the ISO 9001 Quality Management System since 2009, which has matured over 15 years to ensure consistent quality.

7. Experienced and strong management team and trained workforce

Our company is led and managed by a team of industry veterans and experienced professionals in various aspects of the transformer components industry. We believe that our qualified management team has significantly contributed to the growth of our business operations. Our management team is led by our Managing Director, Mr. Keyur Shah, who has been associated with the transformer components industry for 15+ years. The Company's technical advisory board includes industry experts from transformer bushings and power transmission utilities. They bring significant expertise in engineering and design, operations and production, business management, marketing and branding, quality management, and finance. The Board of Directors come from diverse background and have held key leadership positions in prominent organizations.

OUR GROWTH STRATEGIES

1. Indigenous manufacturing of RIP /RIS bushings

The latest advancements in dry-type bushings technology, specifically Resin Impregnated Paper (RIP) and Resin Impregnated Synthetic (RIS) bushings, are driving significant growth and demand in the market. The rising demand for RIP bushings is mainly attributed to shift in customer preference from OIP bushings to RIP bushings. RIP bushings are designed to be oil-free, significantly reducing the risk of leaks and fire hazards. Moreover, the solid insulation structure of RIP bushings also provides excellent mechanical strength and resistance to environmental factors, such as moisture and pollution, further extending their lifespan and performance in harsh conditions. Owing to these benefits, the demand for RIP bushings will continue to escalate, with its revenue contribution reaching 70.6% of the global transformer bushing market by CY'34F (Source: Industry Report from Ken Research)

The global demand for these innovative solutions is rapidly increasing. Companies with indigenous capabilities and robust production capacities in RIP and RIS bushings are strategically positioned to capitalize on this demand surge, gaining a

substantial competitive advantage in the near future. This aligns seamlessly with our Company's business strategy to leverage cutting-edge technology and market trends to secure a leadership position in the industry.

Under this strategy, we plan to launch new indigenous dry RIP bushings of up to a 245kV. The manufacturing process for this innovative technology will utilize a combination of state-of-the-art imported machinery and domestically sourced equipments, ensuring a robust and efficient production setup, such as winding machines, autoclaves, resin handling and impregnation equipment, CNC Machining centres to name a few of them. We expect that the introduction of these indigenous dry RIP bushings will positively impact our order book and enhance our market positioning and our global market share for such products.

2. Expanding our global footprint

Global transformer bushing market was valued at ₹26,960 crores, and is expected to witness a CAGR of 5.6% during 2024-2034F. The global shift towards the development of new renewable energy projects, large scale implementation of smart grids across several countries, and modernization of power distribution network will surge the demand for transformer bushing used as a critical component of transformers during the commissioning of projects. (Source: Industry Report from Ken Research)

We served ~ 24 countries in the past 3 years with exports accounting for 4.62% of Revenue from Operations during quarter ended June 30, 2024 (4.03% for Fiscal 2024, 1.47% for Fiscal 2023 and 2.86% for Fiscal 2022). Overall export sales have grown at a CAGR of around 53% between Fiscal 2022 to 2024. The potential opportunity in global bushing marketplace coupled with the credentials our Company has built in the export market creates a strong position for the firm to exploit the export market opportunity in the USA and LATAM regions.

3. Focus on retrofit and replacement market

In India, the failure rate of distribution transformers is significantly higher (12-17%) when compared to developed countries (2-3%). Bushing failures are among the top reasons for transformer breakdowns with consequences, such as fires, burning, or explosions (Source: Industry Report from Ken Research). Secondly, bushings have an average lifespan of 30 years depending on service conditions but may require maintenance/ retrofit (replacement) earlier than 30 years, due to several ageing factors e.g., temperature, voltage. There is also a shortage of spare parts for older bushing designs due to legacy models, unavailable original manufacturers or technological advancements. Ageing of transformers would require repairs and restoration services to extend shelf life of such units given the lead time, cost and down-time involved in complete replacement of such unit.

Our business strategy aims to capitalize on this demand by developing and delivering customized bushing products that precisely meet customer requirements. The bushing replacement and retrofit market offers significant growth opportunities, driven by the substantial demand for customized solutions tailored to meet specific customer needs. Our core expertise in bushings enables us to offer flexible and highly customizable retrofit bushing solutions. Our retrofit solutions not only offer a 1-1 replacement of old bushings with new advance bushings but also an upgrade to advanced dry type bushings from traditional OIP bushings. Our dedicated services team provide on-site "Capacitance and Tan Delta" test services for bushings, aiding in early fault detection and condition monitoring. As a supplier of standard design IEC/IEEE bushings, we are well-positioned to provide both standard and tailored products to our clients, ensuring we meet their specific needs and preferences effectively.

PLANT AND MACHINERY

For details on Plant and Machinery of our Company, please refer "Note 11 - Property, Plant and Equipment, Intangible assets and Depreciation Schedule" under section titled "Restated Financial Statements" beginning on Page 238 of this Draft Red Herring Prospectus.

COLLABORATIONS, TIE UPS & JOINT VENTURES

As on the date of this Draft Red Herring Prospectus, our Company has not entered into any collaborations, tie ups or joint venture agreements or arrangements.

SALES AND MARKETING STRATEGY

Our Company's success depends on our sales and marketing strategy, which is essential for our growth. We excel at building and maintaining strong relationships with both domestic and international clients who have been with us for a long time. Our valued clients, agents, and sales heads actively promote our products abroad.

Our promoters and marketing team work together to build good relationships with customers and ensure timely follow-ups. We believe that delivering timely and quality service is crucial for expanding our sales network. To maintain good customer relations, our promoters and marketing team regularly interact with customers to understand their additional needs. Our main criteria for customer selection are timely payments and consistency in purchases.

We plan to focus and adapt below mentioned sales strategies:

- Increase focus on exports & Research, Development and Sales divisions
- Introduce complementary product lines and business verticals
- Expand existing distribution base and sales agents abroad

COMPETITION

The Indian Transformer Bushing industry is concentrated among few players. The competition is more intense in HV transformer bushing, with presence of players such as Hitachi Energy, Crompton Greaves, GE T&D India Limited, Yash Highvoltage Ltd., BHEL and few others. The high level of consolidation in the market is due to the following reasons:

- Transformer bushing business is highly capital intensive as establishing a manufacturing unit demands significant financial outlay for specialized machinery and workspace
- Beyond financial hurdles, material expertise is crucial. Transformer bushings require understanding complex materials like porcelain and conductivity-enhancing metals.
- Further, manufacturing bushings that can withstand high voltage and current while maintaining insulation integrity requires extensive electrical engineering and transformer design expertise.
- Commercial advantage and acceptance to quality measures is difficult for any new player as per the acceptable norms of power transformer companies. The order life cycle is between 3-12 months, reflecting delay in delivery in the market once the order book is placed.

- Additionally, compliance with stringent national and international standards adds to complexity. Obtaining necessary certifications can be lengthy and intricate, deterring new players.

The above-mentioned factors, restrict the entry of a new player to enter transformer bushing business in India.

INFRASTRUCTURE AND UTILITES

Raw Materials: Our primary materials used for OIP bushings are mineral oil, kraft paper, aluminium/brass/copper foils, aluminium/copper/steel components, wood (for packaging) and for RIP bushings: Resin, Crepe paper, Aluminium/Brass/Copper foils, Aluminium/Copper/Steel components, Polyurethane, Wood (for packaging), RIP bushing Body, machined components/castings, fibre glass rovings, porcelain insulators, hollow composite insulators, transformer oil, etc.

Our Company has a robust supplier identification, qualification, and evaluation process. We regularly monitor incoming quality control to ensure high standards. Payment terms with our suppliers range from 30 to 90 days of credit, with some transactions based on letters of credit (LoC) and others as direct payments.

For items affected by commodity pricing, our contracts are tied to the London Metal Exchange (LME) or Bursa Malaysia Exchange (BME) rates for raw materials. The pricing structure separates the cost of raw materials, which is based on current LME/BME rates, from labor and machining costs, which are contracted separately.

We manage vendor orders through our ERP system, which locks in component rates. In case of any change in the rates, system approval supported by documentation from senior officers is required.

Our top ten suppliers of the raw materials & consumable items for F.Y. 2021-22, 2022-23 and 2023-24 and June 30,2024 based on our total purchase were:-

Power: The power needed for our operations, including lighting and machinery, is supplied by the Madhya Gujarat Vij Company Limited (the state electricity board).

Water: The water required for our manufacturing operations is sourced from bore wells.

Utilities: Our offices are fully equipped with computer systems, internet connectivity, communication tools, security measures, and other essential facilities to ensure the smooth functioning of the company.

Human Resource: Our employees and the contract staff that work with us are our biggest assets. The quality of our people is pivotal to our success and competitive edge. Skilled engineers, technicians, specialists as well as semi-skilled and unskilled labour force ensure the precision and reliability of the products by leveraging their expertise in materials science, electrical engineering, and manufacturing processes. A highly trained workforce, with continuous development in cutting-edge technologies and safety protocols, directly contributes to maintaining product quality, optimizing production efficiency, and driving innovation. Additionally, a strong emphasis on teamwork, problem-solving abilities, and adherence to industry standards enables our company to consistently meet client expectations and adapt to evolving market demands.

Our Company had 146 full-time employees as of September 30, 2024. We also maintain a healthy count of contract work force which varies depending on business needs.

INSURANCE

We constantly evaluate the risks in an effort to be sufficiently covered for all known risks. We believe that the amount of insurance coverage presently maintained by us represents an appropriate level of coverage required to insure our business and operations and is in accordance with the industry standard in India. However, there can be no assurance that our insurance policies will be adequate to cover the losses that may be incurred as a result of such interruption. If we suffer a large uninsured loss or any insured loss suffered by us significantly exceeds our insurance coverage, our business, financial condition and result of operations may be materially and adversely affected.

KEY INDUSTRY REGULATIONS AND POLICIES

The following description is a summary of certain key statutes, rules, regulations, notifications, memorandums, circulars and policies which are applicable to our Company and the business undertaken by our Company.

Taxation statutes such as the Income Tax Act, 1961, the Customs Act, 1962 and the relevant goods and service tax legislation apply to us as they do to any Indian company. For details of government approvals obtained by our Company, see “Government and Other Approvals” beginning on page 296.

The information detailed in this section, is based on the current provisions of key statutes, rules, regulations, notifications, memorandums, circulars and policies which are subject to amendments, changes and/or modifications. The information in this section has been obtained from publications available in the public domain.

The description of the applicable regulations as given below has been provided in a manner to provide general information to the investors and may not be exhaustive and is neither designed nor intended to be a substitute for professional legal advice. The indicative summary is based on the current provisions of applicable law, which are subject to change or modification or amended by subsequent legislative, regulatory, administrative or judicial decisions.

INDUSTRY-SPECIFIC LEGISLATIONS APPLICABLE TO OUR COMPANY

Remission of Duties and Taxes on Exported Products Scheme (“RoDTEP Scheme”)

The RoDTEP Scheme has been with effect from January 1, 2021. The aim of the RoDTEP Scheme was to reimburse all exporters for previously non-reimbursable taxes and duties. This provides new benefits to exporters for exporting products outside of India and encourages global trade. Under the RoDTEP Scheme, support will be provided to eligible exporters at a notified rate as a percentage of Freight on Board (“FOB”) value. Mandi tax, VAT, coal cess, central excise duty on fuel etc. is refunded. The refund is issued in the form of transferable electronic scrips. These duty credits will be maintained and tracked through an electronic ledger. Certain categories, which would not avail the benefits include export goods that are subject to minimum export price, restricted and prohibited items, deemed exports, supplies of goods manufactured by domestic tariff area units to Special Economic Zones (“SEZs”), and products manufactured or exported by units situated in SEZs

The Gujarat Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2019

The Gujarat Shops & Establishments (Regulation of Employment and Conditions of Service) Act, 2019 (“2019 Act”) was published in the gazette of the State of Gujarat on Mar 7, 2019 and has been in force from May 1, 2019. The shops and establishments already validly registered under the erstwhile 1948 Act are not required to register themselves afresh under the new Act until the expiry of the previous registration. Traders and businessmen having up to 9 workers are exempt from registration. Such employers are required to submit an online application along with self-certified documents within 60 days of commencement of business. As regards shops and establishments having 10 or more workers, an application for registration, self- declaration and self-certified documents must be submitted to the concerned Inspector along with prescribed fees within 60 days of commencement of business. Once registered under the 2019 Act, the shops/establishments shall remain validly registered until there is change in ownership or nature of business. This means the registration obtained shall not be required to be renewed.

The Gujarat Fire Prevention and Life Safety Measures Act, 2013

A legislation is proposed to establish comprehensive measures ensuring fire prevention, safety, and the protection of life and property in diverse structures such as buildings, temporary structures, shamiyanas, tents, or mandaps that pose a potential fire hazard in various areas within the State of Gujarat. This includes provisions for a fire service fee, the creation of a special fund, and other related matters or occurrences. The enactment aims to address the need for effective safeguards against the risk of fire and to manage associated concerns in the specified regions of Gujarat.

Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010 (“Safety and Electric Supply Regulations”)

The Safety and Electric Supply Regulations lay down general safety requirements with respect to electric supply lines and apparatus, including meters, switchgears, switches and cables. It requires all electric supply lines and apparatus to have adequate rating for power, insulation and estimated fault current and be of adequate mechanical strength for the duty cycle such apparatus may be required to perform and are required to be constructed, installed, protected, worked and maintained in

a manner that will ensure safety of human beings, animals and property. It further requires all electric material and apparatus to conform to the relevant specifications prescribed by the BIS or the International Electro-Technical Commission, as applicable. Further, the Safety and Electric Supply Regulations mandates the installation of suitable switchgear in each conductor of every service line within a consumer's premises, excluding earthed, earthed neutral or earthed external conductor and also requires that such switchgear be encased in a fireproof receptacle.

ENVIRONMENTAL LAWS

The Environment (Protection) Act, 1986 and the Environment (Protection) Rules, 1986

The Environment (Protection) Act, 1986 was enacted to act as an "umbrella" legislation, designed to provide a frame work for coordination of the activities of various central and state authorities as established under previous laws. The Environment (Protection) Act, 1986 authorises the Central Government to protect the environment by controlling and reducing pollution.

The Air (Prevention and Control of Pollution) Act, 1981, ("Air Act") and The Air (Prevention and Control of Pollution) Rules, 1982 ("Air Rules")

The Air Act and Air Rules was enacted and designed for the prevention, control, and abatement, of air pollution, and establishes Central and State pollution control boards for the aforesaid purposes. In accordance with the provisions of the Air Act, any individual, industry or institution responsible for emitting smoke or gases by way of use of fuel or chemical reactions, must apply in a prescribed form and obtain consent from the state pollution control board prior to commencing any such activity.

The Water (Prevention and Control of Pollution) Act, 1974, ("Water Act"), The Water (Prevention and Control of Pollution) Rules, 1975 ("Water Rules"), and, the The Water (Prevention and Control of Pollution) Cess Act, 1977 ("Water Cess Act") and The Water (Prevention and Control of Pollution) Cess Rules, 1978 ("Water Cess Rules")

The Water Act was enacted to provide for the prevention and control of water pollution. Further, the Water Act also provides for the establishment of boards with a view to carrying out the aforesaid purpose, and for conferring on and assigning to such boards, the powers and functions relating thereto. In addition, the Water Cess Act was enacted to provide for the levy and collection of a cess on water consumed by persons carrying on certain industrial activities, and by local authorities, with a view to augment the resources of the aforementioned central board and state boards, for the prevention and control of water pollution.

National Environmental Policy, 2006

The Policy seeks to extend the coverage, and fill in gaps that still exist, in light of present knowledge and accumulated experience. This policy was prepared through an intensive process of consultation within the Government and inputs from experts. It does not displace, but builds on the earlier policies. It is a statement of India's commitment to making a positive contribution to international efforts. This is a response to our national commitment to a clean environment, mandated in the Constitution in Articles 48 A and 51 A (g), strengthened by judicial interpretation of Article 21. The dominant theme of this policy is that while conservation of environmental resources is necessary to secure livelihoods and well-being of all, the most secure basis for conservation is to ensure that people dependent on particular resources obtain better livelihoods from the fact of conservation, than from degradation of the resource.

The Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016

The Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016, as amended (the "Hazardous Wastes Rules") impose an obligation on every occupier of a facility generating hazardous waste for safe and environmentally sound handling of such waste at the facility. Every person engaged in generation, processing, treatment, packaging, storage, transportation, use, collection, destruction, conversion, offering for sale and transfer of hazardous waste, must obtain an approval from the applicable state pollution control board. The occupier, the importer, the transporter and the operator of such facility are liable to the environment or third party resulting from the improper handling and disposal of such waste. The Hazardous Wastes Rules permit for aluminium and zinc scrap to be imported without the permission of the Ministry of Environment, Forest and Climate Change to users and traders, who have obtained the one-time permission from the applicable state pollution control board.

The Public Liability Insurance Act, 1991 & The Public Liability Insurance Rules, 1992

The Public Liability Act, 1991 & The Public Liability Insurance Rules, 1992 imposes liability on the owner or controller of hazardous substances for death or injury to any person (other than a workman) or any damage to property arising out of an

accident involving such hazardous substances. A list of hazardous substances covered by the legislation has been enumerated by the Government by way of a notification. The owner or handler is also required to obtain an insurance policy insuring him against liability under the legislation. The Public Liability Insurance Rules, 1991 mandate that the owner has to contribute towards the environment relief fund, a sum equal to the premium paid on the insurance policies. The amount is payable to the insurer.

TAX LAWS

Income Tax Act, 1961

Goods and Service Tax (“GST”)

Goods and Service Tax (“GST”) GST is an indirect tax applicable throughout India which replaced multiple cascading taxes levied by the central and state governments. The GST is levied as Dual GST separately but concurrently by the Union (central tax - CGST) and the States (including Union Territories with legislatures) (State tax - SGST) / Union territories without legislatures (Union territory tax- UTGST). The Parliament has exclusive power to levy GST (integrated tax IGST) on inter-State trade or commerce (including imports) in goods or services. It was introduced as The Constitution (One Hundred and First Amendment) Act, 2017, following the passage of Constitution 122nd Amendment Bill. The GST is governed by a GST Council and its Chairman is the Finance Minister of India.

Central Goods and Services Tax Act, 2017 (“CGST Act”)

CGST Act regulates the levy and collection of tax on the intra-State supply of goods and services by the Central Government or State Governments. The CGST Act amalgamates a large number of Central and State taxes into a single tax. The CGST Act mandates every supplier providing the goods or services to be registered within the State or Union Territory it falls under, within 30 days from the day on which he becomes liable for such registration. Such registrations can be amended, as well as cancelled by the proper office on receipt of application by the registered person or his legal heirs.

Gujarat (State) Goods and Services Tax Act, 2017 (“SGST Act”)

The Gujarat Government passed the Gujarat Goods and Services Tax Act, 2017 (SGST Act) for regulating the levy and collection of tax on the intra-State supply of goods and services. The SGST Act mandates every supplier providing the goods or services to be registered within the State or Union Territory it falls under, within the prescribed time as mentioned in the said Act from the day on which he becomes liable for such registration. Such registrations can be amended, as well as cancelled by the proper office on receipt of application by the registered person or his legal heirs.

The Integrated Goods and Services Tax Act, 2017 (“IGST Act”)

The IGST Act regulates the levy and collection of tax on the inter-State supply of goods and services by the Central Government or State Governments. It also includes the import and export of goods and services. The IGST Act mandates every supplier providing the goods or services be registered within the State or Union Territory it falls under, within 30 days from the day on which he becomes liable for such registration.

The Customs Act, 1962

All the laws relating to customs are consolidated under the Indian Customs Act, 1962. The provisions relating to appointment of customs ports, airports, warehousing stations are laid down under the Act. There shall be absolute or partial prohibition on import or export of goods by the Central Government for maintenance of security in India. The interest on levy of or exemption of customs duty is laid down under Chapter V of the Act. The clearance of imported goods and export shall not apply to baggage and goods imported or to be exported by post.

The Gujarat State Tax on Professions, Trade, Callings and Employments Act,1976

The professional tax slabs in India are applicable to those citizens of India who are either involved in any profession or trade. The State Government of each State is empowered with the responsibility of structuring as well as formulating the respective professional tax criteria and is also required to collect funds through professional tax. The professional taxes are charged on the incomes of individuals, profits of business or gains in vocations. The professional tax is charged as per the List II of the

Constitution. The professional taxes are classified under various tax slabs in India. The tax payable under the State Acts by any person earning a salary or wage shall be deducted by his employer from the salary or wages payable to such person before such salary or wages is paid to him, and such employer shall, irrespective of whether such deduction has been made or not when the salary and wage is paid to such persons, be liable to pay tax on behalf of such person and employer has to obtain the registration from the assessing authority in the prescribed manner. Every person liable to pay tax under these Acts (other than a person earning salary or wages, in respect of whom the tax is payable by the employer), shall obtain a certificate of enrolment from the assessing authority.

FOREIGN INVESTMENT LAWS

Foreign Exchange Management Act, 1999 (“the FEMA”), Rules and Regulations

The foreign investment in our Company is governed by, inter alia, the Foreign Exchange Management Act (“FEMA”), as amended, the FEMA Rules, the Consolidated FDI Policy Circular of 2020 (“FDI Policy”) effective from October 15, 2020, issued and amended by way of press notes, which prescribe certain requirements with respect to downstream investments by Indian companies that are owned or controlled by foreign entities and with respect to foreign investment into India and transfer of ownership or control of Indian companies in sectors with caps on foreign investment from resident Indian persons or entities to foreigners, as well as such transactions between foreigner. These requirements currently include restrictions on pricing, issue, transfer, valuation of shares and sources of funding for such investments, and may, in certain cases, require prior notice to or approval of the Government of India. In terms of the FDI Policy, foreign investment is permitted (except in the prohibited sectors) in Indian companies either through the automatic route or the approval route, depending upon the sector in which the foreign investment is sought to be made.

The Foreign Trade (Regulation and Development) Act, 1992 and the rules framed thereunder (“FTA”)

The FTA seeks to increase foreign trade by regulating imports and exports to and from India. It authorizes the government to formulate as well as announce the export and import policy and to keep amending the same on a timely basis. The government has also been given a wide power to prohibit, restrict and regulate the exports and imports in general as well as specified cases of foreign trade. The FTA read with the Indian Foreign Trade Policy, 2015-20 (extended till March 31, 2023) provides that no person or company can make FTPs or imports without having obtained an importer exporter code (“IEC”) number unless such person or company is specifically exempted. An application for an importer exporter code number has to be made to the Office of the Director General of Foreign Trade, Ministry of Commerce (“DGFT”). An importer-exporter code number allotted to an applicant is valid for all its branches, divisions, units and factories. Failure to obtain the IEC number shall attract penalty under the FTA.

LABOUR LAW LEGISLATION

The Factories Act, 1948

The Factories Act defines a ‘factory’ to be any premises including the precincts thereof, on which on any day in the previous 12 months, 10 or more workers are or were working and in which a manufacturing process is being carried on or is ordinarily carried on with the aid of power; or where at least 20 workers are or were working on any day in the preceding 12 months and on which a manufacturing process is being carried on or is ordinarily carried on without the aid of power. State governments prescribe rules with respect to the prior submission of plans, their approval for the establishment of factories and the registration and licensing of factories.

The Factories Act provides that the ‘occupier’ of a factory (defined as the person who has ultimate control over the affairs of the factory and in the case of a company, any one of the directors) shall ensure the health, safety and welfare of all workers while they are at work in the factory, especially in respect of safety and proper maintenance of the factory such that it does not pose health risks, the safe use, handling, storage and transport of factory articles and substances, provision of adequate instruction, training and supervision to ensure workers’ health and safety, cleanliness and safe working conditions. If there is a contravention of any of the provisions of the Factories Act or the rules framed thereunder, the occupier and manager of the factory may be punished with imprisonment or with a fine or with both.

Industrial (Development and Regulation) Act, 1951 as amended

The Industrial (Development and Regulation) Act, 1951 has been liberalized under the Industrial Policy dated July 24, 1991, and all industrial undertakings have been made exempt from licensing except for certain industries such as distillation and brewing of alcoholic drinks, cigars and cigarettes of tobacco and manufactured tobacco substitutes, all types of electronic aerospace and defense equipment, industrial explosives including detonating fuses, safety fuses, gun powder, nitrocellulose and matches and hazardous chemicals and those reserved for the small scale sector. An industrial undertaking, which is exempt from licensing, is required to file an Industrial Entrepreneurs Memorandum (“IEM”) with the Secretariat for Industrial

Assistance, Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India, and no further approvals are required.

The Gujarat Factories Rules, 1963

The Gujarat Factories Rules, 1963 (the "Rules") seek to regulate labour employed in factories in the State of Gujarat and makes provisions for the safety, health and welfare of the workers. Under the Rules, the occupier or manager of every factory is required to obtain previous permission for the construction or extension of a factory from the Chief Inspector of Factories. The occupier or manager is required to obtain certificate of stability and registration and notice of occupation for the factory. The Rules also requires inter alia the maintenance of various registers dealing with health, holidays and extent of child labour, white washing, humidity, workers attending machinery. Further, notice of accident or dangerous occurrence in the factory is to be provided to the inspector by the manager of the factory.

The employment of workers, depending on the nature of activity, is regulated by a wide variety of generally applicable labour laws, including the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Employees' State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, Payment of Gratuity Act, 1972, the Payment of Bonus Act, 1965, Maternity Benefit Act, 1961, Child Labour (Prohibition and Regulation) Act, 1986 and the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

In order to rationalize and reform labour laws in India, the Government has enacted the following codes*:

- a) Code on Wages, 2019, which regulates and amalgamates wage and bonus payments and subsumes four existing laws namely – the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976 received the assent of the President of India on August 8, 2019. It regulates, inter alia, the minimum wages payable to employees, the manner of payment and calculation of wages and the payment of bonus to employees. Certain provisions of this code pertaining to central advisory board have been brought into force by the Ministry of Labour and Employment through a notification dated December 18, 2020, and other provisions of this code will be brought into force on a date to be notified by the Central Government.
- b) Industrial Relations Code, 2020, which consolidates and amends laws relating to trade unions, the conditions of employment in industrial establishments and undertakings, and the investigation and settlement of industrial disputes received the assent of the President of India on September 28, 2020. It subsumes and simplifies the Trade Unions Act, 1926, the Industrial Employment (Standing Orders) Act, 1946 and the Industrial Disputes Act, 1947. The provisions of this code will be brought into force on a date to be notified by the Central Government.
- c) Code on Social Security, 2020, which amends and consolidates laws relating to social security, and subsumes various social security related legislations, inter alia including the Employee's Compensation Act, 1923, Employee's State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Maternity Benefit Act, 1961 and the Payment of Gratuity Act, 1972. It governs the constitution and functioning of social security organisations such as the Employee's Provident Fund and the Employee's State Insurance Corporation, regulates the payment of gratuity, the provision of maternity benefits and compensation in the event of accidents that employees may suffer, among others. The Social Security Code received the assent of the President of India on September 28, 2020. Section 142 of the Social Security Code has been brought into force from May 3, 2021, by the Ministry of Labour and Employment, Government of India, ("MLE") through a notification dated April 30, 2021. The MLE, vide a notification dated May 3, 2023, as the effective date for enforcing certain provisions of the Social Security Code relating to the employees' pension scheme, inter alia, (a) to empower the Central Government to frame a scheme to be called the employees' provident fund scheme; and (b) to subsume certain provisions of the Employees' Pension Scheme, 1995 ("EPS") with the Social Security Code, and repeal the corresponding provisions pertaining to EPS under the EPF Act.
- d) The Occupational Safety, Health and Working Conditions Code, 2020 which received the assent of the President of India on September 28, 2020. It consolidates and amends the laws regulating the occupational safety and health and working conditions of the persons employed in an establishment. It replaces certain old central labour laws including the Contract Labour (Regulation and Abolition) Act, 1970, the Factories Act, 1948, the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979 and the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996. The provisions of this code will be brought into force on a date to be notified by the Central Government. The Central Government has issued the draft rules under the Occupational Safety, Health and Working Conditions Code, 2020. The draft rules provide for operationalization of provisions in the Occupational Safety, Health and Working Conditions Code, 2020 relating to safety, health and working conditions of the dock workers, building or other construction workers, mines workers, inter-state migrant workers, contract labour, journalists, audio-visual workers and sales promotion employees.

* *The Code on Wages, 2019, The Code on Social Security, 2020, (enacted by the Parliament of India and assented to by the President of India) will come into force as may be notified in the Official Gazette by the Central Government of India, different dates may be appointed for different provisions of the Codes.*

Apprentices Act, 1961

The Apprentices Act was enacted in 1961 for imparting training to apprentices i.e. a person who is undergoing apprenticeship training in pursuance of a contract of apprenticeship. Every employer shall make suitable arrangements in his workshop for imparting a course of practical training to every apprentice engaged by him in accordance with the programme approved by the apprenticeship adviser. The central apprenticeship adviser or any other person not below the rank of an assistant apprenticeship adviser shall be given all reasonable facilities for access to each apprentice with a view to test his work and to ensure that the practical training is being imparted in accordance with the approved programme.

PROPERTY LAWS

Transfer of Property Act, 1882

The Transfer of Property Act, 1882 was intended to define and amend the existing laws and not to introduce any new principle. It applies only to voluntary transfers. The Transfer of Property Act, 1882 provides a clear, systematic and uniform law for the transfer of immovable property. Transfer of property means an act by which a person conveys the property to one or more persons, or himself and one or more other persons. The act of transfer may be done in the present or for the future. The person may include an individual, company or association or body of individuals, and any kind of property may be transferred, including the transfer of immovable property. Transfer of property is subject to stamping and registration under the specific statutes enacted for the purposes which have been dealt with hereinafter. The Transfer of Property Act, 1882 recognizes, among others, the following forms in which an interest in an immovable property may be transferred:

Sale	The transfer of ownership in property for a price, paid or promised to be paid.
Mortgage	The transfer of an interest in property for the purpose of securing the payment of a loan, existing or future debt, or performance of an engagement which gives rise to a pecuniary liability. The Property Act recognizes several forms of mortgages over a property.
Charges	Transactions including the creation of security over property for payment of money to another which are not classifiable as a mortgage. Charges can be created either by operation of law, e.g. decree of the court attaching to specified immovable property, or by an act of the parties.
Leases	The transfer of a right to enjoy property for consideration paid or rendered periodically or on specified occasions.
Leave and License	The transfer of a right to do something upon immovable property without creating interest in the property. Further, it may be noted that with regards to the transfer of any interest in a property, the transferor transfers such interest, including any incidents, in the property which he is capable of passing and under the law, he cannot transfer a better title than he himself possesses.

Registration Act, 1908

The Registration Act, 1908 has been enacted with the objective of providing public notice of the execution of documents affecting, inter alia, the transfer of interest in immovable property. The purpose of the Registration Act, 1908 is the conservation of evidence, assurances, title and publication of documents and prevention of fraud. It details the formalities for registering an instrument. Section 17 of the Registration Act, 1908 identifies documents for which registration is compulsory and includes, among other things, any non-testamentary instrument which purports or operates to create, declare, assign, limit or extinguish, whether in present or in future, any right, title or interest, whether vested or contingent, in any immovable property of the value of one hundred rupees or more, and a lease of immovable property for any term exceeding one year or reserving a yearly rent. A document will not affect the property comprised in it, nor be treated as evidence of any transaction affecting such property (except as evidence of a contract in a suit for specific performance or as evidence of part performance under the Property Act or as collateral), unless it has been registered. Evidence of registration is normally available through an inspection of the relevant land records, which usually contains details of the registered property. Further, registration of a document does not guarantee title of land.

Indian Stamp Act, 1899

Under the Indian Stamp Act, 1899 stamp duty is payable on instruments evidencing a transfer or creation or extinguishment of any right, title or interest in immovable property. Stamp duty must be paid on all instruments specified under the Indian

Stamp Act, 1899 at the rates specified in the schedules to the Indian Stamp Act, 1899. The applicable rates for stamp duty on instruments chargeable with duty vary from state to state. Instruments chargeable to duty under the Indian Stamp Act, 1899, which are not duly stamped, are incapable of being admitted in court as evidence of the transaction contained therein and it also provides for impounding of instruments that are not sufficiently stamped or not stamped at all.

Gujarat Stamp Act, 1958

The purpose of ***Gujarat Stamp Act, 1958*** was to streamline and simplify transactions of immovable properties and securities by the State Government. The ***Gujarat Stamp Act, 1958*** provides for the imposition of stamp duty at the specified rates on instruments listed in Schedule I of the Gujarat Stamp Act, 1958. Stamp duty is payable on all instruments/ documents evidencing a transfer or creation or extinguishment of any right, title or interest in immoveable property. However, under the Constitution of India, the states are also empowered to prescribe or alter the stamp duty payable on such documents executed within the state.

The Patents Act, 1970

A patent is an intellectual property right relating to inventions and is the grant of exclusive right, for limited period, provided by the Government to the patentee, in exchange of full disclosure of his invention, for excluding others from making, using, selling, importing the patented product or process producing that product. The term invention means a new product or process involving an inventive step capable of industrial application.

The Copyright Act, 1957

Copyright is a right given by the law to creators of literary, dramatic, musical and artistic works and producers of cinematograph films and sound recordings. In fact, it is a bundle of rights including, inter alia, and rights of reproduction, communication to the public, adaptation and translation of the work. There could be slight variations in the composition of the rights depending on the work.

Trade Marks Act, 1999 (hereinafter referred to as the ‘TM Act’)

The Trade Marks Act, 1999 provides for the application and registration of trademarks in India for granting exclusive rights to marks such as a brand, label and heading and obtaining relief in case of infringement for commercial purposes as a trade description. The TM Act prohibits any registration of deceptively similar trademarks or chemical compounds among others. It also provides for penalties for infringement, falsifying and falsely applying for trademarks.

Designs Act, 2000 (“DA”) and the Designs Rules, 2001 (“DR”)

The DA regulates and protects the originality of an article’s design and prohibits the piracy of registered designs. The primary objective of the DA is to protect new or original designs from getting copied, and ensure that the creator, originator or artisan of the design is not deprived of their rightful gains for the creation of their design. The Central Government also drafted the DR under the authority of the DA for the purposes of specifying certain prescriptions regarding the practical aspects related to designs such as payment of fees, register for designs, classification of goods, address for service, restoration of designs, etc.

The Companies Act, 2013

The Companies Act, 2013, has replaced the Companies Act, 1956 in a phased manner. The Act received the assent of President of India on August 29, 2013. At present almost all the provisions of this law have been made effective except a few. The Ministry of Corporate Affairs, has also issued rules complementary to the Companies Act, 2013 establishing the procedure to be followed by companies in order to comply with the substantive provisions of the Companies Act, 2013. The Companies Act primarily regulates the formation, financing, functioning and restructuring of separate legal entity as companies. The Companies Act, 2013 provides regulatory and compliance mechanism regarding all relevant aspects including organizational, financial and managerial aspects of companies. The provisions of the Act state the eligibility, procedure and execution for various functions of the company, the relation and action of the management and that of the shareholders. The law laid down transparency, corporate governance and protection of shareholders & creditors. The Companies Act plays the balancing role between these two competing factors, namely, management autonomy and investor protection.

SEBI Regulations

Securities and Exchange Board of India is the regulatory body for securities market transactions including regulation of listing and delisting of securities. It forms various rules and regulations for the regulation of listed entities, transactions of securities, exchange platforms, securities market and intermediaries thereto. Apart from the Securities and Exchange Board of India Act, 1992, Securities Contracts (Regulation) Act, 1956, Securities Contract (Regulations) Rules, 1957 and other rules and regulations, listed entities are mainly regulated by SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 2011 and SEBI (Prohibition of Insider Trading) Regulations, 2015.

Indian Contract Act, 1872

The Indian Contract Act, 1872 occupies the most important place in the commercial law. Without Indian Contract Act, 1872, it would have been difficult to carry on trade or any other business activity and in employment law. It is not only the business community which is concerned with the Indian Contract Act, 1872, but it affects everybody. The objective of the Indian Contract Act, 1872 is to ensure that the rights and obligations arising out of a contract are honoured and that legal remedies are made available to those who are affected.

Competition Act, 2002

The Competition Act, 2002 aims to anti-competitive practices that cause or are likely to cause an appreciable adverse effect on competition in the relevant market in India. The act deals with prohibition of agreements and anti-competitive agreements. No enterprise or group shall abuse its dominant position in various circumstance as mentioned under the act. The prima facie duty of the Competition Commission established under the act I to eliminate practices having adverse effect on competition, promote and sustain competition, protect interest of consumer and ensure freedom of trade.

The Sale of Goods Act, 1930 (Sale of Goods)

The law relating to the sale of goods is codified in the Sale of Goods Act, 1930. It defines sale and agreement to sell as a contract whereby the seller transfers or agrees to transfer the property in goods to the buyer for a price and provides that there may be a contract of sale between part owner and another and that the contract of sale may be absolute or conditional. According to the provisions of this Act, a contract of sale is made by an offer to buy or sell the goods for a price and the acceptance of such offer. The Act further provides that the contract may provide for the immediate delivery of the goods or

immediate payment of the price or both or for the delivery or payment by instalments or that the delivery or payment or both shall be postponed. Provisions are made in this Act for existing or future goods, perishable goods, ascertainment of price, conditions and warranties, effects of the contract, delivery to courier, duties of seller and buyer, buyer's right of examining the goods, liability of buyer for neglecting or refusing the delivery of goods, rights of unpaid seller, suits for breach of the contract, sale, etc.

The Arbitration and Conciliation Act, 1996

This act was enacted by Parliament in the 47th year of the Republic of India to consolidate and amend the law relating to domestic arbitration, international commercial arbitration and enforcement of foreign arbitral awards as also to define the law relating to conciliation and for matters connected therewith or incidental thereto. The main objectives of the Act are to comprehensively cover international and commercial arbitration and conciliation as also domestic arbitration and conciliation, to make provision for an arbitral procedure which is fair, efficient and capable of meeting the needs of the specific arbitration, to provide that the arbitral tribunal gives reasons for its arbitral award, to ensure that the arbitral tribunal remains within the limits of its jurisdiction, to minimise the supervisory role of courts in the arbitral process, to permit an arbitral tribunal to use mediation, conciliation or other procedures during the arbitral proceedings to encourage settlement of disputes, to provide that every final arbitral award is enforced in the same manner as if it were a decree of the court, to provide that a settlement agreement reached by the parties as a result of conciliation proceedings will have the same status and effect as an arbitral award on agreed terms on the substance of the dispute rendered by an arbitral tribunal and to provide that, for purposes of enforcement of foreign awards, every arbitral award made in a country to which one of the two International Conventions relating to foreign arbitral awards to which India is a party applies, will be treated as a foreign award.

Negotiable Instruments Act, 1881

Negotiable Instruments Act, 1881 was enacted to legalize the system by which instruments contemplated by it could pass from hand to hand by negotiation like any other goods. The purpose of the act was to present an orderly and authoritative statement of leading rules of law relating to the negotiable instruments. To achieve the objective of the act, the legislature thought it proper to make provision in the act for conferring certain privileges to the mercantile instruments contemplated under it and provide special procedure in case the obligation under the instrument was not discharged.

Specific Relief Act, 1963

The Specific Relief Act, 1963 is complimentary to the provisions of the Indian Contract Act, 1872 and the Transfer of Property Act, 1882, as the act applies both to movable property and immovable property. The act applies in cases where the court can order specific performance of a contract. Specific relief can be granted only for purpose of enforcing individual civil rights and not for the mere purpose of enforcing a civil law. 'Specific performance' means court will order the party to perform his part of agreement, instead of imposing on him any monetary liability to pay damages to other party.

Limitation Act, 1963

The law relating to law of limitation to India is the Limitation Act, 1859 and subsequently Limitation Act, 1963 which was enacted on October 05, 1963 and which came into force from January 01, 1964 for the purpose of consolidating and amending the legal principles relating to limitation of suits and other legal proceedings. The basic concept of limitation is relating to fixing or prescribing of the time period for barring legal actions. According to Section 2 (j) of the Limitation Act, 1963, 'period of limitation' means the period of limitation prescribed for any suit, appeal or application by the schedule, and 'prescribed period' means the period of limitation computed in accordance with the provisions of this Act.

Consumer Protection Act, 2019

The Consumer Protection Act, 2019 has repealed the existing Consumer Protection Act, 1986, and shall come into force on such date as the Central Government may, by notification, appoint. The Consumer Protection Act, 1986 provides a mechanism for the consumer to file a complaint against a service provider in cases of unfair trade practices, restrictive trade practices, deficiency in services and unlawful pricing. It provides for a three tier consumer grievance redressal mechanism at the national, state and district levels. Non-compliance of the orders of the redressal commissions attract criminal penalties. The Consumer Protection Act, 2019, has, inter alia, introduce a Central Consumer Protection Council to promote, protect and enforce the rights of consumers and provides for mediation cells for the early settlement of disputes between the parties. It places liability on a product manufacturer / product service provider / product seller to compensate for the harm caused due to a defective product or deficiency in services. The Consumer Protection Act also enables the Central Government to take measures for preventing unfair trade practices in e-commerce

The Micro, Small And Medium Enterprises Development Act, 2006 (The “MSME Act”)

The Micro, Small and Medium Enterprises Development Act, 2006 and Industries (Development and Regulation) Act, 1951 The Micro, Small and Medium Enterprises Development Act, 2006 (“MSME Act”) In order to promote and enhance the competitiveness of Micro, Small and Medium Enterprise (MSME) the Micro, Small and Medium Enterprises Development Act, 2006 is enacted. A National Board has been established by the Central Government for MSME enterprise with its head office at Delhi in the case of the enterprises engaged in the manufacture or production of goods pertaining to any industry mentioned in first schedule to Industries (Development and Regulation) Act, 1951.

Electricity Act, 2003

The Electricity Act, 2003 has been recently introduced with a view to rationalize electricity tariff, and to bring about transparent policies in the sector. The Act provides for private sector participation in generation, transmission and distribution of electricity, and provides for the corporatization of the state electricity boards. The related Electricity Regulatory Commissions Act, 1998 has been enacted with a view to confer on these statutory Commissions the responsibility of regulating this sector.

The Legal Metrology Act 2009

The Legal Metrology Act, 2009 (“LMA”) provides for establishing uniform standards of weights and measures regulate trade in weights, and other goods which are sold or distributed by weight, measure or number. Every manufacturer, repairer and seller shall have to obtain a license from the respective Controller. The Act allows Government approved test centers to verify weights and measures.

OTHER APPLICABLE LAWS

In addition to the above, we may be governed by the provisions of the fire-safety related laws, contract act, foreign trade laws and other applicable laws and regulation imposed by the Central Government and State Governments and other authorities for our day to day business, operations and administration

OUR GROUP COMPANIES

In terms of the SEBI ICDR Regulations, the term “group companies”, includes (i) such companies (other than promoter(s) and subsidiary(ies)) with which there were related party transactions during the period for which financial information is disclosed, as covered under applicable accounting standards, and (ii) any other companies considered material by the board of directors of the relevant issuer company.

Accordingly, for (i) above, all such companies (other than our Promoter) with which our Company had related party transactions as covered under the relevant accounting standards (i.e., Ind GAAP), as per the Restated Financial Statements, have been considered as Group Companies in terms of the SEBI ICDR Regulations.

Additionally, pursuant to the Materiality Policy, for the purposes of (ii) above, a company (other than our Promoter and companies categorized under (i) above) have been considered material and shall be disclosed as a group company in this Draft Red Herring Prospectus if:

- (i) such company forming part of the Promoter Group of our Company in terms of Regulation 2(1)(pp)(iv) of the SEBI ICDR Regulations ; and
- (ii) the Company has entered into one or more transactions with such company during three month period ended June 30, 2024 and Fiscal 2024, Fiscal 2023 and 2022 which individually or cumulatively in value exceeds 10% of the total income of our Company for the latest fiscal year derived from the Restated Financial Statements.

Our Company had certain related party transactions with:

- (i) Green Electricals Private Limited;
- (ii) MGC Moser-Glaser AG (“**MGC**”) and
- (iii) Pfiffner Instrument Transformers Private Limited (“**Pfiffner India**”)

during the period ended June 30, 2024 and the financial years ended March 31, 2024, March 31, 2023 and March 31, 2022 (“**Financial Years**”). For details, see section titled, “*Financial Information*” on page 238

Of the above-mentioned entities, MGC was related party of our Company on account of the shareholding of MGC in our Company and Pfiffner India being the subsidiary of Pfiffner International AG, parent holding company of MGC. However, pursuant to the share purchase agreement dated March 25, 2024 executed between MGC, our Company and Mr. Keyur Girishchandra Shah, Promoter and MD of our Company, for purchase of the entire shareholding of MGC by Mr. Keyur Girishchandra Shah, MGC was a related party till April 16, 2024.

Additionally, Pfiffner India was related party of our Company as Mr. Keyur Girishchandra Shah, Promoter and MD of our Company, was an executive director on the board of Pfiffner India. However, Mr. Keyur Girishchandra Shah ceased to be a director on the board of Pfiffner India from June 13, 2024 and accordingly Pfiffner India is no longer a related party of the Company with effect from June 13, 2024.

We do not have the consent and/or the requisite information, confirmations and undertakings from, and pertaining to these entities to include MGC and Pfiffner India as part of our group companies.

Our Company had submitted application dated June 20, 2024 (“**Exemption Application**”) to SEBI under Regulation 300 of the SEBI ICDR Regulations, requesting an exemption from recognizing and disclosing MGC Moser Glaser AG, Pfiffner Instrument Transformers Private Limited and Pfiffner International AG as our group companies. In response to the said application SEBI has directed us to include MGC and Pfiffner India as ‘group company’ in accordance with the Regulation 2(1)(t) of SEBI ICDR Regulations and provide such disclosures about these entities to the extent available to our Company from public domain. Accordingly, the disclosures pertaining to MGC and Pfiffner India included in this Draft Red Herring Prospectus are based solely on certain publicly available information published on the websites of the government and regulatory bodies / authorities, and only to the extent available and accessible to our Company (“**Publicly Available Information**”). As a matter of abundant caution, it should be noted that disclosure of MGC and Pfiffner India as a part of disclosures on our Group Companies should not in any way be construed as any relation of our Company with MGC and Pfiffner India as the same are being classified as ‘group company’ only pursuant to certain related party transaction(s) during

the Financial Years and in accordance with the Regulation 2(1)(t) of SEBI ICDR Regulations. Further, we are unable to verify whether the disclosures, or any other confirmations included in this Draft Red Herring Prospectus are complete or up-to date. For further details, see “Risk Factors –Internal Risk Factor no. 8 “*Certain of our Group Companies (which are no longer not related parties) have not consented to the inclusion of, nor have they provided, information or any confirmations or undertakings pertaining to themselves, which are required to be disclosed in relation to Group Companies under the SEBI ICDR Regulations in this Draft Red Herring Prospectus. Consequently, we cannot assure you that the disclosures relating to such Group Companies are complete or up-to-date.*” on page 39.

SIGNIFICANT ACCOUNTING POLICIES AND EXPLANATORY NOTES TO RESTATED FINANCIAL INFORMATION

A Company Overview:

Yash Highvoltage Limited (“the company”) was originally incorporated in name of M/s Yash Highvoltage Insulators Private Limited in 2002 by technocrats to engage in the business of manufacturing of high end transformer bushings.

The Company has been delivering innovative and highly efficient transformer bushings to the industry ranging from RIP, HV-OIP, LV High Current, HV RIP Condenser Bushings and FRP Cylinders since many years. It has spread its wings to numerous countries and created a brand name for itself. With continued patronage of its discerning customers, most of whom are domestic and global giants of the industry, clubbed with international collaborations, YASH today is synonymous with high-performance and world-class quality solutions at competitive value and has carved out a distinct niche for itself. It has a distinct track record of growth which is expected to only get better going forward.

With the vision of creating a global large scale enterprise, the present promoters have decided to take the next step whereby, the Company has been converted to a Limited Company and the name of the Company was changed to Yash Highvoltage Limited, approval to which was accorded by the Registrar of Companies on 07.03.2018.

B Basis of Preparation of Restated Financial Statement:

The Restated Financial Statements are prepared on accrual basis of accounting, following historical cost convention, in accordance with the provisions of the Companies Act, 2013 (‘the Act’), accounting principles generally accepted in India and comply the accounting standards specified under Section 133 of the Act, read with relevant applicable rules, as amended from time to time. The restated financial information has been prepared for inclusion in the Draft Red Hearing Prospectus (“DP” or “offer document”) to be filed by the Company with the Security Exchange Board of India, Bombay Stock of Exchange (‘BSE’) & Registrar of Company, Gujarat, Dadra & Nagar Haveli the Bombay Stock of Exchange (‘BSE’) in connection with proposed Initial Public Offering of its equity shares of face value of Rs 5 each of the Company comprising a fresh issue of equity shares and offer for sale of equity shares held by an existing shareholders (the “Offer”), in accordance with the requirements of:

- a) Section 26 of part I of Chapter III of the Act

- c) Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India (‘ICAI’)

C Use of Estimate

The preparation of restated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the restated financial statement and the results of operations during the reporting period end. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date.

D Property Plant & Equipment:

- a. Property, Plant & Equipment are stated at their cost of acquisition less any subsidy / grant received less accumulated depreciation. The cost of acquisition includes freight, installation cost, duties & taxes for which no credit is available and other incidental expenses, identifiable with the asset, incurred during the installation / construction stage in order to bring the assets to their working condition for intended use.

YASH HIGHVOLTAGE LIMITED NOTES TO RESTATED FINANCIAL STATEMENTS

- b. Internally generated Intangible assets have been stated at cost of generation as per Accounting Standard 26 "Intangible Assets" less accumulated amortization. 7	R&D Plant & Machinery	15

- e. On addition / disposals during the year, depreciation has been provided on pro-rata basis depending on period of usage.
- f. Cost of Intangible Assets is amortized over its estimated useful life i.e. 5 years for Software & 10 years for Technical Know-how on pro-rata basis.

E Capital Work in Progress:

- a. Capital work-in-progress is carried at cost, comprising direct cost and related incidental expenses.

F Leases:

Operating lease

Lease rentals in respect of assets acquired under operating lease are charged off to the statements of profit and loss as incurred on straight line basis.

G Investment:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried at lower of cost and fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

H Inventories:

- a. Raw Materials and Consumables are valued at Cost or NRV which ever is lower. The cost is arrived on FIFO basis. 'Cost' includes all duties, taxes (other than those subsequently recoverable by the enterprise from the taxing authorities) and other expenses incurred to bring the inventories to their present location and condition.
- b. Finished products are valued at lower of cost or net realizable value.
- c. Semi-Finished goods have been valued at Raw Material cost increased by a proportion of overheads in consonance with the stage of completion as certified by the management.

I Employees Benefit:

- a. Employee Benefits comprise short term as well as long term defined contribution and benefit plans.
- b. Contributions to Provident Fund and Employee State Insurance are defined contributions. The Company's Contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no further obligations beyond the periodic contributions.
- c. The Company policy of Leave Encashment falls under short-term compensation plan as it usually pays off the employees against their accumulated leave on a short term basis. However, unpaid leaves as at year end, if any are provided for.
- d. The Company continues to have a defined benefit Gratuity plan. The Company has obtained actuarial valuation for creating a provision towards Gratuity obligations that may arise in the years to come and accordingly the amount towards Gratuity as per the report of actuarial valuation is provided for.

J Sales/Turnover Income recognition:

- a. Revenue is recognized on transfer of property in goods or on transfer of significant risks and rewards of ownership to the buyer, for a consideration, without the seller retaining any effective control over the goods.
- b. Sales are accounted on dispatch of goods (which generally coincides with the transfer of ownership) and are net of goods and service tax and net of returns/rejections/deductions on account of quality disputes etc.
- c. In case of services, revenue is recognized on completion of particular services.
- d. Other items of income such as Interest, Duty Drawback etc are accounted on accrual basis (depending on certainty of realization) and disclosed under the head "Other Operating Income".

L Accounting on Tax on Income:

- a. Provision for taxation for the year under report includes provision for Current tax as well as provision for deferred tax.
- b. Provision for Current Tax is made, based on tax estimated to be payable as computed under the various provisions of the Income Tax Act, 1961.
- c. Deferred tax is recognized, subject to prudence, on timing differences between taxable income and accounting income that originate during the year and are capable of being reversed in one or more subsequent periods. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that future taxable income will be available against which such deferred tax assets can be realised. Deferred Tax Liabilities / Assets are quantified using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date.

M Impairment of Assets:

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit (CGU) to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual CGU, or otherwise they are

An intangible asset not yet available for use is tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

The Company's corporate assets do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

N Borrowing Cost:

According to AS-16, borrowing costs that are directly attributable to the acquisition of qualifying assets are to be capitalized for the period until the asset is ready for its intended use. A qualifying asset being, an asset that necessarily takes a substantial period of time to get ready for its intended use. Other borrowing costs are to be recognized as an expense in the period in which they are incurred.

O Government Grants:

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is shown as a deduction from the gross value of concerning asset and thus such grant is recognised in Profit and Loss Account over the useful life of asset by way of a reduced depreciation charge. Where the government grants are of the nature of promoter's contribution and no repayment is ordinarily expected in respect thereof, the grants are treated as capital reserve.

P Foreign Currency Transactions:

Transactions in foreign currency are recorded in Indian Rupees at the exchange rate prevailing on the date of the transactions. Balances of monetary items in foreign currencies, at the date of Balance Sheet i.e. foreign currency monetary transactions not settled on the Balance Sheet date, are converted into Indian Rupees at the rates of exchange prevailing on that date. Exchange gains or losses on settlement, if any, are treated as income or expenditure respectively in the Statement of Profit & Loss in the year in which they arises.

Q Foreign Currency Derivative Contracts:

The Company is exposed to foreign currency fluctuations on foreign currency assets and forecasted cash flows denominated in foreign currency. The Company tries to limit the effects of foreign exchange rate fluctuations by following risk management policies including use of derivatives. For this the Company enters into forward exchange contracts, where the counter-party is a Bank. These forward contracts are not used for trading or speculation purposes.

YASH HIGHVOLTAGE LIMITED NOTES TO RESTATED FINANCIAL STATEMENTS

In case of forward contracts the gain or loss arising on exercise of option or settlement or cancellation are recognized in the Statement of profit and loss for the period. The forwards contracts outstanding as at the balance sheet date, if any, are marked-to-market and corresponding exchange gain or loss is recognized on the same.

R Contingencies / Provisions:

Provisions are recognized when an enterprise has a present obligation as a result of past event for which it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the best current estimates.

Provisions for legal claims, product warranties and make good obligations are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or the present obligations that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent Asset are neither disclosed nor recognised in Financial Statement.

S Cash & Cash Equivalents

Cash and cash equivalents for the purposes of the cash flow statement comprise cash at bank, in hand and short-term investments with an original maturity of three months or less.

T Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

U Cash Flow Statement

Cash flows are reported using the Indirect Method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

Restated Reserves and Surplus (A+B)		3,905.86	2,900.62	2,143.06

Explanation for the Material Adjustments:

- Finished Goods sent to third party for testing purposes and lying with such third party as at the year-end was not getting covered in the Total Inventory of Finished Goods as at the year end. Accordingly, the value of Closing Stock of Finished Goods has increased by 18.34 Lakhs, 10.60 Lakhs & 17.38 Lakhs for the year ended 31st March 2022, 2023 & 2024 respectively. Moreover, its reversal effect of the same has also been provided in the opening stock for the respective next years. Accordingly, the profit of the company has been increased by Rs. 18.34 lakhs for the year ended 31st March 2022, Rs. 6.77 Lakhs for the year ended 31st March 2024 & decreased by Rs. 7.73 lakhs for the year ended 31st March 2023.
- The Cost of bringing the inventory to the its location was not getting added to the valuation of raw materials for the year ended 31st March, 2022 and 31st March, 2023. Accordingly, the valuation of the inventory has been increased by Rs. 25.36 Lakhs, Rs. 87.44 Lakhs respectively in both of the above years. Moreover, the reversal effect of the same has also been provided in the respective next financial years. Accordingly the profit of the company has been increased by Rs. 25.36 lakhs for the year ended 31st March 2022 & increased by Rs. 62.08 lakhs for the year ended 31st March 2023 and decreased by Rs. 87.44 Lakhs for the year ended 31st March 2024.
- Apropos valuation of Finished Goods at Cost or Net Realisable value whichever is lower, the Company was determining cost by reducing profit margin from the selling price instead of determining the cost based on consumption of materials and overheads. Accordingly, for the year ended 31st March 2022, 31st March 2023 & 31st March 2024 the stock of the FG has been reduced by Rs. 27.44 Lakhs, Rs.7.81 Lakhs, Rs.54.70 Lakhs respectively. Moreover the reversal impact of the same has also been provided in the opening stock of the subsequent respective financial years. Accordingly the profit of the company has been reduced by Rs. 27.44 lakhs for the year ended 31st March 2022, Rs. 46.89 Lakhs for the year ended 31st March 2024 & increased by Rs. 19.63 Lakhs for the year ended 31st March 2023.
- The adjustment for the prior period expenditure has been provided and accordingly the said expenses has now been booked for the respective year to which they relate.
- The company had provided excess personal gurantee commission amounting to Rs. 11.80 Lakhs to relative of KMP's during the year ended 31st March 2024 and accordingly the same has been reversed now.
- The provision for the Income tax has been changed mainly on account to give the effect of above changes in the respective years & rates of the income tax since the company has adopted new tax regime under section 115BAA of the Income tax act, 1961 w.e.f AY 2024-25.
- The deferred tax adjustment has been provided mainly due to the fact of shifting of the tax regime by the company from AY 24-25.

Material regrouping/reclassifications:

Appropriate regrouping/reclassification have been made in the Restated Statement of Assets and Liabilities, Restated Statement of Profit and Loss Account & Restated Statement of Cash flows, wherever required, by reclassification of the corresponding items of income, expenses, assets and liabilities and cash flows, in order to bring them in line with the accounting policies and classification as per the Audited financial statement for period ended 30th June, 2024 prepared in accordance with Generally Accepted Accounting Principles ("GAAP") in India and to comply in all material respects with the applicable Accounting Standards prescribed under section 133 of the Companies Act, 2013 ("Act") read with relevant rules and other relevant provisions of the Act and the requirements of the Securities and Exchange Board of India (Issue of Capital & Disclosure Requirements) Regulations, 2018, as amended.

You should read the following discussion of our financial condition and results of operations together with our Restated Financial Statements for Period ended on June 30, 2024, and Fiscal March 31, 2024, 2023 and 2022 including the notes and significant accounting policies thereto and the reports thereon, which appear elsewhere in this Draft Red Herring Prospectus. You should also see the section titled "Risk Factors" beginning on page 39 which discusses a number of factors and contingencies that could impact our financial condition and results of operations. The following discussion relates to our Company, unless otherwise stated, is based on restated audited financial statements.

These financial statements have been prepared in accordance with Indian GAAP, the Companies Act and the SEBI ICDR Regulations and restated as described in the auditors examination report which is included in this Draft Red Herring Prospectus under the section titled "Financial Information - Restated Financial Statements" beginning on page 238. The Restated Financial Statements have been prepared on a basis that differs in certain material respects from generally accepted accounting principles in other jurisdictions, including US GAAP and IFRS. We do not provide a reconciliation of our Restated Financial Statements to US GAAP or IFRS and we have not otherwise quantified or identified the impact of the differences between Indian GAAP and U.S. GAAP or IFRS as applied to our Restated Financial Statements.

This discussion contains forward-looking statements and reflects our current views with respect to future events and financial performance. Actual results may differ materially from those anticipated in these forward-looking statements because of certain factors such as those described under "Risk Factors" and "Forward Looking Statements" beginning on 39 and 27 respectively, and elsewhere in this Draft Red Herring Prospectus.

Accordingly, the degree to which the financial statements in this Draft Red Herring Prospectus will provide meaningful information depends entirely on such potential investor's level of familiarity with Indian accounting practices. Our Financial Year ends on March 31 of each year; therefore, all references to a particular fiscal are to the twelve-month period ended March 31 of that year as well as three-month period ended June 30, 2024. Please also refer to section titled "Certain Conventions, Currency of Presentation, Use of Financial Information and Market Data" beginning on page 24 of this Draft Red Herring Prospectus.

BUSINESS OVERVIEW

Incorporated in year 2002, we are leading manufacturer of innovative high-voltage and high-current transformer bushings, serving the global power transmission and generation sectors for over two decades. We are one of the few manufacturers to design and supply transformer bushings globally compliant with IEEE/ANSI standards for the USA and European markets. Our manufacturing facility is in Halol near Vadodara, India (known as the transformer hub of India). We serve 60 countries with over 35,000 bushings in operation worldwide. Additionally, our bushings are installed in every Indian nuclear power generation facility, as well as in all major transmission and distribution utilities across India. We are among the few companies in the world to innovate OIP condenser bushings with polymer insulators.

Currently, we manufacture bushings from our manufacturing plant located in Halol near Vadodara, Gujarat, India. The manufacturing unit is located at 84/1B P.O. Khakhariya, Taluka-Savli, Dist-Vadodara-391510, Gujarat, India admeasuring an factory area of over 65,000 sq. ft. Our plant configurations has continuously expanded its manufacturing facility and product range to manufacture transformer bushings annually, with the capability to serve major volumes of transformer OEMs globally based on the different requirements of our customers pertaining to the dimensions, size and material requirements. We have a installed manufacturing capacity of 7,000 bushings. Yash Highvoltage is an ISO 9001:2015 accredited leading manufacturer of HV condenser-graded transformer bushings, compliant with IEC, IEEE and ANSI standards.

Our extensive range of transformer bushings adds value to customer through custom engineering and such range includes RIP/RIS condenser bushings, High current bushings, OIP condenser bushings and OIP wall bushings. Our flagship product, high-current bushings, has found wide acceptance in the Indian market as an import substitute. In 2018-19, we pioneered the localization and supply of RIS Bushings in India, marking a significant milestone. We are a domestic manufacturing market leader for RIP bushings and high-current bushings with over 80% market share for capacity up to 245kV. We hold a significant share of the domestic OIP bushings market and exports these products to over 60 countries, with continuous global expansion. Also, we offer customization options within our product range to meet our customers' requirements to the greatest extent.

Over the course of a decade from 2010 to 2021, we demonstrated remarkable growth, escalating our revenue from a modest ~₹30 lakhs in 2010 to an impressive ~₹ 3,738 lakhs in 2021. Revenue almost doubled to ~ ₹ 6,505 lakhs in FY21-22. The milestone of ₹ 10,000 lakhs turnover was achieved in FY24. For OIP, high -current and other bushings, ~ 78% of revenue comes from domestic Indian clients, while the remaining ~ 22% is generated through exports. In the financial year 2021-2022, 81 clients placed their trust in us and joined our journey. An additional 50 clients were added in 2022-2023, followed by 48 more in 2023-2024.

Revenue from Operations

The monthly revenue run rate of ₹ 920.96 Lakhs for three months Ended June 30, 2024 increased by 1.88% as compared to Monthly run rate of ₹ 904.01 Lakhs for Fiscal 2024. This is mainly due to increase in sale of goods and services.

Total Expenses

The monthly Total Expense run rate of ₹ 782.42 Lakhs for three months Ended June 30, 2024 increased by 1.36% as compared to Monthly run rate of ₹ 771.88 Lakhs for Fiscal 2024. This is mainly due to increase in other expenses and depreciation.

Profit After Tax

The monthly Profit After Tax run rate of ₹104.25 Lakhs for three months Ended June 30, 2024 increased by 3.71% as compared to Monthly run rate of ₹ 100.52 Lakhs for Fiscal 2024. This is mainly due to increase in sales of products and services.

Fiscal 2024 compared with Fiscal 2023

Revenue from Operation

Revenue from operations had increased by 20.05% from ₹ 9,036.21 Lakhs in Fiscal 2023 to ₹ 10,848.08 Lakhs in Fiscal 2024. The main reason for the same is increase in Domestic sales of good and Export Sales.

Cost of Goods Sold (Cost of Material Consumed +/- Change in Inventories)

Cost of Materials Consumed increased by 19.40% from ₹5,041.81 Lakhs during Fiscal 2023 to ₹6,019.76 Lakhs during Fiscal 2024 mainly due to increase in purchases during the year.

Employee Benefit Expenses

Employee benefit expenses had Increased by 16.63% from ₹ 1,019.24 Lakhs in Fiscal 2023 to ₹ 1,188.72 Lakhs in Fiscal 2024 mainly due to increase in salaries and wages during FY 2023-24.

Other Expenses:

Other expenses had increased by 53.34% from ₹ 1,059.44 Lakhs in Fiscal 2023 to ₹ 1,624.52 Lakhs in Fiscal 2024. This is primarily because of increase in Professional Fees-Marketing expenses.

Finance Cost

Finance Cost had increased by 80.90% from ₹ 114.42 Lakhs in Fiscal 2023 to ₹ 206.99 Lakhs in Fiscal 2024. This is primarily due to increase in Other Borrowing Costs.

Depreciation and Amortization Expenses

Depreciation & Amortization expenses had increased by 9.73% from ₹ 202.82 Lakhs in Fiscal 2023 to ₹ 222.54 Lakhs in Fiscal 2024.

The increase in depreciation is primarily driven by the additions in their fixed assets which lead to increase in depreciation during the year.

Profit after Tax

The Profit After Tax increased by 5.61% from ₹ 1,142.22 Lakhs in Fiscal 2023 to ₹ 1,206.27 Lakhs in Fiscal 2024 which is largely in line with the Profit Before Tax. The profit is increased on account of increased sales.

Revenue from Operation

Revenue from operations had increased by 38.90% from ₹ 6,505.71 Lakhs in Fiscal 2022 to ₹ 9,036.21 Lakhs in Fiscal 2023. The main reason for the same is increase in domestic sales.

Cost of Goods Sold (Cost of Material Consumed +/- Change in Inventories)

Cost of Materials consumed increased by 35.31% from ₹3,726.09 Lakhs during Fiscal 2022 to ₹5,041.81 Lakhs during Fiscal 2023 mainly due to increase in purchases during the year.

Employee Benefit Expenses

Employee benefit expenses had increased by 80.34% from ₹ 565.19 Lakhs in Fiscal 2022 to ₹ 1,019.24 Lakhs in Fiscal 2023 mainly due to increase in salaries and wages and staff welfare expenses during FY 2022-23.

Other Expenses:

Other expenses had increased by 38.80% from ₹ 763.28 Lakhs in Fiscal 2022 to ₹ 1,059.44 Lakhs in Fiscal 2023. This is primarily because of increase in selling and distribution expenses

Finance Cost

Finance Cost had increased by 10.42% from ₹ 103.62 Lakhs in Fiscal 2022 to ₹ 114.42 Lakhs in Fiscal 2023. This increase is primarily because of Borrowings during the year.

Depreciation and Amortization Expenses

Depreciation & Amortization expenses had increased by 46.92% from ₹ 138.05 Lakhs in Fiscal 2022 to ₹ 202.82 Lakhs in Fiscal 2023.

The change in depreciation is primarily driven by the additions in their fixed assets which lead to increase in depreciation during the year.

Profit after Tax

The Profit After Tax increased by 31.10% from ₹ 871.23 Lakhs in Fiscal 2022 to ₹ 1,142.22 Lakhs in Fiscal 2023 which is largely in line with the Profit Before Tax. The profit is increased on account of increased sales.

SECTION X: LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATIONS AND MATERIAL DEVELOPMENTS

The details of outstanding litigations or proceedings relating to our Company and our Directors and our Promoter are described in this section in the manner as detailed below.

Except as stated in this section and mentioned elsewhere in this Draft Red Herring Prospectus, there are no (i) criminal proceedings, (ii) actions taken by statutory or regulatory authorities, (iii) disciplinary action including penalty imposed by the SEBI or stock exchange against our Promoter in the last 5 Financial Years, including outstanding action, (iv) claims related to direct and indirect taxes in a consolidated manner, (v) details of any other pending material litigation which are determined to be material as per a policy adopted by our Board, in each case involving our Company, Promoter, and Directors (“**Relevant Parties**”) (vi) inquiries, inspections or investigations initiated or conducted under the Companies Act, 2013 against our Company since its incorporation from the date of this Draft Red Herring Prospectus; (vii) pending proceedings initiated against our Company for economic offences; (viii) material frauds committed by or against our Company since its incorporation from the date of this Draft Red Herring Prospectus; (ix) defaults for non-payment of statutory dues; (x) fines imposed or compounding of offences against our Company since its incorporation from the date of this Draft Red Herring Prospectus; (xi) matters involving our Company pertaining to violations of securities law; and (xii) outstanding dues to material creditors and small scale undertakings.

For the purpose of (v) above, our Board in its meeting held on August 06, 2024 has considered and adopted a policy of materiality for identification of material litigation involving the Relevant Parties, to be disclosed by our Company in this Draft Red Herring Prospectus:

In terms of the Materiality Policy, all pending litigation involving the Relevant Parties other than (i) criminal proceedings, actions by regulatory authorities and statutory authorities, (ii) disciplinary actions including penalty imposed by SEBI or stock exchange against the Promoter in the last 5 Financial Years including outstanding action, and tax matters, would be considered ‘material’ if:

- a) The monetary amount of claim by or against the Relevant Parties in any such pending proceeding exceeds ₹12.06 Lakhs (i.e. 1% (one per cent) of the profit after tax of our Company as per the Restated Financial Statements of our Company for the last full Financial Year); or
- b) The outcome of any such pending proceedings may have a bearing on the business, operations, performance, prospects or reputation of our Company.

Except as stated in this section, there are no outstanding material dues to creditors or outstanding dues to small scale undertakings and other creditors.

For this purpose, our Board, in its meeting held on August 06, 2024 considered and adopted a policy of materiality for identification of material outstanding dues to creditors. Further, in terms of this Materiality Policy, outstanding dues to any creditors of our Company having monetary value which exceeds 5% (Five per cent) of trade payables as per the Restated Financial Statements of our Company as of June 30, 2024 shall be considered as material dues (“**Material Dues**”). For outstanding dues to any party which is a MSME, the disclosure will be based on information available with our Company regarding status of the creditor as defined under the Micro, Small and Medium Enterprises Development Act, 2006, as amended read with the rules and notifications thereunder, as has been relied upon by its Statutory Auditor. Details of outstanding dues to material creditors as required under the SEBI ICDR Regulations have been disclosed on our website at <https://yashhv.com/>.

Unless otherwise stated to the contrary, the information provided is as of the date of this Draft Red Herring Prospectus.

In accordance with Regulation 267 (2) of the SEBI ICDR Regulations, our Company shall ensure that the minimum application size shall not be less than ₹ 1,00,000/- (Rupees One Lakh) per application.

Pursuant to Section 29 of the Companies Act, 2013 the Equity Shares shall be Allotted only in dematerialised form. As per SEBI ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form. In this context, two agreements has been signed by our Company with the respective Depositories and the Registrar to the Offer before filing this Draft Red Herring Prospectus:

- Tripartite agreement among the NSDL, our Company and Registrar to the Offer dated Date May 09, 2018.
- Tripartite agreement among the CDSL, our Company and Registrar to the Offer dated Date April 26, 2018.

As per the provisions of the Depositories Act, 1996 & regulations made there under and Section 29 (1) of the Companies Act, 2013, the equity shares of an Offer shall be in dematerialized form i.e. not in the form of physical certificates, but be fungible and be represented by the statement Offered through electronic mode. The trading of the Equity Shares will happen in the minimum contract size of [●] Equity Shares and the same may be modified by the BSE Limited from time to time by giving prior notice to investors at large.

Allocation and allotment of Equity Shares through this Offer will be done in multiples of [●] Equity Shares subject to a minimum allotment of [●] Equity Shares to the successful Applicants in terms of the SEBI circular No. CIR/MRD/DSA/06/2012 dated February 21, 2012.

Minimum Number of Allottees

Further in accordance with the Regulation 268(1) of SEBI (ICDR) Regulations, the minimum number of allottees in this Offer shall be 50 shareholders.

Joint Holders

Subject to provisions of the Articles of Association of the Company, where 2 (two) or more persons are registered as the holders of any Equity Shares, they will be deemed to hold such Equity Shares as joint-holders with benefits of survivorship.

Jurisdiction

Exclusive Jurisdiction for the purpose of this Offer is with the competent courts/authorities in Vadodara, Gujarat, India.

The Equity Share have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States and may not be issued or sold within the United States or to, or for the account or benefit of, —U.S. persons (as defined in Regulation S), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. Accordingly, the Equity Shares are being issued and sold only outside the United States in off-shore transactions in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those issues and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be issued or sold, and applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Nomination Facility to the Investor

In accordance with Section 72 of the Companies Act, 2013, read with Companies (Share Capital and Debentures) Rules, 2014, the sole Applicant, or the first Applicant along with other joint Applicants, may nominate any one person in whom, in the event of the death of sole Applicant or in case of joint Applicants, death of all the Applicants, as the case may be, the Equity Shares Allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to equity share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale of Equity Share(s) by the person nominating. A buyer will be titled to make afresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or Corporate Office or to the Registrar and Transfer Agents of our Company.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act shall upon production of such evidence, as may be required by the Board, elect either:

1. to register himself or herself as the holder of the equity shares; or
2. to make such transfer of the equity shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the equity shares, and if the notice is not complied with within a period of ninety (90) days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the equity shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialized form, there is no need to make a separate nomination with our Company. Nominations registered with respective depository participant of the applicant would prevail. If the Applicants require changing of their nomination, they are requested to inform their respective depository participant.

The above timetable, other than the Bid/Offer Closing Date, is indicative and does not constitute any obligation on our Company the BRLM.

Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchange are taken within the time prescribed under applicable law, the timetable may be extended due to various factors, such as extension of the Bid/Offer Period by our Company in consultation with the BRLM, revision of the Price Band or any delay in receiving the final listing and trading approval from the Stock Exchange. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws. The Promoter Selling Shareholder confirm that they shall extend such reasonable support and cooperation in relation to his portion of the Offered Shares for completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchange within three Working Days from the Bid/ Offer Closing Date or such other period as may be prescribed by SEBI.

The SEBI is in the process of streamlining and reducing the post Offer timeline for initial public offerings. Any circulars or notifications from the SEBI after the date of the Draft Red Herring Prospectus may result in changes to the above- mentioned timelines. Further, the Offer procedure is subject to change to any revised circulars issued by the SEBI to this effect.

In terms of the UPI Circulars, in relation to the Offer, the BRLM will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the allotment and listing procedure within three Working Days from the Bid/Offer Closing Date or such other period as may be prescribed by SEBI, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

In case of any discrepancy in the data entered in the electronic book vis-a-vis data contained in the physical Bid cum Application Form, for a particular Bidder, the details of the Bid file received from the Stock Exchange may be taken Our Company in consultation with the BRLM, reserve the right to revise the Price Band during the Bid/Offer Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in the Price Band shall not exceed 20% on either side, i.e. the Floor Price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly. The Floor Price shall not be less than the face value of the Equity Shares.

In case of any revision to the Price Band, the Bid/Offer Period will be extended by at least three additional Working Days following such revision of the Price Band, subject to the Bid/Offer Period not exceeding a total of ten Working Days. In cases of force majeure, banking strike or similar circumstances, our Company in consultation with the BRLM, for reasons to be recorded in writing, extend the Bid/Offer Period for a minimum of one Working Day, subject to the Bid/ Offer Period not exceeding ten Working Days. Any revision in the Price Band and the revised Bid/Offer Period, if applicable, will be widely disseminated by notification to the Stock Exchange, by issuing a public notice, and also by indicating the change on the respective websites of the BRLM and the terminals of the Syndicate Members, if any and by intimation to SCSBs, other Designated Intermediaries and the Sponsor Bank, as applicable. In case of revision of Price Band, the Bid Lot shall remain the same.

Minimum Subscription

This Offer is not restricted to any minimum subscription level and is 100% underwritten.

As per Section 39 of the Companies Act, 2013, if the “stated minimum amount” has not been subscribed and the sum payable on application is not received within a period of 30 days from the date of the Prospectus, the application money has to be returned within such period as may be prescribed. For details on the phased implementation of UPI as a payment mechanism, see – “Phased Implementation of UPI as per UPI Circular” below on page 437. Furthermore, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022, all individual bidders in initial public offerings (opening on or after May 1, 2022) whose application sizes are up to ₹ 5 Lakhs shall use the UPI Mechanism. Subsequently, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022, applications made using the ASBA facility in initial public offerings shall be processed only after application monies are blocked in the bank accounts of investors (all categories). The Registrar and SCSBs will comply with any additional circulars or other Applicable Law, and the instructions of the BRLM, as may be issued in connection with this circular. Accordingly, Stock Exchange shall, for all categories of investors and other reserved categories and also for all modes through which the applications are processed, accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked. Pursuant to SEBI circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023, the revised timeline of T+3 days had been made applicable in two phases i.e. (i) voluntary for all public issues opening on or after September 1, 2023; and (ii) mandatory on or after December 1, 2023 (“T+3 Notification”). The Offer has been undertaken pursuant to the processes and procedures as notified in the T+3 Notification under Phase III on a mandatory basis, subject to any circulars, clarification or notification issued by the SEBI from time to time, including any circular, clarification or notification which may be issued by SEBI.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date, in accordance with the SEBI master circular no. SEBI/HO/CFD/PoD-2/P/CIR/2023/00094 dated June 21, 2023, the Bidder shall be compensated at a uniform rate of ₹ 100 per day for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the intermediary responsible for causing such delay in unblocking. The BRLM shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

Please note that the information stated/covered in this section may not be complete and/or accurate and as such would be subject to modification/change. Our Company, the Promoter Selling Shareholder and BRLM do not accept any responsibility for the completeness and accuracy of the information stated in this section and the General Information Document. Our Company and BRLM would not be able to include any amendment, modification or change in applicable law, which may occur after the date of the Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Application do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in this Draft Red Herring Prospectus and the Red Herring Prospectus.

This section applies to all the Bidders, please note that all the Bidders are required to make payment of the Full Application Amount along with the Bid Cum Application Form.

PHASED IMPLEMENTATION OF UPI AS PER THE UPI CIRCULAR

SEBI has issued circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018, circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019, circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 08, 2019, and circular SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 (collectively the “UPI Circulars”) in relation to streamlining the process of public Offer of equity shares and convertibles. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to the mechanism of blocking funds in the account maintained with SCSBs under the ASBA) for applications by RIBs through intermediaries with the objective to reduce the time duration from public issue closure to listing from six working days to up to three working days. Considering the time required for making necessary changes to the systems and to ensure a complete and smooth transition to the UPI payment mechanism, the UPI Circular proposes to introduce and implement the UPI payment mechanism in three phases in the following manner:

Phase I: This phase was applicable from January 1, 2019, until March 31, 2019, or floating of five main board public issues, whichever is later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, a Retail Individual had the option to submit the Application Form with any of the intermediaries and use his/her UPI ID for the purpose of blocking funds. The time duration from public issue closure to listing continued to be six working days.

Phase II: This phase has become applicable from July 1, 2019, and was to initially continue for a period of three months or floating of five main board public issues, whichever is later. Subsequently, it was decided to extend the timeline for implementation of Phase II until March 31, 2020. Furthermore, as per SEBI circular SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020, the current Phase II of Unified Payments Interface with Application Supported by Blocked Amount is continued till further notice. Under this phase, submission of the ASBA Form by RIBs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds will be discontinued and will be replaced by the UPI payment mechanism. However, the time duration from public issue closure to listing continues to be six working days during this phase.

Phase III: The commencement period of Phase III is notified pursuant to SEBI press release bearing number 12/2023 and as per the SEBI Circular No. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023, where the revised timeline of T+3 days shall be made applicable in two phases i.e. (i) voluntary for all public issues opening on or after September 1, 2023; and (ii) mandatory on or after December 1, 2023. The Offer will be undertaken pursuant to the processes and procedures as notified in the T+3 Notification under Phase III on a mandatory basis, subject to any circulars, clarification or notification issued by the SEBI from time to time, including any circular, clarification or notification which may be issued by SEBI.

Pursuant to the UPI Circulars, SEBI has set out specific requirements for the redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the SEBI UPI Circular include the appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications, and the requirement for the bank accounts of unsuccessful Bidders to be unblocked not later than one day from the date on which the Basis of Allotment is finalised. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Additionally, if there is any delay in the redressal of investors' complaints in this regard, the relevant SCSB as well as the post-issue BRLM will be required to compensate the concerned investor.

All SCSBs offering the facility of making applications in public issuer shall also provide the facility to make applications using the UPI Mechanism. The Issuer will be required to appoint one of the SCSBs as a sponsor bank to act as a conduit between the Stock Exchange and NPCI in order to facilitate the collection of requests and/or payment instructions of the Retail Individual Applicants into the UPI payment mechanism.

The processing fees for applications made by UPI Bidders using the UPI Mechanism may be released to the remitter banks (SCSBs) only after such banks make an application as prescribed in Annexure I of SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022, and provide written confirmation on compliance with SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, read with SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021.

Further, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/45 dated April 5, 2022, all UPI Bidders applying in public Offers where the application amount is up to ₹ 5 lakhs shall use the UPI Mechanism and shall also provide their UPI ID in the Bid cum Application Form submitted with any of the entities mentioned herein below:

- a syndicate member
- a stock broker registered with a recognized stock exchange (and whose name is mentioned on the website of the stock exchange as eligible for this activity) (“broker”)
- a depository participant (“DP”) (whose name is mentioned on the website of the stock exchange as eligible for this activity)
- a registrar to the Offer and shares transfer agent (“RTA”) (whose name is mentioned on the website of the stock exchange as eligible for this activity)

For further details, refer to the General Information Document to be available on the website of the Stock Exchange and the BRLM.

As per the existing regulations, OCBs are not eligible to participate in this Offer. The RBI has however clarified in its circular, A.P. (DIR Series) Circular No. 44, dated December 8, 2003 that OCBs which are incorporated and are not under the adverse notice of the RBI are permitted to undertake fresh investments as 138 incorporated non-resident entities in terms of Regulation 5(1) of RBI Notification No.20/2000-RB dated May 3, 2000 under FDI Scheme with the prior approval of Government if the investment is through Government Route and with the prior approval of RBI if the investment is through Automatic Route on case by case basis. OCBs may invest in this Offer provided it obtains a prior approval from the RBI. On submission of such approval along with the Bid Cum Application Form, the OCB shall be eligible to be considered for share allocation.

MAXIMUM AND MINIMUM APPLICATION SIZE

1. For Retail Individual Bidders

The Application must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter, so as to ensure that the Application Price payable by the Bidder does not exceed ₹ 2,00,000/-. In case of revision of Applications, the Retail Individual Bidders have to ensure that the Application Price does not exceed ₹ 2,00,000/-.

2. For Other than Retail Individual Bidders (Non-Institutional Applicants and QIBs):

The Application must be for a minimum of such number of Equity Shares that the Application Amount exceeds ₹2,00,000/- and in multiples of [●] Equity Shares thereafter. An application cannot be submitted for more than the Net Offer Size. However, the maximum Application by a QIB investor should not exceed the investment limits prescribed for them by applicable laws. Under existing SEBI Regulations, a QIB Bidder cannot withdraw its Application after the Offer Closing Date and is required to pay 100% QIB Margin upon submission of Application.

In case of revision in Applications, the Non-Institutional Bidders, who are individuals, have to ensure that the Application Amount is greater than ₹2,00,000/- for being considered for allocation in the Non-Institutional Portion.

Bidders are advised to ensure that any single Application from them does not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or regulation or as specified in this Draft Red Herring Prospectus.

The above information is given for the benefit of the Bidders. The Company and the BRLM are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares applied for do not exceed the applicable limits under laws or regulations.

METHOD OF BIDDING PROCESS

Our Company in consultation with the BRLM will decide the Price Band and the minimum Bid lot size for the Offer and the same shall be advertised in all editions of the English national newspaper [●], all editions of Hindi national newspaper [●] and Vadodara Edition of Regional newspaper [●] where the registered office of the company is situated, each with wide circulation at least two Working Days prior to the Bid/Offer Opening Date. The BRLM and the SCSBs shall accept Bids from the Bidders during the Bid / Offer Period.

- a. The Bid/Offer Period shall be for a minimum of three Working Days and shall not exceed ten Working Days. The Bid/Offer Period maybe extended, if required, by an additional three Working Days, subject to the total Bid/Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid / Offer Period, if applicable, will be published in all editions of the English national newspaper [●], all editions of Hindi national newspaper [●] and Vadodara Edition of Regional newspaper [●] where the registered office of the company is situated, each with wide circulation and also by indicating the change on the websites of the BRLM.
- b. During the Bid/Offer Period, Retail Individual Bidders, should approach the BRLM or their authorized agents to

register their Bids. The BRLM shall accept Bids from Anchor Investors and ASBA Bidders in Specified Cities and it shall have the right to vet the Bids during the Bid/Offer Period in accordance with the terms of the Red Herring Prospectus. ASBA Bidders should approach the Designated Branches or the BRLM (for the Bids to be submitted in the Specified Cities) to register their Bids.

- c. Each Bid cum Application Form will give the Bidder the choice to Bid for up to three optional prices (for details refer to the paragraph titled “Bids at Different Price Levels and Revision of Bids” below) within the Price Band and specify the demand (i.e., the number of Equity Shares Bid for) in each option. The price and demand options submitted by the Bidder in the Bid cum Application Form will be treated as optional demands from the Bidder and will not be cumulated. After determination of the Offer Price, the maximum number of Equity Shares Bid for by a Bidder / Applicant at or above the Offer Price will be considered for allocation / Allotment and the rest of the Bid(s), irrespective of the Bid Amount, will become automatically invalid.
- d. The Bidder/Applicant cannot Bid through another Bid cum Application Form after Bids through one Bid cum Application Form have been submitted to a BRLM or the SCSBs. Submission of a second Bid cum Application Form to either the same or to another BRLM or SCSB will be treated as multiple Bid and is liable to be rejected either before entering the Bid into the electronic bidding system, or at any point of time prior to the allocation or Allotment of Equity Shares in this Offer. However, the Bidder can revise the Bid through the Revision Form, the procedure for which is detailed under the paragraph “*Buildup of the Book and Revision of Bids*”.
- e. Except in relation to the Bids received from the Anchor Investors, the BRLM the SCSBs will enter each Bid option into the electronic bidding system as a separate Bid and generate a Transaction Registration Slip, (“TRS”), for each price and demand option and give the same to the Bidder. Therefore, a Bidder can receive up to three TRSs for each Bid cum Application Form.
- f. The BRLM shall accept the Bids from the Anchor Investors during the Anchor Investor Bid / Offer Period i.e., one working day prior to the Bid / Offer Opening Date. Bids by QIBs under the Anchor Investor Portion and the QIB Portion shall not be considered as multiple Bids.
- g. Along with the Bid cum Application Form, Anchor Investors will make payment in the manner described in “Escrow Mechanism – Terms of payment and payment into the Escrow Accounts” in the section “*Offer Procedure*” beginning on page 329 of this Draft Red Herring Prospectus.
- h. Upon receipt of the Bid cum Application Form, submitted whether in physical or electronic mode, the Designated Branch of the SCSB shall verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the Bid cum Application Form, prior to uploading such Bids with the Stock Exchange.
- i. If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB shall reject such Bids and shall not upload such Bids with the Stock Exchange.
- j. If sufficient funds are available in the ASBA Account, the SCSB shall block an amount equivalent to the Bid Amount mentioned in the Bid cum Application Form and will enter each Bid option into the electronic bidding system as a separate Bid and generate a TRS for each price and demand option. The TRS shall be furnished to the ASBA Bidder on request.
- k. The Bid Amount shall remain blocked in the aforesaid ASBA Account until finalisation of the Basis of Allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Offer Account, or until withdrawal / failure of the Offer or until withdrawal / rejection of the Bid cum Application Form, as the case may be. Once the Basis of Allotment is finalized, the Registrar to the Offer shall send an appropriate request to the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount allocable to the successful Bidders to the Public Offer Account. In case of withdrawal / failure of the Offer, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Offer.

BIDS AT DIFFERENT PRICE LEVELS AND REVISION OF BIDS

- a. Our Company in consultation with the BRLM, and without the prior approval of, or intimation, to the Bidders, reserves the right to revise the Price Band during the Bid/Offer Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price subject to minimum of 105% and the Floor Price shall not be less than the face value of the Equity Shares. The revision in the Price Band shall not exceed 20% on either side i.e., the floor price can move up or down to the extent of 20% of the floor price disclosed. If the revised price band decided, falls within two different price bands then the minimum application lot size shall be decided based on the price band in which the higher price falls.
- b. Our Company in consultation with the BRLM, will finalize the Offer Price within the Price Band, without the prior approval of, or intimation, to the Bidders.

- c. The Bidders can Bid at any price within the Price Band. The Bidder has to Bid for the desired number of Equity Shares at a specific price. Retail Individual Bidders may Bid at the Cut-off Price. However, bidding at the Cut-off Price is prohibited for QIB and Non-Institutional Bidders and such Bids from QIB and Non-Institutional Bidders shall be rejected.
- d. Retail Individual Bidders, who Bid at the Cut-off Price agree that they shall purchase the Equity Shares at any price within the Price Band. Retail Individual Bidders shall submit the Bid cum Application Form along with a cheque/demand draft for the Bid Amount based on the Cap Price with the Syndicate. In case of ASBA Bidders (excluding Non-Institutional Bidders and QIB Bidders) bidding at the Cut-off Price, the ASBA Bidders shall instruct the SCSBs to block an amount based on the Cap Price.
- e. The price of the specified securities offered to an anchor investor shall not be lower than the price offered to other applicants.

Participation by Associates / Affiliates of BRLM and the Syndicate Members:

The BRLM and the Syndicate Members, if any, shall not be allowed to purchase in this Offer in any manner, except towards fulfilling their underwriting obligations. However, the associates and affiliates of the BRLM and the Syndicate Members, if any, may subscribe to the Equity Shares in the Offer, either in the QIB Category or in the Non-Institutional Category as may be applicable to such Bidders, where the allocation is on a proportionate basis and such subscription may be on their own account or on behalf of their clients.

Neither the BRLM nor any persons related to the BRLM (other than Mutual Funds sponsored by entities related to the BRLM), Promoter, and Promoter Group can apply in the Offer under the Anchor Investor Portion.

Option to Subscribe to the Offer:

- a) As per Section 29(1) of the Companies Act 2013, allotment of Equity Shares shall be made in dematerialized form only. Investors will not have the option of getting allotment of specified securities in physical form.
- b) The Equity Shares, on the allotment, shall be traded on the Stock Exchange in the Demat segment only.
- c) A single application from any investor shall not exceed the investment limit / minimum number of Equity Shares that can be held by him/her/it under the relevant regulations / statutory guidelines and applicable law.

Information for the Bidders:

1. Our Company and the BRLM shall declare the Offer Opening Date and Offer Closing Date in the Draft Red Herring Prospectus to be registered with the RoC and also publish the same in two national newspapers (one each in English and Hindi) and in a regional newspaper with wide circulation. This advertisement shall be in the prescribed format.

BIDS BY ELIGIBLE NRI'S:

Eligible NRIs may obtain copies of the Bid cum Application Form from the offices of the BRLM and the Designated Intermediaries. Eligible NRI Bidders bidding on a repatriation basis by using the Non- Resident Forms should authorize their SCSB to block their Non-Resident External ("NRE") accounts, or Foreign Currency Non-Resident ("FCNR") ASBA Accounts, and eligible NRI Bidders bidding on a non-repatriation basis by using Resident Forms should authorize their SCSB to block their Non- Resident Ordinary ("NRO") accounts for the full Bid Amount, at the time of the submission of the Bid cum Application Form.

Eligible NRIs bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents (white in colour).

Eligible NRIs bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents (blue in colour).

BIDS BY FPI INCLUDING FII'S:

In terms of the SEBI FPI Regulations, any qualified foreign investor or FII who holds a valid certificate of registration from SEBI shall be deemed to be an FPI until the expiry of the block of three years for which fees have been paid as per the SEBI FII Regulations. An FII or a sub-account may participate in this Offer, in accordance with Schedule 2 of the FEMA Regulations, until the expiry of its registration with SEBI as an FII or a sub-account. An FII shall not be eligible to invest as an FPI after registering as an FPI under the SEBI FPI Regulations.

In case of Bids made by FPIs, a certified copy of the certificate of registration issued by the designated depository participant under the FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason. An FII or subaccount may, subject to payment of conversion fees under the SEBI FPI Regulations, participate in the Offer, until the expiry of its registration as a FII or sub-account, or until it obtains a certificate of registration as FPI, whichever is earlier. Further, in case of Bids made by SEBI-registered FIIs or sub-accounts, which are not registered as FPIs, a certified copy of the certificate of registration as an FII issued by SEBI is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason.

In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same set of ultimate beneficial owner(s) investing through multiple entities) must be below 10% of our post-Offer Equity Share capital. Further, in terms of the FEMA Regulations, the total holding by each FPI shall be below 10% of the total paid-up Equity Share capital of our Company and the total holdings of all FPIs put together shall not exceed 24% of the paid-up Equity Share capital of our Company. The aggregate limit of 24% may be increased up to the sectorial cap by way of a resolution passed by the Board of Directors followed by a special resolution passed by the Shareholders of our Company and subject to prior intimation to RBI. In terms of the FEMA Regulations, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs as well as holding of FIIs (being deemed FPIs) shall be included. The existing individual and aggregate investment limits an FII or sub account in our Company is 10% and 24% of the total paid-up Equity Share capital of our Company, respectively.

FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 22 of the SEBI FPI Regulations, an FPI, other than Category III foreign portfolio and unregulated broad based funds, which are classified as Category II foreign portfolio investor by virtue of their investment manager being appropriately regulated, may Offer or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by an FPI against securities held by it that are listed or

proposed to be listed on any recognized stock exchange in India, as its underlying) directly or indirectly, only in the event such offshore derivative instruments are issued only to persons who are regulated by an appropriate regulatory authority; and (ii) such offshore derivative instruments are issued after compliance with know your client norms. An FPI is also required to ensure that no further issue or transfer of any offshore derivative instrument is made by or on behalf of it to any persons that are not regulated by an appropriate foreign regulatory authority.

FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for Non- Residents (blue in colour).

BIDS BY SEBI REGISTERED VCF'S, AIF'S AND FVCI'S:

The SEBI FVCI Regulations and the SEBI AIF Regulations inter-alia prescribe the investment restrictions on the VCFs, FVCIs and AIFs registered with SEBI. Further, the SEBI AIF Regulations prescribe, among others, the investment restrictions on AIF's.

The holding by any individual VCF registered with SEBI in one venture capital undertaking should not exceed 25% of the corpus of the VCF. Further, VCFs and FVCIs can invest only up to 33.33% of the investible funds by way of subscription to an initial public offering.

The category I and II AIFs cannot invest more than 25% of the corpus in one Investee Company. A category III AIF cannot invest more than 10% of the corpus in one Investee Company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/3rd of its corpus by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the VCF Regulation until the existing fund or scheme managed by the fund is wound up and such funds shall not launch any new scheme after the notification of the SEBI AIF Regulations.

All FIIs and FVCIs should note that refunds, dividends and other distributions, if any, will be payable in Indian Rupees only and net of Bank charges and commission.

Our Company or the BRLM will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

There is no reservation for Eligible NRIs, FPIs and FVCIs and all Bidders will be treated on the same basis with other categories for the purpose of allocation.

Unsubscribed portion in QIB Category is not available for subscription to other categories.
- d. In case of under subscription in the Offer, spill-over to the extent of such under-subscription may be permitted from the Reserved Portion to the Offer. For allocation in the event of an undersubscription applicable to the issuer, Bidders may refer to the RHP.
- e. In case if the Retail Individual Investor category is entitled to more than the allocated portion on proportionate basis, the category shall be allotted that higher percentage.
- f. Allocation to Anchor Investors shall be at the discretion of our Company in consultation with the BRLM, subject to compliance with the SEBI Regulations.

Illustration of the Book Building and Price Discovery Process:

Bidders should note that this example is solely for illustrative purposes and is not specific to the Offer; it also excludes Bidding by Anchor Investors. Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹20 to ₹24 per share, Offer size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the Issuer at various prices and is collated from Bids received from various investors.

Bid Quantity	Bid Amount (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Issuer is able to Offer the

desired number of Equity Shares is the price at which the book cuts off, i.e., ₹22.00 in the above example. The Issuer, in consultation with the BRLM, may finalise the Offer Price at or below such Cut-Off Price, i.e., at or below ₹22.00. All Bids at or above this Offer Price and cut-off.

Bids are valid Bids and are considered for allocation in the respective categories.

BASIS OF ALLOCATION

- The SEBI (ICDR) Regulations specify the allocation or Allotment that may be made to various categories of Bidders in an Offer depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Offer size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the DRHP. For details in relation to allocation, the Bidder may refer to the RHP.
- Under-subscription in any category (except QIB Category) is allowed to be met with spill over from any other

category or combination of categories at the discretion of the Issuer in consultation with the BRLM and the Designated Stock Exchange and in accordance with the SEBI (ICDR) Regulations, Unsubscribed portion in QIB Category is not available for subscription to other categories.

- In case of under subscription in the Offer, spill-over to the extent of such under- subscription may be permitted from the Reserved Portion to the Offer. For allocation in the event of an under-subscription applicable to the Issuer, Bidders may refer to the RHP.

ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The Allotment of Equity Shares to Bidders other than Retail Individual Investors and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders may refer to DRHP. No Retail Individual Investor will be Allotted less than the minimum Bid Lot subject to availability of shares in Retail Individual Investor Category and the remaining available shares, if any will be Allotted on a proportionate basis. The Issuer is required to receive a minimum subscription of 90% of the Offer. However, in case the Offer is in the nature of Offer for Sale only, then minimum subscription may not be applicable.

Flow of Events from the closure of Bidding period (T day) till Allotment:

- On T day, RTA to validate the electronic bid details with the depository records and also reconcile the final certificates received from the Sponsor Bank for UPI process and the SCSBs for ASBA and Syndicate ASBA process with the electronic bid details.
- If RTA identifies cases with mismatch of account number as per bid file / FC and as per applicant's bank account linked to depository demat account and seek clarification from SCSB to identify the applications with third party account for rejection.
- Third party confirmation of applications to be completed by SCSBs on T+1 day.
- RTA prepares the list of final rejections and circulate the rejections list with BRLM/ Company for their review/ comments.
- Post rejection, the RTA submits the basis of allotment with the Designated Stock Exchange (DSE).
- The DSE, post verification approves the basis and generates drawal of lots wherever applicable, through a random number generation software.
- The RTA uploads the drawal numbers in their system and generates the final list of allottees as per process mentioned below.

Process for generating list of Allottees:

- Instruction is given by RTA in their Software System to reverse category wise all the application numbers in the ascending order and generate the bucket /batch as per the allotment ratio. For example, if the application number is 78654321 then system reverses it to 12345687 and if the ratio of Allottees to Applicants in a category is 2:7 then the system will create lots of 7. If the drawal of lots provided by Designated Stock Exchange (DSE) is 3 and 5 then the system will pick every 3rd and 5th application in each of the lot of the category and these applications will be allotted the shares in that category.
- In categories where there is proportionate allotment, the RTA will prepare the proportionate working based on the oversubscription times.
- In categories where there is undersubscription, the RTA will do full allotment for all valid applications.
- On the basis of the above, the RTA will work out the allottees, partial allottees and non- allottees, prepare the fund transfer letters and advice the SCSBs to debit or unblock the respective accounts.

BASIS OF ALLOTMENT

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and Foreign Exchange Management Act, 1999 (“**FEMA**”). While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The government bodies responsible for granting foreign investment approvals are the Reserve Bank of India (“**RBI**”) and Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India (“**DPIIT**”).

The Government of India has from time to time made policy pronouncements on FDI through press notes and press releases. The DPIIT issued the Consolidated Foreign Direct Investment Policy notified by the DPIIT File No. 5(2)/2020-FDI Policy dated October 15, 2020, with effect from October 15, 2020 (the “**FDI Policy**”), which consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DPIIT or the DPIIT that were in force and effect prior to October 15, 2020. The Government of India proposes to update the consolidated circular on FDI Policy once every year and therefore, the FDI Policy will be valid until the DPIIT issues an updated circular.

In terms of the FEMA NDI Rules, a person resident outside India may make investments into India, subject to certain terms and conditions, and provided that an entity of a country, which shares land border with India or the beneficial owner of an investment into India who is situated in or is a citizen of any such country, shall invest only with government approval.

The transfer of shares between an Indian resident and a Non-Resident does not require the prior approval of the RBI, provided that:

- i) The activities of the investee company are under the automatic route under the FDI Policy and transfer does not attract the provisions of the SAST Regulations;
- ii) The Non-Resident shareholding is within the sectoral limits under the FDI Policy; and
- iii) The pricing is in accordance with the guidelines prescribed by the SEBI/RBI.

As per the existing policy of the Government of India, OCBs cannot participate in this Offer and in accordance with the extant FDI guidelines on sectoral caps, pricing guidelines etc. as amended by Reserve bank of India, from time to time. Investors are advised to confirm their eligibility under the relevant laws before investing and / or subsequent purchase or sale transaction in the Equity Shares of our Company. Investors will not offer, sell, pledge or transfer the Equity Shares of our Company to any person who is not eligible under applicable laws, rules, regulations, guidelines. Our Company, the Underwriters and their respective directors, officers, agents, affiliates and representatives, as applicable, accept no responsibility or liability for advising any investor on whether such investor is eligible to acquire Equity Shares of our Company. For details, please refer to the section titled ‘*Offer Procedure*’ beginning on page 329 of this Draft Red Herring Prospectus.

Foreign Exchange Laws

On October 17, 2019, Ministry of Finance, Department of Economic Affairs, had notified the FEMA Rules, which had replaced the Foreign Exchange Management (Transfer and Issue of Security by a Person Resident Outside India) Regulations 2017.

Foreign investment in this Offer shall be on the basis of the FEMA Rules.

Further, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the Foreign Exchange Management (Non-debt Instruments) Amendment Rules, 2020 which came into effect from April 22, 2020, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country (“**Restricted Investors**”), will require prior approval of the Government, as prescribed in the Consolidated FDI Policy and the FEMA Rules. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government.

Pursuant to the Foreign Exchange Management (Non-debt Instruments) (Fourth Amendment) Rules, 2020 issued on December 8, 2020, a multilateral bank or fund, of which India is a member, shall not be treated as an entity of a particular country nor shall any country be treated as the beneficial owner of the investments of such bank of fund in India. Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required, and such approval has been obtained, the Bidder shall intimate our Company and the Registrar to the Offer in writing about such approval along with a copy thereof within the Offer Period.

Investment conditions/restrictions for overseas entities

Under the current FDI Policy 2020, the maximum amount of Investment (sectoral cap) by foreign investor in an issuing entity is composite unless it is explicitly provided otherwise including all types of foreign investments, direct and indirect, regardless of whether it has been made for FDI, FPI, NRI/OCI, LLPs, FVCI, Investment Vehicles and DRs under Foreign Exchange Management (Non-debt Instruments) Rules, 2019. Any equity holding by a person resident outside India resulting from conversion of any debt instrument under any arrangement shall be reckoned as foreign investment under the composite cap.

Portfolio Investment upto aggregate foreign investment level of 49% or sectoral/statutory cap, whichever is lower, will not be subject to either Government approval or compliance of sectoral conditions, if such investment does not result in transfer of ownership and/or control of Indian entities from resident Indian citizens to non-resident entities. Other foreign investments will be subject to conditions of Government approval and compliance of sectoral conditions as per FDI Policy. The total foreign investment, direct and indirect, in the issuing entity will not exceed the sectoral/statutory cap.

Investment by FPIs under Portfolio Investment Scheme (PIS)

With regards to purchase/sale of capital instruments of an Indian company by an FPI under PIS the total holding by each FPI or an investor group as referred in SEBI (FPI) Regulations, 2014 shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or less than 10% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all FPIs put together shall not exceed 24% of paid-up equity capital on fully diluted basis or paid-up value of each series of debentures or preference shares or share warrants. The said limit of 10% and 24% will be called the individual and aggregate limit, respectively. However, this limit of 24 % may be increased up to sectoral cap/statutory ceiling, as applicable, by the Indian company concerned by passing a resolution by its Board of Directors followed by passing of a special resolution to that effect by its general body.

Investment by NRI or OCI on repatriation basis:

The purchase/sale of equity shares, debentures, preference shares and share warrants issued by an Indian company (hereinafter referred to as “Capital Instruments”) of a listed Indian company on a recognized stock exchange in India by Non-Resident Indian (NRI) or Overseas Citizen of India (OCI) on repatriation basis is allowed subject to certain conditions under Foreign Exchange Management (Non-debt Instruments) Rules, 2019.

The total holding by any individual NRI or OCI shall not exceed 5% of the total paid-up equity capital on a fully diluted basis or should not exceed 5% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all NRIs and OCIs put together shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or shall not exceed 10% of the paid-up value of each series of debentures or preference shares or share warrants; provided that the aggregate ceiling of 10% may be raised to 24% if a special resolution to that effect is passed by the general body of the Indian company.

Investment by NRI or OCI on non-repatriation basis

As per current FDI Policy 2020, Foreign Exchange Management (Non-debt Instruments) Rules, 2019, Purchase/ sale of Capital Instruments or convertible notes or units or contribution to the capital of an LLP by a NRI or OCI on non- repatriation basis – will be deemed to be domestic investment at par with the investment made by residents. This is further subject to remittance channel restrictions.

The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended (“**US Securities Act**”) or any other state securities laws in the United States of America and may not be sold or offered within the United States of America, or to, or for the account or benefit of “**US Persons**” as defined in Regulation S of the U.S. Securities Act, except pursuant to exemption from, or in a transaction not subject to, the registration requirements of US Securities Act and applicable state securities laws.

Accordingly, the equity shares are being offered and sold only outside the United States of America in an offshore transaction in reliance upon Regulation S under the US Securities Act and the applicable laws of the jurisdiction where those offers and sale occur.

Further, no offer to the public (as defined under Directive 2003/71/EC, together with any amendments) and implementing measures thereto, (the “**Prospectus Directive**”) has been or will be made in respect of the Offer in any member State of the European Economic Area which has implemented the Prospectus Directive except for any such offer made under exemptions available under the Prospectus Directive, provided that no such offer shall result in a requirement to publish or supplement a prospectus pursuant to the Prospectus Directive, in respect of the Offer.

Any forwarding, distribution or reproduction of this document in whole or in part may be unauthorised. Failure to comply with this directive may result in a violation of the Securities Act or the applicable laws of other jurisdictions. Any investment decision should be made on the basis of the final terms and conditions and the information contained in this Draft Red Herring Prospectus.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Application may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Applicants. Our Company and the Book Running Lead Manager are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Applicants are advised to make their independent investigations and ensure that the Applications are not in violation of laws or regulations applicable to them and do not exceed the applicable limits under the laws and regulations.

Except as ordered by a Court of competent jurisdiction or as by law required, the company shall not bound to recognize any equitable, contingent, future or partial interest in any share, or (except provided) any rights in respect of a share other than absolute rights thereto, in accordance with these Article, in the person from time to time registered as the holder thereof, but the Board shall be at liberty at their sole discretion to register any share in the joint names of any two or more persons or the survivor or survivors of them.
18. If by the conditions of allotment of any share the whole or part of the amount or issue price thereof shall be payable by installment, every such installment shall when due be paid to the Company by the person who for the time being and from time to time shall be the registered holder of the share or his legal representative.
19. None of the funds of the company shall be applied for the purchase of any share of the company, and it shall not give any financial assistance for or in connection with the purchase or subscription of any shares in the company or in its holding company save as provided by section 67 of the Act.
20.
 - (i) any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of section 48, and whether or not the company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.
 - (ii) To every such separate meeting, the provisions of these regulations relating general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class in question.

The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.

DEMATERIALIZATION OF SECURITIES

21. The provisions of this Article shall apply notwithstanding anything to the contrary contained in any other Articles.
22. The Board or any Committee thereof shall be entitled to dematerialize Securities or to offer securities in a dematerialized form pursuant to the Depositories Act, 1996, as amended. The provisions of this Section will be applicable in case of such Securities as are or are intended to be dematerialized.
23. Every holder of or subscriber to Securities of the Company shall have the option to receive certificates for such securities or to hold the securities with a Depository. Such a person who is the Beneficial Owner of the securities can at any time opt out of a Depository, if permitted by law, in respect of any securities in the manner provided by the Depositories Act,

1996, and the Company shall, in the manner and within the time prescribed by law, issue to the Beneficial Owner the required certificates for the Securities.

24. If a person opts to hold his securities with the Depository, the Company shall intimate such Depository the details of allotment of the securities, and on receipt of the information, the Depository shall enter in its record the name of the allottee as the Beneficial Owner of the securities.
25. All securities held by a Depository shall be dematerialized and be in fungible form. Nothing contained in Sections 89 of the Act shall apply to a Depository in respect of the securities held by on behalf of the Beneficial Owners.
26.
 - (i) .Notwithstanding anything to the contrary contained in these Articles, a Depository shall be deemed to be the registered owner for the purposes of effecting transfer of ownership of Securities of the Company on behalf of the Beneficial Owner.
 - (ii) ii. Save as otherwise provided in sub-clause above, the Depository as the registered owner of the Securities shall not have any voting rights or any other rights in respect of the Securities held by it.
 - (iii) iii. Every person holding Securities of the Company and whose name is entered as the Beneficial Owner of securities in the record of the Depository shall be entitled to all the rights and benefits and be subject to all the liabilities in respect of the Securities which are held by a Depository and shall be deemed to be a Member of the Company.
27. Notwithstanding anything to the contrary contained in these Articles, where Securities of the Company are held in a Depository, the records of the beneficiary ownership may be served by such Depository on the Company by means of Electronic Mode or by delivery of floppies or discs.
28. Nothing contained in Section 56 of the Act or anything to the contrary contained in these Articles shall apply to a transfer of Securities effected by a transferor and transferee both of whom are entered as Beneficial Owners in the records of a Depository.
29. Notwithstanding anything to the contrary contained in these Articles, where Securities are dealt with by a Depository, the Company shall intimate the details thereof to the Depository immediately on allotment of such Securities.
30. Notwithstanding anything to the contrary contained in these Articles regarding the necessity of having distinctive numbers for Securities issued by the Company shall apply to securities held with a Depository.
31. The Register and Index of Beneficial Owners maintained by Depository under the Depositories Act, 1996, as amended shall be deemed to be the Register and Index of Members and Security holders for the purposes of these Articles.

UNDERWRITING AND BROKERAGE

32. Subject to the provisions of section 40 of the Act:
 - (i) The company may exercise the powers of paying commissions conferred by sub-section (6) of section 40, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rules made thereunder.
 - (ii) The rate or amount of the commission shall not exceed the rate or amount prescribed in rules made under sub-section (6) of section 40.
 - (iii) The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.

33. The company may pay a reasonable sum for brokerage.

CALLS ON SHARES

34.

(i) Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times:

Provided that no call shall exceed one-fourth of the nominal value of the share (or such other per cent. determined the Board or prescribed under applicable law) or be payable at less than one month or such other period prescribed under applicable law from the date fixed for the payment of the last preceding call.

(ii) Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.

(iii) A call may be revoked or postponed at the discretion of the Board.

35. A call shall be deemed to have been made at the time when the resolution of the Board authorizing the call was passed and may be required to be paid by instalments.

36. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

37.

(i) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent. per annum or at such lower rate, if any, as the Board may determine.

(ii) The Board shall be at liberty to waive payment of any such interest wholly or in part.

38.

(i) sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.

(ii) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

39. The Board

- (a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and
- (b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent. per annum, as may be agreed upon between the Board and the member paying the sum in advance.

The provisions of these Articles shall mutatis mutandis apply to the calls on debentures of the company.

LIEN

40. The company shall have a first and paramount lien:

- (a) upon all share/debenture (not being a fully paid share/debenture), (other than fully paid-up shares/debentures) registered in the name of each member (whether solely or jointly with others) and upon the proceeds of sale thereof for all monies (whether presently payable or not) called, or payable at a fixed

time, in respect of that share/debenture; and no equitable interest in any share shall be created except upon the footing and condition that this Article will have full effect and such lien shall extend to all dividends and bonuses from time to time declared in respect of such shares/debentures.

- (b) Unless otherwise agreed the registration of a transfer of shares/debentures shall operate as a waiver of the company's lien If any, on such shares/debentures. The Directors may at any time declare any shares/debentures wholly or in part to be exempt from the provisions of this Article.
- (c) The fully paid up shares shall be free from all lien and in the case of partly paid up shares the Company's lien shall be restricted to moneys called or payable at a fixed time in respect of such shares.

41. The company may sell, in such manner as the Board thinks fit, any shares on which the company has a lien:

Provided that no sale shall be made:

- (i) unless a sum in respect of which the lien exists is presently payable; or
- (ii) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.

42.

- (i) To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.
- (ii) The purchaser shall be registered as the holder of the shares comprised in any such transfer.
- (iii) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

43.

- (i) The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.
- (ii) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

FORFEITURE OF SHARES

44. If a member fails to pay any call, or installment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued.

45. The notice aforesaid shall:

- (i) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
- (ii) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

46. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of forfeited shares and not actually paid before the forfeiture.

47. When any shares shall have been so forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture and an entry of the forfeiture, with the date thereof, shall forthwith be made in any manner invalidated, by any omission or neglect to give such notice or to make any such entry as aforesaid.
48. The forfeiture of a share shall involve extinction, at the time of the forfeiture, of all interest in all claims and demands against the Company in respect of the share and all other rights, incidental to the share except only such of those rights as by these Articles are expressly saved.
- 49.
- (i) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.
 - (ii) At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.
- 50.
- (i) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies (calls, installments, interest and expenses) which, at the date of forfeiture, were presently payable by him to the company in respect of the shares and Board may enforce the payment thereof or any part thereof, without any deduction or allowance for the value for the shares at the time of forfeiture, but shall not be under any obligation to do so.
 - (ii) The liability of such person shall cease if and when the company shall have received payment in full of all such monies in respect of the shares.
- 51.
- (i) A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;
 - (ii) The company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favor of the person to whom the share is sold or disposed of;
 - (iii) The transferee shall thereupon be registered as the holder of the share; and
 - (iv) The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
52. Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the certificate or certificates originally issued in respect of the relative shares shall (unless the same shall on demand by the company have been seen previously surrendered to it by the defaulting member) stand cancelled and become null and void and of no effect, and the Directors, shall be entitled to issue a duplicate certificate or certificates in respect of the said shares to the person or persons, entitled thereto.
53. The provisions of these regulations as to forfeiture shall apply in the case of nonpayment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

TRANSFER AND TRANSMISSION OF SHARES

- 54.
- (i) The Instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.
 - (ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

- (iii) The Instrument of transfer shall be in writing and all provisions of Section 56 of the Act, and statutory modification thereof for the time being shall be duly complied with in respect of all transfer of shares and registration thereof.
- (iv) No fee shall be charged for registration of transfer, transmission, probate, succession certificate and Letters of administration, Certificate of Death or Marriage, Power of Attorney or similar other document

55. The Board may, subject to the right of appeal conferred by section 58 decline to register:

- (i) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or
- (ii) any transfer of shares on which the company has a lien.

56. The Board may decline to recognise any instrument of transfer unless:

- (i) the instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56;
- (ii) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
- (iii) the instrument of transfer is in respect of only one class of shares.

57. On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

58.

- (i) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognized by the company as having any title to his interest in the shares.
- (ii) Nothing in clause (i) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

59.

- (i) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either:
 - (a) to be registered himself as holder of the share; or
 - (b) to make such transfer of the share as the deceased or insolvent member could have made
- (ii) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.

60.

- (i) the person becoming entitled to shares in consequence of the death, lunacy, bankruptcy or insolvency of any member of the marriage of a female member, or by any lawful means other than by a transfer in accordance with these presents may with the consent of Board of Directors (which shall not be under any obligation to give) upon producing such evidence that he sustains the character in respects of which he proposes to act under his article of his title, as the Board of Directors thinks sufficient, either be registered himself as holder of the shares or elect to have some person nominated by him and approved by the Board of Directors registered as such holder.
- (ii) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.

- (iii) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.

61. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company:

Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.

62. No share shall in any circumstances be transferred to any infant, insolvent or persons of unsound mind.
63. Every instrument of transfer shall be presented to the Company duly stamped for registration accompanied by such evidence as the Board of Directors may require to prove the title of the transferor, his right to transfer the shares and generally under and subject to such conditions and regulations as the board of Directors shall from time to time prescribe, and every registered instrument of transfer shall remain in the custody of the Company until destroyed by order of the Board of Directors. The Company shall also use a common form of transfer. Subject to applicable law, the Board may delegate the power of transfer of securities to a committee or to compliance officer or to the registrar to an issue and/or share transfer agent(s).
64. The Company shall incur no liability or responsibility whatever in consequence of its registering or giving effect to any of shares made or purporting to be made by any apparent legal owner thereof (as shown or appearing in the Register of Members) to the prejudice of persons having or claiming any equitable right title or interest to or in the said shares, notwithstanding that the Company may have had notice of such equitable right, title or interest or notice prohibiting registration of such transfer and may have entered such notice, or referred thereto, in any book or the Company, and the Company shall not be bound or required to regard or attend or give effect to any notice which may be given to it of any equitable right, title or interest, or be under any liability whatsoever for refusing or neglecting so to do, though it may be entered or referred to in some book of the Company, but the company shall nevertheless be at liberty to regard and attend to any such notice and given effect thereto, if the Board of Directors shall so think fit.
65. Subject to the provisions of the Act, these Articles, or any other law for the time being in force, the Board may refuse whether in pursuance of any power of the company under these Articles or otherwise to register the transfer of, or the transmission by operation of law of the right to any shares or interest of a Member in or debentures of the Company. The Company shall within one month from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Company, send notice of the refusal to the transferee and the transferor or to the person giving intimation of such transmission, as the case may be, giving reasons for such refusal. Provided that the registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever except where the Company has a lien on shares.

BOARD TO RECOGNIZE BENEFICIAL OWNERS OF SECURITIES

66. Notwithstanding anything to the contrary contained in these Articles, a Depository shall be deemed to be the registered owner for the purpose of effecting transfer of ownership of Securities on behalf of a Beneficial Owner.
67. Save as otherwise provided hereinabove, the Depository as a registered owner shall not have any voting rights or any other rights in respect of securities held by it, and the Beneficial Owner shall be entitled to all the rights and benefits and be subject to all the liabilities in respect of its securities held by a Depository.
68. Except as ordered by a Court of competent jurisdiction or as required by law, the Company shall be entitled to treat the person whose name appears as the Beneficial Owner of the securities in the records of the Depository as the absolute

owner thereof and accordingly the Company shall not be bound to recognise any benami, trust or equitable, contingent, future or partial interest in any Security or (except otherwise expressly provided by the Articles) any right in respect of a Security other than an absolute right thereto, in accordance with these Articles on the part of any other person whether or not it shall have express or implied notice thereof.

NOMINATION

69. Every holder of Shares in, or Debentures of the Company may at any time nominate, in the manner prescribed under the Act, a person to whom his shares in or Debentures of the Company shall vest in the event of death of such holder.
70. Where the Shares in, or Debentures of the Company are held by more than one person jointly, the joint holders may together nominate, in the prescribed manner, a person to whom all the rights in the shares or Debentures of the Company, as the case may be, held by them shall vest in the event of death of all joint holders.
71. Notwithstanding anything to the contrary contained in any other law for the time being in force or in any disposition, whether testamentary or otherwise, or in these Articles, in respect of such shares in or Debentures of the Company, where a nomination made in the prescribed manner purports to confer on any person the right to vest the shares in, or Debentures of the Company, the nominee shall, on the death of the shareholders or holder of Debentures of the Company or, as the case may be, on the death of all the joint holders become entitled to all the rights in the shares or Debentures of the Company to the exclusion of all other persons, unless the nomination is varied or cancelled in the prescribed manner under the provisions of the Act.
72. Where the nominee is a minor, it shall be lawful for the holder of the shares or holder of Debentures to make the nomination to appoint, in the prescribed manner under the provisions of the Act, any person to become entitled to the shares in or Debentures of the Company, in the event of his death, during the minority.

COPIES OF MEMORANDUM AND ARTICLES TO BE SENT TO MEMBERS

73. Copies of the Memorandum and Articles of Association of the Company and of other documents referred to in Section 17 of the Act shall be sent by the Board to every Member at his request, within 7 days of the request, on payment of rupee one hundred for each copy

BORROWING POWER

74. The Board may, from time to time at its discretion subject to the provisions of Sections 179 and of the Act, raise or borrow, either from the Directors or from elsewhere and secure the payment of any sum or sums of money for the purpose of the Company, provided that the Board shall not without the sanction of the Company in General Meeting borrow any sum of money which together with money borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) exceed the aggregate for the time being of the paid up capital of the Company and its free reserves, that is to say, reserves not set aside for any specific purpose.
75. The Board may raise or secure the repayment of such sum or sums in such manner and upon such terms and conditions in all respects as it may think fit, and in particular by the issue of bonds, perpetual or redeemable, debentures or debenture-stock, or any mortgage, or other security on the undertaking of the whole or any part of the property of the Company (both present and future), including its uncalled capital for the time being.
76. Any debentures, debenture-stock, bonds or other securities may be issued at a premium or otherwise and may be issued on condition that they shall be convertible into shares of any denomination and with any privileges and conditions as to redemption, surrender, drawing, allotment of shares, attending (but not voting) at the General Meeting, appointment of Directors and otherwise Debentures with the right to conversion into or allotment of shares shall be issued only with the consent of the Company in General Meeting by a Special Resolution.
77. Save as provided in Section 56 of the Act no transfer of debentures shall be registered unless a proper instrument of transfer duly stamped and executed by the transferor and transferee has been delivered to the Company together with the certificate or certificates of the debentures.

78. If the Board refuses to register transfer of any debentures the company shall, within one month from the date on which the instrument of transfer was lodged with the Company send to the transferee and to the transferor notice of the refusal.
79. The Board shall cause a proper Register to kept in accordance with the provisions of Section 85 of the Act of all mortgages, debentures and charges specifically affecting the property of the Company, and shall cause the requirements of the Act in that behalf to be duly complied with, so far as they fail to be complied with by the Board.
80. The Company shall if at any time it issues debentures, keep a Register and Index of Debenture holders in accordance with Section 88 of the Act. The Company shall have the power to keep in any state or Country outside India a branch of Debenture-holders resident in that State or country.

CONVERSION OF SHARES INTO STOCK AND RECONVERSION

81. The Company in General Meeting may convert any paid-up shares into stock, and when any shares shall have been converted into stock, the several holders of such stock may henceforth transfer their respective interest therein, or any part of such interest, in the same manner and subject to the same regulations as, and subject to which shares from which the stock arose might have been transferred, if no such conversion had taken place or as near thereto as circumstance will admit. The company may at any time reconvert any stock into paid-up shares of any denomination.
82. The holders of stock shall, according to the amount of stock held by them have the same rights, privileges and advantages as regards dividends, voting at meeting of the Company and matters as if they held the shares from which the stock arose, but no such privileges or advantage (except participation in the Dividends and profits of the Company and in the assets of winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

MEETINGS OF MEMBERS

83. The Company shall in each year hold a General Meeting as its Annual General Meeting in addition to any other meetings in that year. All General Meetings other than Annual general meetings shall be Extra-ordinary General Meetings. The first Annual General Meeting shall be held within a period of nine month from the date of closing of the first financial year of the Company and in any case, within a period of six months, from the date of closing of the year, provided that not more than fifteen months shall elapse between the date of one annual general meeting of a Company and that to the next. Nothing contained in the foregoing provisions shall be taken as affecting the right conferred upon the register under provisions of Section 96(1) of the Act to extend the time within which any Annual General Meeting may be held. Every Annual General Meeting shall be called during business hours, that is between 9.00 AM to 6.00 PM on any day that is not a National Holiday and shall be held at the registered office of the Company or at some other place within the city in which the registered office of the Company is situated, as the Board may determine and the Notices calling the Meeting shall specify it as the Annual General Meeting. The Company may in any one Annual General Meeting fix the time for its Subsequent Annual General Meetings. Every member of the Company shall be entitled to attend either in person or by proxy and the Auditor of the Company shall be entitled to attend and to be heard at any General Meeting which he attends on any part of the business, concerns him as auditor. At every Annual General Meeting of the Company there shall be laid on the table the Director's Report (if not already incorporated in the Audited Statement of Accounts) the proxy Register with proxies and the Register shall be open and accessible during the continuance of the meeting. The Board shall cause to be prepared the Annual List of Members, Summary of the Share Capital, Balance Sheet and Profit and Loss Account and submit the same to the Registrar in accordance with Section 92 and 137 of the Act.
84. The Board may, whenever it deems fit, call an extra ordinary general meeting of the Company.
85. The extraordinary general meeting shall be called by the Board, at the requisition in writing made by such number of members who hold, on the date of receipt of requisition, not less than one-tenth of such of paid-up capital of the Company as on the date carries the right of voting in regard to the matter in respect of which the requisition has been made.
86. Any valid requisition so made by members must state the object or objects of the meeting proposed to be called, and must be signed by the requisitionists and be deposited at the registered office of the Company, provided that such requisition may consist of several documents in loose form and each shall be signed by one or more requisitionists.

87. Upon the receipt of any such requisition the Board shall within twenty-one days from the date of receipt of a valid requisition in regard to any matter, proceed to call an extra ordinary general meeting for the consideration of that matter on a day not later than forty -five days from the date of receipt of such requisition. The requisitionists, or such of their number as represent either a majority in value of the paid-up share capital held by all of them or not less than one-tenth of the paid-up share capital of the Company as is referred to section 100 of the Act, whichever is less, may themselves call the meeting, but in either case, any meeting so called may be held within three months from the date of the delivery of the requisition as aforesaid.
88. Any reasonable expenses incurred by the requisitionist in calling an extraordinary meeting shall be reimbursed to the requisitionists by the company and the sums so paid shall be deducted from any fee or other remuneration under section 197 payable to such directors who were in default in calling the meeting.
89. Any meeting called under the foregoing Articles by the requisitionists shall be called and held in the same manner, as nearly as possible, as that in which meeting is to be called and held by the Board.
90. A general meeting of the Company may be called by giving not less than clear twenty-one days notice either in writing or through electronic mode in such manner as may be prescribed.

Provided that a general meeting may be called after giving a shorter notice if consent is given in writing or in electronic mode as prescribed under Section 101 of the Act.

Notice shall, specifying the day, place and hour of meeting, and the general nature of the business to be transacted thereat, shall be given in the manner hereinafter provided, to such persons as are under these Article entitled to receive notice from the Company.

91. A notice calling the meeting shall be annexed with the statement setting out the following material facts concerning each item of special business to be transacted at a general meeting:
 - (i) The nature of concern or interest, financial or otherwise, if any, in respect of each items of
 - (a) Every director and the manager, if any;
 - (b) Every other key managerial personnel; and
 - (c) Relatives of the persons mentioned in sub-clause (i) and (ii) hereinabove;
 - (ii) Any other information and facts that may enable members to understand the meaning, scope and implications of the items of business and to take decision thereon.
92. In the case of an Annual General Meeting, all business to be transacted thereat shall be deemed special, other than:
 - (i) the consideration of the financial statements, and the reports of the Board of Directors and auditors.
 - (ii) the declaration of any dividend.

 - (e) the provisions of Section 162 of the Act is applicable to the case.

158.

- (i) No person not being a retiring Director, shall be eligible for appointment to the office of Director at any General meeting unless he or some member intending to propose him has, not less than fourteen days before the meeting left at the office of the company a notice in writing under his hand signifying his candidature for the office of Director or as the case may be, the intention of such member to propose him as a candidate for that office.
- (ii) Every person (other than a director retiring by rotation or otherwise or a person who has left at the office of the company a notice under Section 160 of the Act Signifying his candidature for the office of a Director) proposed as candidate for the office of a Director shall sign and file with the Company, the consent in writing to act as a Director if appointed along with the deposit of rupees one lakh.

Provided that requirements of deposit of amount shall not apply in case of appointment of an independent director or a director recommended by the Nomination and Remuneration Committee, if any, constituted under sub-section (1) of section 178 or a director recommended by the Board of Directors of the Company, in the case of a company not required to constitute Nomination and Remuneration Committee.

(iii) A person other than a Director reappointed after retirement by rotation or immediately on the expiry of his term of office, or an Additional or Alternate Director, or a person filling a casual vacancy in the office of a Director under Section 161 of the Act, appointed as a Director or re-appointed as an Additional or Alternate Director, immediately on the expiry of his term of office, shall not act as a director of the Company unless he has within thirty days of his appointment signed and filed with the Registrar his consent in writing to act as such Director.

159. The Company shall keep at its registered office a register containing the particulars of its directors and key managerial personnel mentioned in Section 170 of the Act, and shall otherwise comply with the provisions of the said Section in all respects.

160. Company shall file a return containing particulars and documents as prescribed by the Act, for appointment or changes, if any, of the directors and key managerial personnel of the company, as the case may be, with the Registrar of the Companies within a period of thirty days any such appointment or changes.

REMOVAL OF DIRECTORS

161.

(i) The Company may (Subject to the provisions of Section 169 and other applicable provisions of the Act and these Articles) remove any Directors before the expiry of his period of office.

(ii) Special notice as provided by Section 115 of the Act shall be given for any resolution to remove a Director under this Article or to appoint some other person in place of a Director so removed, at the meeting at which he is removed.

(iii) On receipt of notice of a resolution to remove a Director under this article, the Company shall forthwith send a copy thereof to the Director concerned and the Director, whether or not he is a member of the Company, shall be entitled to be heard on the resolution at the meeting.

(iv) Where notice has been given of a resolution to remove a Director under this Article and the director concerned makes with respect thereto representations in writing to the Company (not exceeding a reasonable length) and requests its notification to members of the Company, the company shall, unless the representations are received by it too late for it to do so:

(a) in the notice of the resolutions given to members of the company, state the fact of the representations having been made, and

(b) send a copy of the representations to every member of the company to whom notice of the meeting is sent (whether before or after receipt of the representation by the company),

and if a copy of the representation is not sent as aforesaid because they were received too late or because of the company's default, the Director may (without prejudice to his right to be heard orally) require that the representations shall be read out at the meeting, provided that copy of the representation need not be sent out and the representation need not be read out at the meeting if, on the application either of the Company or of any other person who claims to be aggrieved, the Court is satisfied that the rights conferred by this sub-clause are being abused to secure needless publicity for defamatory matter and tribunal may order the company's cost on the application to be paid in whole or in part by the director notwithstanding that he is not a party to it.

- (v) A vacancy created by the removal of a Director under this Article may, if he had been appointed by the company in General Meeting or by the Board, be filled by the appointment of another director in his place at the meeting at which he is removed,

Provided special notice of the intended appointment has been given.

A Director so appointed shall hold office till the date up to which his predecessor would have held office if he had not been removed.

- (vi) If the vacancy is not filled, it may be filled as a casual vacancy in accordance with the provisions of the Act, in so far as they are applicable

Provided that the Director who was removed from office under these Articles shall not be reappointed as a Director by the Board of Directors.

- (vii) Nothing contained in this Article shall be taken:

- (a) as depriving a person removed under these Articles of any compensation or damages payable to him in respect of the termination of his appointment as director as per the terms of contract or terms of his appointment as Director, or of any other appointment terminating with that as director; or
- (b) as derogating from any power to remove a Director under other provisions of the Act.

- (ii) The seal of the company shall not be affixed to any instrument except by the authority of a resolution of the Board or of a committee of the Board authorized by it in that behalf, and except in the presence of at least two directors or one director and the secretary or such other person as the Board may appoint for the purpose; and those two directors or one director and the secretary or other person aforesaid shall sign every instrument to which the seal of the company is so affixed in their presence.

DIVIDENDS AND RESERVES

188. The company in general meeting may declare dividends to be paid to members according to their respective rights, but no dividend shall exceed the amount recommended by the Board, but the company in general meeting may declare a smaller dividend.

189. Subject to the provisions of section 123, the Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the company.

190. No dividend shall be declared or paid by the company for any financial year except, Out of the profits of the company for that year arrived at after providing for depreciation in accordance with the provisions of schedule II of the Act, or out of the profits of the company for any previous financial year or years arrived at after providing for depreciation in accordance with the provisions of that schedule and remaining undistributed, or out of both, provided that;

- (i) The company may, before the declaration of any dividend in any financial year, transfer such percentage of its profits for that financial year as it may consider appropriate to the reserves of the company:
- (ii) Where owing to inadequacy or absence of profits in any financial year, the company proposes to declare dividend out of the accumulated profits earned by it in previous year and transferred by the company to the reserves, such declaration of dividend shall not be made except in accordance with Companies (Declaration and Payment of Dividend) Rules, 2014.
- (iii) No dividend shall be declared or paid by the company from its reserves other than free reserves.

191. The Board of Directors of the Company may declare interim dividend during any financial year or at any time during the period from closure of financial year till holding of the annual general meeting out of the surplus in the profit and loss account or out of profits of the financial year for which such interim dividend is sought to be declared or out of profits generated in the financial year till the quarter preceding the date of declaration of the interim dividend:

Provided that in case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend shall not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.

192.

- (i) Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the company, dividends may be declared and paid according to the amounts of the shares.
- (ii) No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share.
- (iii) All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.

193. No member shall be entitled to receive payments of any interest or dividend in respect of his share or shares, while any money may be due or owing from him to the company in respect of such share or shares or otherwise however, either alone or jointly with any other person or persons and the Board may deduct from any dividend or interest payable to any member all sums of money, if any, presently payable by him to the company on account of calls or otherwise in relation to the shares of the company.

194.

- (i) Any dividend, interest or other monies payable in cash in respect of shares may be paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.
- (ii) No dividend shall be paid by the company in respect of any share therein except to the registered shareholder of such share or his order or to his banker and shall not be payable except in cash.

Provided that nothing in this Article shall be deemed to prohibit the capitalization of profits or reserves of the company for the purpose of issuing fully paid up bonus shares or paying up any amount for the time being unpaid on any shares held by the members of the company.

Provided further that any dividend payable in cash may be paid by cheque or warrant or in any electronic mode to the shareholder entitled to the payment of the dividend.

195. Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.

196. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.

197.
